## **Noble Death Suicide And Martyrdom Among Christians And Jews In Antiquity:**

*A Noble Death* Arthur J. Droge, James D. Tabor, 1992 Pathbreaking study provides a stunning reappraisal of the early history of this controversial human freedom *A Noble Death* challenges the often unquestioning attitudes we have toward suicide and traces the evolution of these attitudes from the time of Socrates to the present day Droge and Tabor reveal the extraordinary fact that early Christians and Jews did not absolutely condemn suicide but instead focused on whether or not it was committed for noble reasons In *Martyrdom and Noble Death* Jan Willem van Henten, Friedrich Avemarie, 2002 This volume explores the fascinating phenomenon of noble death through pagan Jewish and Christian sources Today's society is uncomfortable with death and willingly submitting to a violent and ostentatious death in public is seen as particularly shocking and unusual Yet classical sources give a different view with public self sacrifice often being applauded The Romans admired a heroic end in the battlefield or the arena suicide in the tradition of Socrates was something laudable and Christians and Jews alike faithfully commemorated their heroes who died during religious persecutions The cross cultural approach and wide chronological range of this study make it valuable for students and scholars of ancient history religion and literature *Jewish Martyrdom in Antiquity* Yair Furstenberg, Jan Willem van Henten, Friedrich Avemarie, 2023-03-06 This volume offers a comprehensive discussion of all relevant sources concerning Jewish martyrdom in Antiquity By viewing these narratives together tracing their development and comparing them to other traditions the authors seek to explore how Jewish is Jewish martyrdom To this end they analyse the impact of the changing social and religious cultural circumstances and the interactions with Graeco Roman and Christian traditions This results in the identification of important continuities and discontinuities Consequently while political ideals that are prominent in 2 and 4 Maccabees are remarkably absent from rabbinic sources the latter reveal a growing awareness of Christian motifs and discourse **The Making of Martyrdom in Modern Twelver Shi'ism** Adel Hashemi, 2022-02-24 In Twelver Shi'a Islam the wait for the return of the Twelfth Imam Muhammad ibn al Hasan al Mahdi at the end of time overshadowed the value of actively seeking martyrdom However what is the place of martyrdom in Twelver Shi'ism today This book shows that the Islamic revolution in Iran resulted in the marriage of Shi'i messianism and extreme political activism changing the mindset of the Shi'a worldwide Suddenly each drop of martyrs blood brought the return of al Mahdi one step closer and the Islamic Republic of Iran supposedly became the prelude to the foretold world revolution of al Mahdi Adel Hashemi traces the unexplored area of Shi'i discourse on martyrdom from the 1979 revolution when the Islamic Republic's leaders cultivated the culture of martyrdom to topple the Shah's regime to the dramatic shift in the understanding of martyrdom today Also included are the reaction to the Syrian crisis the region's war with ISIS and other Salafi groups and the renewed commitment to the defense of shrines This book shows the striking shifts in the meaning of martyrdom in Shi'ism revealing the real relevance of the concept to the present day Muslim world

*Jewish Martyrs in the Pagan and Christian Worlds* Shmuel Shepkaru, 2006 This book presents a linear history of Jewish

martyrdom from the Hellenistic period to the high Middle Ages Following the chronology of sources the study challenges the general consensus that martyrdom was an original Hellenistic Jewish idea Instead Jews like Philo and Josephus internalized the idealized Roman concept of voluntary death and presented it as an old Jewish practice The centrality of self sacrifice in Christianity further stimulated the development of rabbinic martyrology and the talmudic guidelines for passive martyrdom However when forced to choose between death and conversion in medieval Christendom Ashkenazic Jews went beyond these guidelines sacrificing themselves and loved ones Through death not only did they attempt to prove their religiosity but also to disprove the religious legitimacy of their Christian persecutors While martyrs and martyrologies intended to show how Judaism differed from Christianity they in fact reveal a common mindset

*The Wiley Blackwell Companion to Christian Martyrdom* Paul Middleton, 2020-01-27 A unique wide ranging volume exploring the historical religious cultural political and social aspects of Christian martyrdom Although a well studied and researched topic in early Christianity martyrdom had become a relatively neglected subject of scholarship by the latter half of the 20th century However in the years following the attack on the Twin Towers on September 11 2001 the study of martyrdom has experienced a remarkable resurgence Heightened cultural religious and political debates about Islamic martyrdom have in a large part prompted increased interest in the role of martyrdom in the Christian tradition The Wiley Blackwell Companion to Christian Martyrdom is a comprehensive examination of the phenomenon from its beginnings to its role in the present day This timely volume presents essays written by 30 prominent scholars that explore the fundamental concepts key questions and contemporary debates surrounding martyrdom in Christianity Broad in scope this volume explores topics ranging from the origins influences and theology of martyrdom in the early church with particular emphasis placed on the Martyr Acts to contemporary issues of gender identity construction and the place of martyrdom in the modern church Essays address the role of martyrdom after the establishment of Christendom especially its crucial contribution during and after the Reformation period in the development of Christian and European national building as well as its role in forming Christian identities in Asia Africa and the Americas This important contribution to Christian scholarship Offers the first comprehensive reference work to examine the topic of martyrdom throughout Christian history Includes an exploration of martyrdom and its links to traditions in Judaism and Islam Covers extensive geographical zones time periods and perspectives Provides topical commentary on Islamic martyrdom and its parallels to the Christian church Discusses hotly debated topics such as the extent of the Roman persecution of early Christians The Wiley Blackwell Companion to Christian Martyrdom is an invaluable resource for scholars and students of religious studies theology and Christian history as well as readers with interest in the topic of Christian martyrdom

*The Aroma of Righteousness* Deborah A. Green, 2011 Studies aroma in Jewish life and literature in Palestine in the late Roman and early Byzantine periods Uses the history and material culture of perfume and incense as a lens to view daily activities Provided by publisher

Paul, Grace and Freedom John Kenneth Riches, 2009-05-01

This collection celebrates the distinguished contribution of Professor John Kenneth Riches to biblical interpretation From Martyr to Mystic Ra'anan S. Boustan, 2005 This study provides a critical analysis of Nurcholish Madjid's attempt to interpret Islam within the framework of modern Indonesia Special attention is paid to his ideas and activities during the years leading to the 1998 downfall of President Soeharto and the development towards democracy that followed Although many of these ideas have been embraced by significant sectors of official Indonesia they have also received harsh criticism from the representatives of more conservative interpretations of Islam and more recently from secular Muslims as well BOOK JACKET

The Gospel of John in Cultural and Rhetorical Perspective Jerome H. Neyrey, 2009-11-10 John's Gospel has been studied and evaluated and interpreted constantly by theologians throughout the ages Can anything more possibly be said Jerome Neyrey says it can indeed by interpreting it in two fresh ways by means of ancient rhetoric and by viewing it in its cultural context In order to find patterns and concepts that have a bearing on how to read John Neyrey examines the rhetoric of praise and blame described in the ancient encomium the Greek commonplace on noble death rules for rhetorical conclusions and Jewish background materials He then uses materials from cultural anthropology such as the effects of limited good and envy secrecy and brokerage Even innocent topics such as time and space have much to say about interpreting the figure of Jesus In viewing John through these two lenses The Gospel of John in Cultural and Rhetorical Perspective brings the book into clear focus as a truly maverick gospel **Constructing Religious Martyrdom** John Soboslai, 2024-06-27 Martyrdom is a phenomenon common to many of the world's religious traditions But why In this study John Soboslai offers insights into the practices of self sacrifice within specific sociopolitical contexts Providing a new understanding of martyrdom through the lens of political theology he analyzes discourses and performances in four religious traditions during social and political crises beginning with second century Christianity in Asia Minor where the term martyr first took its meaning He also analyzes Shi'a Islam in the 1980s when suicide bombing first appeared as a strategy in West Asia global Sikhism during World War I where martyrs stood for and against the British Raj and twenty first century Tibetan Buddhism where self immolators used their bodies in opposition to the programs of the People's Republic of China Presenting a new theory of martyrdom linked to constructions of sovereign authority Soboslai reveals common features of self sacrifice and demonstrates how bodily performances buttress conceptions of authority *Cruel Creeds, Virtuous Violence* Jack David Eller, 2011-03 This illuminating in depth study presents a wealth of case material demonstrating the many manifestations of religious violence not just war and terrorism which are the focus of so many discussions of religiously motivated violence but also more prevalent forms The author an anthropologist devotes separate chapters to sacrifice both animal and human self mortification including self injury asceticism and martyrdom religious persecution from anti Semitic pogroms to witchhunts ethno religious conflict including such hotspots as Sri Lanka Northern Ireland and the former Yugoslavia religious wars from the ancient Hebrews wars and the Christian Crusades to Islamic jihad and Hindu righteous wars and religious homicide and

abuse spousal abuse genital mutilation and dowry death among other manifestations In the final chapter Religion and Nonviolence the author examines nonviolent and low conflict societies and considers various methods of managing conflict This book goes a long way toward helping us understand the nature of violence generally its complicated connections with religion and how society in the future might avoid being blindsided by the worst aspects of human nature

Martyriumsvorstellungen in Antike und Mittelalter Sebastian Fuhrmann, Regina Grundmann, 2012-09-18 Concepts of voluntary death and martyrdom versus the ideal of preserving human life are an essential component of the Ethics of the Abrahamite religions throughout their history The studies collected in this volume focus on concepts of voluntary death and martyrdom in the Hebrew Bible Second Temple Period Judaism Early Christianity and its pagan environment Rabbinic Judaism as well as in Islam The contributions of scholars of different background present a broad panorama of the varied perspectives of the Abrahamite religions on this phenomenon The established concepts of martyrdom are challenged as too schematic Betrachtungen ber das Ideal eines freiwilligen Todes f r den eigenen Glauben oder eines Martyriums das in scharfem Gegensatz zum Gebot der Lebensbewahrung steht ziehen sich durch die Geschichte der abrahamitischen Religionen Der vorliegende interdisziplin re Band versammelt Forschungen zu den Vorstellungen eines religi s begr ndeten freiwilligen Todes oder Martyriums in der Hebr ischen Bibel im Judentum des Zweiten Tempels im Fr hchristentum und seiner paganen Umwelt im rabbinischen Judentum und im Islam Die Beitr ge verdeutlichen die unterschiedlichen Perspektiven der abrahamitischen Religionen auf dieses Ph nomen Es zeigt sich dass die bergreifende verallgemeinernde Charakterisierung jedes religi s bedingten freiwilligen Sterbens als Martyrium der Komplexit t des Ph nomens nicht gerecht wird

**Choosing Death** Jeffrey R. Watt, 2001-03-01 In this case study of the Republic of Geneva Jeffrey R Watt convincingly

argues the early modern era marked decisive change in the history of suicide His analysis of criminal proceedings and death records shows that magistrates of the sixteenth and early seventeenth centuries often imposed penalties against the bodies and estates of those who took their lives According to beliefs shared by theologian John Calvin magistrates and common folk self murder was caused by demon possession Similar views and practices were found among both Protestants and Catholics throughout Reformation Europe By contrast in the late eighteenth century many philosophies defended the right to take one s life under certain circumstances Geneva s magistrates in effect decriminalized suicide and even commoners blamed suicide on mental illness or personal reversals not on satanic influences Watt uses Geneva s uniquely rich and well organized sources in this first study to provide reliable evidence on suicide rates for premodern Europe He places his findings within a wide range of historical and sociological scholarship and while suicide was rare through the seventeenth century he shows that Geneva experienced an explosion in self inflicted deaths after 1750 Quite simply early modern Geneva witnessed nothing less than the birth of modern suicide both in attitudes toward it thoroughly secularized medicalized and stripped of diabolical undertones and the frequency of it
