She then suggests ways to enliven the gathering space using the children's five senses to help open them to these rich faith experiences. She offers approaches to the critical factors in preparation, presentation, and procedure that make for successful empowerment of the child's faith learning. She also includes scores of practical ideas for involving primary and middle-grade children in making prayer, helping them express their unity with God through prayer. Finally, she discusses the many resources essential to our own spiritual formation, which must go hand in hand with that of unfolding a vibrant faith life in children.
