Nobody's Child Cora Coleman, 2016-05-17 We were swill We weren t even piglets We were the foul slop that farmers feed to pigs animals that will eat absolutely anything Did he hate us so much that only the foulest image would do Cora Coleman was born into a house of violence and fear in a small town in Ireland Her disturbed father constantly beat her mother and treated their seven children with contempt and obscenity Their lives revolved around his moods It was no surprise that when Cora grew up the cycle continued as she went through a series of abusive relationships Her personal hell culminated when she left her violent partner in Canada and went to stay first in a women s refuge with her young son Luke finally finding peace when she was taken in by a group of nuns From there her slow road to recovery began Cora Coleman s poignant harrowing memoir shows that even swill can grow and into a confident whole peaceful human being Nobody's Child

Nobody's Child Anne Baker, 2012-05-24 A young woman's search for her roots has dramatic consequences Anne Baker writes an engrossing saga in Nobody's Child a tale of family love and finding a place to call home Perfect for fans of Cathy Sharp and Lyn Andrews When Dorothy Mortimer finds herself pregnant she is sent away to family friends the Benders to have the child Dorothy wants nothing to do with her daughter Lizzie so the Benders arrange for the child to be brought up by the O Malley's a feckless family living on the estate Lizzie is unaware of her parentage but her brother Joey is suspicious of the attention she receives from the Benders Eventually he takes Lizzie to Merseyside to claim what is rightfully hers But Joey's obsession to provide Lizzie with the riches she deserves leads to the destruction of their love and Lizzie finds herself drawn to the family she has never known What readers are saying about Nobody's Child A rags to riches story but with a good underlying tale of spite and greed A little bit of everything and a gritty ending I couldn't put it down A really good read a bit like a mini series on TV I especially liked the way it kept me guessing until the very end

Nobody's Child Alma Corliss, 2016-06-24 They say children live what they learn but that's not necessarily true is it Or is there an exception for me I don't think it is true It is a big myth to me as they say everybody is entitled to their own opinion Well let me give you a good example and just to let you know it may be graphic so read at your own risk This is a cross between love hate and anger in a person's life This is a heart that has never mended even in adulthood I have not lived what I learned Are you ready to hear it Here goes

The Infamous Cherry Sisters Darryl W. and West Texas with her aunt and uncle seeking work to buy food Survival was the name of the game They slept in their car under the sky and in abandoned houses They picked cotton they tenant farmed cut firewood to sell and raised hogs for market By the time Amy was twelve she could work like a full grown man She nearly didn't make it to twelve When Amy was eleven she nearly drowned in a creek God put a total stranger in the woods at just the right time to rescue her Amy was certain that God had saved her life for some special purpose or person Nobody's Child chronicles Amy's story from her earliest childhood recollections through the hard years of the Depression and later as a young mother awaiting her husband's return from service in World War II Her story is filled with both funny and sad moments and is told in a compelling faith-based narrative

Barbara La Marr Sherri Snyder, 2017-12-15 Barbara La Marr's 1896-1926 publicist once confessed There was no reason to lie about Barbara La Marr Everything she said everything she did was colored with news value When La Marr was sixteen her older half sister and a male companion reportedly kidnapped her causing a sensation in the media One year later her behavior in Los Angeles nightclubs caused law enforcement to declare her too beautiful to be on her own in the city and she was ordered to leave When La Marr returned to Hollywood years later her loveliness and raw talent caught the attention of producers and catapulted her to movie stardom In the first full length biography of the woman known as the girl who was too beautiful Sherri Snyder presents a complete portrait of one of the silent era's most infamous screen sirens In five short years La Marr appeared in twenty six credited films including *The Prisoner of Zenda* 1922 *Trifling Women* 1922 *The Eternal City* 1923 *The Shooting of Dan McGrew* 1924 and *Thy Name Is Woman* 1924 Yet by 1925 finding herself beset by numerous scandals several failed marriages a hidden pregnancy and personal prejudice based on her onscreen persona she fell out of public favor When she was diagnosed with a fatal lung condition she continued to work undeterred until she collapsed on set She died at the age of twenty nine Few stars have burned as brightly and as briefly as Barbara La Marr and her extraordinary life story is one of tempestuous passions as well as perseverance in the face of adversity Drawing on never before released diary entries correspondence and creative works Snyder's biography offers a valuable perspective on her contributions to silent era Hollywood and the cinematic arts

When Laura Page returns to the remote Holderness village of Welwick it is to try and discover the mystery of her mother Susannah's early life. Now a prosperous businesswoman in Hull, Susannah never speaks of her childhood when she was brought up with the terrible stigma of bastardy of being nobody's child. Susannah's own mother, Mary Ellen, born into poverty and living in a labourer's cottage, had the misfortune to fall in love with a local landowner's son. She was his one and only great love but was unable to acknowledge their child and had to watch her growing up in hardship. As the years passed and Laura began to be curious about her mother's past, so too did she become aware of the mystery about her own father.
