Love Lives Of The Great Composers:

Lives of the Great Composers 3e Harold C Schonberg, 1997-04 Schonberg brings the reader closer to an identification with the composers he discusses and thus closer to an understanding of their music The book consequently places more emphasis on biographical details and less upon technical analysis of the music **Spiritual Lives of the Great Composers** Patrick Kavanaugh, 1996 This is a compelling and inspiring look at spiritual beliefs that influenced some of the world's greatest composers now revised and expanded with eight additional composers *The Illustrated Lives of the Great Composers: Debussy* Paul Holmes, 2011-08-01 Lavishly illustrated throughout this fascinating biography sets Debussy's musical revolution in the context of his times It will be invaluable to musicians and concert goers alike *The Private Life of the Great Composers* John Frederick Rowbotham, 1892 *Rachmaninoff: The Illustrated Lives of the Great Composers.* Matthew Robert Walker, 2011-08-01 In this biography Robert Walker skilfully blends the fascinating story of Rachmaninoff's life with the historical background of his times The author shows too how outside influences the 1905 and 1917 revolutions the Great War the Wall Street Crash and the Great Depression very much affected Rachmaninoff as an artist As well as the use of contemporary accounts letters and reminiscences the author has obtained recollections first hand from distinguished musicians who knew the composer intimately and worked closely with him The Book is illustrated throughout with photographs of the time which are as fascinating as the text **The Lives and Times of the Great Composers** Michael Steen, 2011-07-01 A glorious plum pudding of a book to be consulted with pleasure and profit over and over again Sir Jeremy Isaacs Michael Steen's Great Composers was originally published in 2003 A lifetime's work and almost 1000 pages long it has since become the reference point and key read on the biographical backgrounds to classical music's biggest names Authoritative and hugely detailed but nonetheless a joy to read this new edition will expand its readership further and capitalise on a newfound popular interest in classical music Steen's book helps you explore the story of Bach the respectable burgher much of whose vast output was composed amidst petty turf disputes in Lutheran Leipzig or the ugly argumentative Beethoven in French occupied Vienna obsessed by his laundry or Mozart the over-exploited infant prodigy whose untimely death was shrouded in rumour Read about Verdi who composed against the background of the Italian Risorgimento or about the family life of the Wagners and Brahms who rose from the slums of Hamburg to become a devotee of beer and coffee in fin de siècle Vienna a cultural capital bent on destroying Mahler and much much more **Secret Lives of Great Composers** Elizabeth Lunday, 2014-04-08 Discover little known stories from music history including murder riots and heartbreak in this entertaining tour through the fascinating and surprising lives of classical music masters With outrageous anecdotes about everyone from Gioachino Rossini draft dodging womanizer to Johann Sebastian Bach jailbird to Richard Wagner alleged cross dresser Secret Lives of Great Composers recounts the seamy steamy and gritty history behind the great masters of international music Here you'll learn that Edward Elgar dabbled with explosives that John Cage was obsessed with fungus

that Berlioz plotted murder and that Giacomo Puccini stole his church's organ pipes and sold them as scrap metal so he could buy cigarettes This is one music history lesson you'll never forget *Private Lives of the Great Composers, Conductors and Musical Artistes of the World* Bernard Grun, 1955 [Puccini: The Illustrated Lives of the Great Composers](#). Peter Southwell-Sander, 2011-08-01 This Fascinating biography chronicles Puccini's life and times with dozens of photographs and illustrations of the period His Musical heritage his scandalous elopement with Elvira his relationship with Caruso and the dramas of his own life and unfolded in loving detail **The Oxford Handbook of Music and Intellectual Culture in the Nineteenth Century** Paul Watt, Sarah Collins, Michael Allis, 2020-03-02 Rarely studied in their own right writings about music are often viewed as merely supplemental to understanding music itself Yet in the nineteenth century scholarly interest in music flourished in fields as disparate as philosophy and natural science dramatically shifting the relationship between music and the academy An exciting and much needed new volume The Oxford Handbook of Music and Intellectual Culture in the Nineteenth Century draws deserved attention to the people and institutions of this period who worked to produce these writings Editors Paul Watt Sarah Collins and Michael Allis along with an international slate of contributors discuss music's fascinating and unexpected interactions with debates about evolution the scientific method psychology exoticism gender and the divide between high and low culture Part I of the handbook establishes the historical context for the intellectual world of the period including the significant genres and disciplines of its music literature while Part II focuses on the century's institutions and networks from journalists to monasteries that circulated ideas about music throughout the world Finally Part III assesses how the music research of the period reverberates in the present connecting studies in aestheticism cosmopolitanism and intertextuality to their nineteenth century origins The Handbook challenges Western music history's traditionally sole focus on musical work by treating writings about music as valuable cultural artifacts in themselves Engaging and comprehensive The Oxford Handbook of Music and Intellectual Culture in the Nineteenth Century brings together a wealth of new interdisciplinary research into this critical area of study *The great composers, or Stories of the lives of eminent musicians*, by C.E. Bourne John Joseph Brown, 1884 **New Illustrated Lives of Great Composers: Chopin** Ates Orga, 2015-03-15 **Brass Bands of the British Isles 1800-2018 - a historical directory** Gavin Holman, Of the many brass bands that have flourished in Britain and Ireland over the last 200 years very few have documented records covering their history This directory is an attempt to collect together information about such bands and make it available to all Over 19 600 bands are recorded here with some 10 600 additional cross references for alternative or previous names This volume supersedes the earlier British Brass Bands a Historical Directory 2016 and includes some 1 400 bands from the island of Ireland A separate work is in preparation covering brass bands beyond the British Isles A separate appendix lists the brass bands in each county **Love Lives of the Great Composers** Basil Howitt, 1995 Basil Howitt delves into the love lives of a cluster of the great composers from Gesualdo to Wagner and finds much to delight surprise shock and even appall his
