the kind of deeply researched knowledgeable detail that has been afforded The Beatles perhaps most notably with Ian MacDonald's *Revolution In the Head* which examined every Beatles song in chronological detail MacBain and Kessler's intention is to write the book that satisfies the many millions of fans globally similarly obsessed with Oasis's music but who currently only have scattered social media pages to turn to add depth to the story These authors deliver the definitive chronological history of the songs of Oasis that will appeal to fans old and new in doing so bringing the wider Oasis story into play in glorious color The pair have interviewed both Gallaghers dozens of times between 1994 and 2024 and no other journalists can claim more or more lively encounters with Liam and Noel The book will also revisit each interview in the first person chronologically throughout to add unique perspective and texture to the wider story MacBain and Kessler will also dissect sleeve art with the designers and photographers delving into each detail surrounding the band This is a veritable Oasis treasure trove
