oscuridad, una continuación Minae Mizumura,2025-06-24 Mizumura hace suyo el desafío de imaginar el final de la inconclusa obra maestra de Sōseki Natsume Luz y oscuridad Una historia humana inolvidable que supera tanto las distancias de tiempo y espacio como las diferencias de idiosincrasia entre pares. Luz y oscuridad es una novela de singular valor en la obra de Natsume Sōseki y en la literatura japonesa moderna. La muerte del autor en 1916 dejó la novela interrumpida en el capítulo 188. Muchos escritores japoneses han especulado sobre un posible final para esta historia. Fue Minae Mizumura quien hizo suyo el desafío de imaginarlo. Durante años se especuló en Japón acerca de un posible final para la historia de la progresiva destrucción de un joven matrimonio integrado por Tsuda y su esposa Onobu, debido a la maliciosa intervención de distintos personajes: el resentido Kobayashi, amigo de la época de estudiante de Tsuda; Hideko, hermana de Tsuda; celosa de su cuñada y la temible señora Yoshikawa, esposa del jefe de Tsuda. En su continuación tarea admirable que permite seguir la trama sin haber leído la novela inconclusa, recrea la escritura de Sōseki para describir las partes oscuras decisivas a la hora de delinear las relaciones entre personajes. Quienes lean esta novela difícilmente puedan permanecer indiferentes al desafío literario que significaba continuar un texto así en el Japón de 1990 y percibir una historia humana que supera tanto las distancias de tiempo y espacio como las diferencias de idiosincrasia entre pares.

Nobu Nobu Matsuhisa,2019-09-24 In this outstanding memoir chef and restaurateur Matsuhisa shares lessons in humility, gratitude and empathy that will stick with readers long after they've finished the final chapter. Publishers Weekly starred review: Inspiration by example. Associated Press from the acclaimed celebrity chef and international restaurateur Nobu as he divulges both his dramatic life story and reflects on the philosophy and passion that has made him one of the world's most widely respected Japanese fusion culinary artists. As one of the world's most widely acclaimed restaurateurs, Nobu's influence on food and hospitality can be found at the highest levels of haute cuisine to the food trucks you frequent during the work week. This is the Nobu that the public knows. But now we are finally introduced to the private Nobu, the man who failed three times before starting the restaurant that would grow into an empire. The man who credits the love and support of his family as the only thing keeping him from committing suicide when his first restaurant burned down and the man who values the busboy who makes sure each glass is crystal clear as highly as the chef who slices the fish for Omakase perfectly. What makes Nobu special and what made him famous is the spirit of what exists on these pages. He has the traditional Japanese perspective that there is great pride to be found in every element of doing a job well no matter how humble that job is. Furthermore, he shows us repeatedly that success is as much about perseverance in the face of adversity as it is about innate talent. Not just for serious foodies, this insightful peek into the mind of one of the world's most successful restaurateurs, Library Journal, is perfect for fans of Marie Kondo's *The Life-Changing Magic of Tidying Up* and Danny Meyer's *Setting the Table*. Nobu's writing does what he does best: it marries the philosophies of East and West to create something entirely new and remarkable.
