NONE DARE CALL IT **TREASON**

By John M. Stover

1964 is a year of
crisis and doubt
now, but there
is someone to
lead the young-
ster crowd, he
thinks in the
face of danger,
he has before
himself a
task in every
corner of the world.
The decision is
given.

None Dare Call It Treason:

None Dare Call it Reason Julian Foster, 1964 **None Dare Call it Treason** John A. Stormer, 1964 *None Dare Call It Treason* is a careful compilation of facts from hundreds of Congressional investigations of communism and dozens of authoritative books on the communist socialist conspiracy to enslave America It dissects the failures of the Eisenhower Administration just as effectively as it details the blunders of Roosevelt Truman Kennedy and Johnson It documents the concurrent decay in America s schools churches and press which has conditioned the American people to accept 20 years of retreat in the face of the communist enemy You won t finish *None Dare Call It Treason* without concluding that America is in serious trouble Back cover None dare call it treason Catherine Gavin, 1980 *None Dare Call it Treason* John A. Stormer, 1999-05-01 Finding, Framing, and Hanging Jefferson Alan Dershowitz, 2008 Writing in the same engaging and humorous style that made *Chutzpah* and *The Best Defense* such strong sellers Dershowitz shares how he came across a forgotten letter by Thomas Jefferson that has important implications for the country today Right-Wing Populism in America Chip Berlet, Matthew N. Lyons, 2016-05-06 Right wing militias and other antigovernment organizations have received heightened public attention since the Oklahoma City bombing While such groups are often portrayed as marginal extremists the values they espouse have influenced mainstream politics and culture far more than most Americans realize This important volume offers an in depth look at the historical roots and current landscape of right wing populism in the United States *Illuminated* is the potent combination of anti elitist rhetoric conspiracy theories and ethnic scapegoating that has fueled many political movements from the colonial period to the present day The book examines the Jacksonians the Ku Klux Klan and a host of Cold War nationalist cliques and relates them to the evolution of contemporary electoral campaigns of Patrick Buchanan the militancy of the Posse Comitatus and the Christian Identity movement and an array of millennial sects Combining vivid description and incisive analysis Berlet and Lyons show how large numbers of disaffected Americans have embraced right wing populism in a misguided attempt to challenge power relationships in U S society Highlighted are the dangers these groups pose for the future of our political system and the hope of progressive social change Winner Outstanding Book Award Gustavus Myers Center for the Study of Bigotry and Human Rights in North America *None Dare Call it Treason* Group Research, Inc, 1964 **None Dare Call it Treason** Catherine Irvine Gavin, 1978 *The Paranoid Style in American Politics* Richard Hofstadter, 2008-06-10 This timely reissue of Richard Hofstadter s classic work on the fringe groups that influence American electoral politics offers an invaluable perspective on contemporary domestic affairs In *The Paranoid Style in American Politics* acclaimed historian Richard Hofstadter examines the competing forces in American political discourse and how fringe groups can influence and derail the larger agendas of a political party He investigates the politics of the irrational shedding light on how the behavior of individuals can seem out of proportion with actual political issues and how such behavior impacts larger groups With such other classic essays as *Free Silver* and *The Mind of Coin*

Harvey and What Happened to the Antitrust Movement The Paranoid Style in American Politics remains both a seminal text of political history and a vital analysis of the ways in which political groups function in the United States [A Dictionary of Quotations from Various Authors in Ancient and Modern Languages, with English Translations ...](#) Hugh Moore,1831 *The Madness of Michele Bachmann* Ken Avidor,Karl Bremer,Eva Young,2011-11-02 This fact packed expos reveals all the dirty little secrets that Michele Bachmann would rather you didn t know Since Michele Bachmann became a front runner for the Republican presidential nomination journalists have been plumbing the depths of the well regarded blog Dump Bachmann for material on her Now the bloggers themselves pour forth a decade s worth of research and analysis to show that no matter what you ve heard about Bachmann there s worse Much worse After dogging her heels for the past decade they reveal the blood curdling truth about the woman who may well become the Republican Party s 2012 presidential nominee Describes Bachmann s faith based antischool agenda and antigay crusade Explores her fellow travelers her problematic pastors and criminal supporters any of whom could become her Rev Jeremiah Wright Reveals the boondoggles she s supported the pernicious legislation she s championed but fortunately almost never passed and her foreign policy which boils down to Jesus will be her Secretary of Defense Exposes the truth behind the notorious Bathroomgate incident Uncovers the influence of outside money on Bachmann s campaigns causes and policies Democrats disappointed by Obama Republicans embarrassed by their party s shallow field of candidates and moderate independents looking for a reasonable choice need to know all they can about presidential contenders The Madness of Michele Bachman provides deep background they won t find in the mainstream media , *Before the Storm* Rick Perlstein,2009-03-17 Acclaimed historian Rick Perlstein chronicles the rise of the conservative movement in the liberal 1960s At the heart of the story is Barry Goldwater the renegade Republican from Arizona who loathed federal government despised liberals and mocked peaceful coexistence with the USSR Perlstein s narrative shines a light on a whole world of conservatives and their antagonists including William F Buckley Nelson Rockefeller and Bill Moyers Vividly written Before the Storm is an essential book about the 1960s **Messengers of the Right** Nicole Hemmer,2016-09-22 Messengers of the Right tells the story of the media activists who built the American conservative movement and transformed it into one of the most significant and successful movements of the twentieth century and in the process remade the Republican Party and the American media landscape **Barry Goldwater and the Remaking of the American Political Landscape** Elizabeth Tandy Shermer,2013-02-28 Barry Goldwater lost the race for the presidency in 1964 but his conservative agenda sparked a movement that has had profound and far reaching effects on American politics and society This is a long overdue reconsideration of the life times and legacy of a polarizing politician who is as reviled as he is revered **Struggling for One America** Daphne Barak,Erbil Gunasti,2021-07-13 What happens when you speak with Hollywood stars and entertainers half pro Trump and half against posing the question Can we talk Since the 2016 presidential campaigns Conservatives Liberals Democrats Republicans Whites and non Whites in America began saying

loudly that they are Fighting for America Yet by the 2020 presidential elections they were even more divided than united despite all the good intention of the most Now that America is well into 2021 it is time to yearn for One America but without fighting But here is the caveat To achieve One America the Trump Phenomena must first be understood Next Discrimination and Racism in America must be re visited After that Cancel Culture and No No Rhetoric must be handled promptly and sensitively Finally Hollywood must first embrace MeToo Movement and then come up with a long term strategy Filmmakers of the Trump vs Hollywood documentary Daphne Barak and Erbil Gunasti brought on board twenty four Hollywood stars and entertainers in a documentary to discuss these topics Half were chosen among pro Trump and half against Daphne interviewed both sides posing the question Can We Talk Struggling For One America stands as the genesis of this documentary This book in that respect points at the presumptive and pretended Culprits and Scapegoats in the current divide while focusing on what is obvious The two White Houses are standing tall in plain sight and a step further on the wrong direction from this moment on would be nothing less than repeating history

Blindness by Design Robert Day,2018-05-18 America has a serious problem in having Donald Trump as a national leader a problem that far too many Americans are refusing to acknowledge Choosing to close our eyes to the disturbing realities of the Trump presidency will not make them go away Whether in regard to his personal improprieties or in the incessant rhetoric from the White House Donald Trump is simply incapable of being honest His consuming narcissism prevents him from admitting to obvious missteps and refusal to do so leads to what this book labels chain dishonesty Yet in Trumpism there is always a clear purpose in concealing the truth hence the term blindness by design
