Noddy Boards Hello Little Noddy:

Where's Noddy? Young, 2014-12-12 Example in this ebook Dear Boys I wonder if any of you are superstitious or if you believe in signs I myself do not but as this happens to be the thirteenth book in the Motor Boys series I just thought I'd mention it more as a joke than anything else You know some persons think thirteen is unlucky I do not and I am sure you do not either So I venture to hope that I have been lucky enough to write for you in this thirteenth volume a book you will like better than any of the preceding ones that I have been happy to pen Certainly Jerry Ned and Bob when they went after the radium treasure on Snake Island in the Grand Canyon of the Colorado had a chance to believe in signs if they were so inclined But when they saw the strange ghosts they were not a bit frightened and later on they discovered the cause of them This story though a complete tale in itself is linked with the others in the series It tells how the Motor Boys hearing through Professor Snodgrass of a place where radium was supposed to be located set off to find it They had many adventures and were in not a little danger Then too they had to proceed against Noddy Nixon who had unlawfully taken their motorship I venture to hope that you will like this story and that you will care for more about the boys whom I have come to regard as very good friends of mine I should dislike very much indeed saying good bye to them So wishing you all the pleasure possible in the reading of this story I remain Yours cordially Clarence Young To be continue in this ebook **Encyclopaedia Britannica**, 1890 *The Publishers' Circular and*
