Searchin For Love:

Searching for Love John Calhoon, 2007-09 Love and loneliness are a part of life Searching for Love is the first collection of original poems by John Calhoon and is about feelings associated with a search for love Watch for Poetry in the Trees and Journeys coming soon *Damascus Road* R. Louis Costley, III, 2007-06 Paul's world is eroding in a whirlwind of conflict and turmoil challenging everything he believes as he leads a vigilante group seeking to end the terrorism that's engulfed their community Paul's brother Tony is at the helm of the terrorists and is willing to eliminate anyone who gets in his way Meanwhile Paul's former lieutenant Steve returns home opening a Christian rock club on the edge of town Damascus Road and he brings his sister Britne with him Sparks begin to fly fanning the flames of passion and emotion until a raging fire burns in the hearts of each character There's only one way for all this to end Or is there Love Hate Revenge Redemption At the crossroad of his own life Paul will only find the answers to the questions in his heart through the doors of Damascus Road

Searching For Love Amelia Rose, 2013-12-20 As the younger twin Carey Carson has always lived comfortably in brother Casey's shadow happy to let him take the lead But when Casey leaves for his honeymoon and the cattle drive has to continue without him it's up to Carey to step up and fill those highly respected boots Amy McDade joined the cattle drive with a group of other vacationers only for her this drive isn't about learning to rope a steer or having a good time It's her final attempt to build up her confidence again since an injury on the job has kept her from being a part of the career she's always loved When Carey and Amy find themselves headed back to the Carson Hill Ranch and into waiting danger can they lean on each other for the strength they will need to fend off a crazed drug dealer bent on revenge *Looking for Love in the Legal Discourse of Marriage* Renata Grossi, 2014-09-01 This book examines the invisibility of romantic love in the legal discourse surrounding modern Australian marriage It looks at how romantic love has become a core part of modernity and a dominant part of the Western marriage discourse and considers how the ideologies of romantic love are or are not replicated in the legal meaning of marriage This examination raises two key issues If love has become central to people's understanding of marriage then it is important for the legitimacy of law that love is reflected in both the content and application of the law More fundamentally it requires us to reconsider how we understand law and to ask whether it is engaged with emotions or separate from them Along the way this book also considers the meaning of love itself in contemporary society and asks whether love is a radical force capable of breaking down conservative meanings embedded in institutions like marriage or whether it simply mirrors them This book will be of interest to everyone working on love marriage and sexuality in the disciplines of law sociology and philosophy **Looking for Love in Strange Places: A Memoir for My Stepdaughters** Diana Page, 2016-02-18 Back in 1968 Diana Page was going to graduate from the University of Michigan without much hope for marriage or a career She didn't have a boyfriend so a prospective husband was unlikely to materialize before the semester ended and a bachelor's in political science wasn't going to make her easily employable The solution Join the Peace Corps where she could help change

the world and possibly meet a guy who shared her values Thus began Diana s adventures Her travels as a journalist and diplomat took her down the dangerous roads of Latin American history from the 1960s into the twenty first century With excerpts from diaries letters and news articles she weaves together a narrative of war and peace presidents and peasants but mostly of ordinary people who teach her about life She also runs into a few extraordinary people along the way Fidel Castro Isabel Peron Pele Jorge Luis Borges and Hilary Clinton among others Looking for Love in Strange Places A Memoir for My Stepdaughters is a hopeful humorous account of what happens when you seize the day without too many expectations for the future

Looking for Love Larisa Sainz-Yaksic,2020-02-03 Everyone needs love true unconditional love But what if you have known nothing but bullying rejection mental physical abuse including sexual abuse self mutilation despair and utter hopelessness And what if you feel that you are not worthy of love and blame yourself for all the ills that have befallen you Is true love attainable Based on real events Looking for Love is the story about Danielle a solitary suicidal teenager who battles constant and incessant abuse She lives a life in pursuit of love craving just a scintilla of affection from her parents and the gentle touch of her mother Transferring from one school to another she is always the outcast where no one even talks to her Almost everyone can point to an event in their lives that changed them forever If only Danielle would have known about a certain thing in elementary school her life would have taken a totally different direction But not knowing that one thing led to more bullying and further crushed her already fragile emotional state When you have no friends when no one talks to you or even acknowledges your presence when your father ignores you when you re the product of a mixed marriage and your racist mother berates you and detests your mere existence because you are the wrong skin color when you can t trust anyone and when you even question your sexual identity what do you do Is there an escape from bullying abuse despair rejection and utter hopelessness Looking for Love is about hope resiliency and the quest for true love
