Believing is Seeing Bruce McNab,2016-08-22 What are you looking for These are Jesus s first words in John s Gospel and he asks us the same question when we decide to follow him We read John s Gospel because it helps us get closer to Jesus We re like the first disciples who answer his question with their own Master where can we find you Only near the end of John s story do we learn the answer Jesus lives in the hearts of all who love him Believing is Seeing guides readers to believe more deeply in Jesus of Nazareth as the human face of God seen through the eyes of his beloved disciple It beckons us to bring to his gospel our soul searching questions Do Jesus s words stake a claim on my life Does John s gospel test me intellectually spiritually or morally Does John s portrait of Jesus make me see him a new way pray differently even live differently Believing in Jesus the Son of God shapes how we perceive our own identity the world around us the nature of truth and our relationship with God To believe is to see with love s eyes

Israel and the Covenants in New Testament Times Peter Williams,2016-05-23 Second Edition Updated and Revised A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ s return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God s saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who

teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that [Evidence Bible Ray](#) Comfort,2004-04 *The Star*,1928 **Gethsemamnesia: Forgotten Lessons From Gethsemane, Golgotha and Beyond** Daniel J. McDonald,2011-03-27 Gethsemamnesia follows Jesus through his weakest mortal moments in the Garden of Gethsemane and at Golgotha and explores the valuable uplifting and empowering lessons we can learn from the Condescended Christ If Jesus could have moments of mortal weakness and yet be sinless then it is no sin for us his fellow mortals to have those moments also If Jesus begged for exemption from suffering and asked why it is okay for us to do likewise Gethsemamnesia should be required reading for all those who suffer and struggle which is all of us *The Book of Revelation*,1957 **Reflections on Philosophy and Religion** Alan Donagan,1999-02-25 This book contains the collected papers of Alan Donagan on topics in the philosophy of religion Donagan was respected as a leading figure in American moral philosophy His untimely death in 1991 prevented him from collecting his philosophical reflections on religion particularly Christianity and its relation to ethics and other concerns This collection therefore constitutes the fullest expression of Donagan s thought on Christianity and ethics in which it is possible to discern the outlines of a coherent overarching theory Editor Anthony Perovich has supplied a useful introduction which brings Donagan s work into focus and brings out the unifying themes in the essays [Jesus](#) Margery Wolfe,2016-10-04 Jesus came so that man would be aware of the choice they have leaving man without excuse to sin You see God loves man and desires that we serve him in spirit and in truth Jesus is the way the truth and the light we will need to live now the Word and he is the same one we need when we depart this life the Christ He came that we have life in Christ that is more abundant through the Spirit He sent us once again Gods Spirit that gave man life in the earth as living souls *Are We There Yet? A Common Sense Guide To End Times Scriptures* Michael Reed,2017-08-25 The subject of the return of Jesus has fueled speculation ever since He left When is He coming Will we know when He is about to return Are the things happening in our world today signs of the times What does the book of Revelation say about the return of Jesus And what about the nation of Israel What role do they play in end times scenarios Mike Reed attempts to address these and other questions about Christ s return in this book For the average person and even for those who have studied the topic for awhile the subject of Christ s return can be overwhelming In this book the author

will attempt to guide the reader into an understanding of the return of Christ first based upon what Jesus said about it and then looking at what the apostles and prophets have said The basis for the confusion on the subject is because most authors have not followed that sequence This is a book written for laymen It attempts to utilize good scholarship but it is written for the nonacademic follower of Jesus who wants to understand what our Lord said about this most important topic The book is also written with the desire to be a good example of how to utilize sound and time honored methods of interpretation which can be applied to any topic of scripture
