Isaacs, 2000 Rabbi Ronald H Isaacs highly acclaimed series of Every Person s Guides provides modern readers with the essential information necessary to grasp the topics he explores A gifted educator Rabbi Isaacs understands the needs of his readers as he provides them with a wonderful balance between background material and the details of religious practice While Rabbi Isaacs is not offering halachic legal guides he does give modern readers both the fundamentals as well as rich supportive materials Whether Rabbi Isaacs is walking his readers through a Jewish holy day or a topic like death and dying he does so in a user friendly warm and upbeat style This new series by one of America s most prolific Jewish writers is destined to become a classic *Girl Meets God* Lauren F. Winner, 2002-09-16 Like most of us Lauren Winner wants something to believe in The child of a reform Jewish father and a lapsed Southern Baptist mother she chose to become an Orthodox Jew But as she faithfully observes the Sabbath rituals and studies Jewish laws she finds herself increasingly drawn to Christianity Taking a courageous step she leaves behind what she loves and converts Now the even harder part How does one reinvent a religious self How does one embrace the new without abandoning the old How does a convert become spiritually whole In GIRL MEETS GOD this appealingly honest young woman takes us through a year in her search for a religious identity Despite her conversion she finds that her world is still shaped by her Jewish experiences Even as she rejoices in the holy days of the Christian calendar she mourns the Jewish rituals she still holds dear Attempting to reconcile the two sides of her religious self Winner applies the lessons of Judaism to the teachings of the New Testament hosts a Christian seder and struggles to fit her Orthodox friends into her new religious life Ultimately she learns that faith takes practice and belief is an ongoing challenge Like Anne Lamott s Winner s journey to Christendom is bumpy but it is the rocky path itself that makes her a perfect guide to exploring spirituality in today s complicated world Her engaging approach to religion in the twenty first century is illuminating thought provoking and most certainly controversial **A Bibliography of Jewish Education in the United States** Norman Drachler, 2017-12-01 Entries from thousands of publications whether in English Hebrew Yiddish and German on all aspects of Jewish education from pre school through secondary education This book contains entries from thousands of publications whether in English Hebrew Yiddish and German books research reports educational and general periodicals synagogue histories conference proceedings bibliographies and encyclopedias on all aspects of Jewish education from pre school through secondary education *Moses and Civilization* Robert A.

Jackson,1997 Every Person's Guide to Shavuot Ronald H. Isaacs,1999 Introduces the customs laws traditions legends stories and folklore connected with the holiday of Shavuot **Mystery Manifest** Gail Ramshaw,2025-02-04 Renowned liturgist and scholar Gail Ramshaw mines the treasures of the Bible patristic sermons theological treatises mystical reveries liturgical texts hymns and poetry to craft a richly textured collection and framework for thinking about the language Christians use to address and describe the triune God More than a compilation yet more practical than a purely theological treatise **Mystery Manifest** is a volume that liturgists ministers and theologians will return to again and again seeking wisdom and insight into the figures of speech humans have developed to express the ineffable With astute analysis and an eye for the creativity of our language over time Ramshaw grounds readers in the realm of metaphor as practice before presenting an example the metaphor of God the Fire as finely layered illustration She then covers each of the Persons of the Trinity in turn before culminating with Trinitarian and extended metaphors for God Readers will find in these pages a wealth of resources for liturgical study homiletical preparation worship preparation and theological reflection Scholars and ministers alike will want to keep a copy readily available on their shelves **The Battle Between the Moon and Sun** Jenny Kien,2003 Woman's mysterious bleedings in time with moon cycles were first seen as the human embodiment of the cosmic mysteries of birth death and rebirth and served as the basis for time keeping With the rise of absolute kingships in the Ancient Near East authority shifted from women and goddesses to men and gods The male sun displaced the cycling moon as dominant deity This conflict between the moon and sun estranged women from the cosmic dance and led to their social marginalization Spiritual imagery became solar an exclusive and masculine imagery recognizing only one truth and demonizing all else Incorporated into Judaism and Christianity this imagery became an integral part of Western culture The history of the Jewish and Christian calendars show how women were excluded from time keeping further marginalizing them This eliminated the natural world from time keeping adding to our alienation from nature To end the Battle between the Moon and Sun a new spiritual imagery must replace the current solar form The history of the Battle shows that redeveloping the old female lunar imagery could help restore social inclusiveness and a reverence for life The Bible and the Comic Vision J. William Whedbee,1998-05-28 Apart from the occasional recognition of comic forms or motifs in biblical dress the vast majority of interpreters have usually discounted or even disdained the possibility of the Bible having any significant place for the comic vision This book attempts to make amends for this short sighted prejudicial perspective **Holidays and Rituals of Jews and Christians** Rev. Dr. Salatiel Sidhu,2013-02-05 If you want to know the heart and soul of a religion learn of its holidays Holidays were originally holy days the days set apart for to focus entirely on religious events and considerations In this book
