Inward of Poetry George Johnston, William Blissett, 2014-05-14 Inward of Poetry presents fifty years of thoughtful and by turns chatty letters between poet George Johnston and his good friend and frequent editor the scholar William Blissett Edited by former student Sean Kane this lively collection includes several hitherto unpublished Johnston poems and reveals the development and creative necessities of one of Canada's revered poets and translators

A History of Irish Autobiography Liam Harte, 2018-03-01 A History of Irish Autobiography is the first ever critical survey of autobiographical self representation in Ireland from its recoverable beginnings to the twenty first century The book draws on a wealth of original scholarship by leading experts to provide an authoritative examination of autobiographical writing in the English and Irish languages Beginning with a comprehensive overview of autobiography theory and criticism in Ireland the History guides the reader through seventeen centuries of Irish achievement in autobiography a category that incorporates diverse literary forms from religious tracts and travelogues to letters diaries and online journals This ambitious book is rich in insight Chapters are structured around key subgenres themes texts and practitioners each featuring a guide to recommended further reading The volume's extensive coverage is complemented by a detailed chronology of Irish autobiography from the fifth century to the contemporary era the first of its kind to be published

After the Hector Lucille H. Campey, 2007-05-15 This is the first fully documented and detailed account produced in recent times of one of the greatest early migrations of Scots to North America The arrival of the Hector in 1773 with nearly 200 Scottish passengers sparked a huge influx of Scots to Nova Scotia and Cape Breton Thousands of Scots mainly from the Highlands and Islands streamed into the province during the late 1700s and the first half of the nineteenth century Lucille Campey traces the process of emigration and explains why Scots chose their different settlement locations in Nova Scotia and Cape Breton Much detailed information has been distilled to provide new insights on how why and when the province came to acquire its distinctive Scottish communities Challenging the widely held assumption that this was primarily a flight from poverty After the Hector reveals how Scots were being influenced by positive factors such as the opportunity for greater freedoms and better livelihoods The suffering and turmoil of the later Highland

Clearances have cast a long shadow over earlier events creating a false impression that all emigration had been forced on people. Hard facts show that most emigration was voluntary, self-financed and pursued by people expecting to improve their economic prospects. A combination of push and pull factors brought Scots to Nova Scotia, laying down a rich and deep seam of Scottish culture that continues to flourish. Extensively documented with all known passenger lists and details of over three hundred ship crossings, this book tells their story. The saga of the Scots who found a home away from home in Nova Scotia, told in a straightforward, unembellished, no-nonsense style with some surprises along the way. This book contains much of vital interest to historians and genealogists. Professor Edward J. Cowan, University of Glasgow, a well-written, crisp narrative that provides a useful outline of the known Scottish settlements up to the middle of the 19th century, avoids the sentimental victim-scapegoat approach to the topic and instead has provided an account of the attractions and mechanisms of settlement.

Professor Michael Vance, St Mary's University, Halifax *Cumulated Index to the Books*, 1958 **Memoirs of Georgia**, 1895 *Memoirs of the Bernice Pauahi Bishop Museum of Polynesian Ethnology and Natural History*, 1929 **Book News**, 1900 *Book News Monthly*, 1904 **British Books**, 1900 *Pictorial and Biographical Memoirs of Indianapolis and Marion County, Indiana*, 1893 *The Jewish pedlar* Tony Kushner, 2025-05-20. An imaginative investigation into a historical crime that sheds new light on Jewish history. In 1734 a pedlar turned smuggler named Jacob Harris slit the throats of three people in a pub in Sussex. This triple murder for which he was hanged and gibbeted remains the most violent crime ever committed by a British Jew. Yet today it is all but forgotten. In *The Jewish pedlar* Tony Kushner goes in search of the enigmatic Harris. Digging into a remarkable range of sources from law records and newspaper reports to ballads and folktales, he follows the traces of Harris's legend across three hundred years of British history. In doing so, he reconstructs the world of Jewish pedlars and criminals across many continents. The lives these figures eked out at the margins of society paint a picture of persistent antisemitism but also of remarkable integration. Intellectually bold and deeply humane, *The Jewish pedlar* takes a new grassroots approach to the history of Jews in the modern world, shedding light on everyday lives from the Enlightenment to the Holocaust and beyond.

Cincinnati Public Library, 1884 *Paperbound Books in Print*, 1965 *Books Added* Chicago Public Library, 1916 **The American Catalogue**, 1908. American national trade bibliography *The American Catalogue ... July 1, 1876-Dec. 31, 1910*, 1908 **Celebrity Memoir** Hannah Yelin, 2020-11-10. In this timely analysis of the economics of access that surround contemporary female celebrity, Hannah Yelin reveals a culture that requires women to be constantly baring all in physical exposure and psychic confessions. As famous women tell their story in their own words, constellations of ghostwriters, intermediaries and market forces undermine assertions of authorship and access to the real woman behind the public image. Yelin's account of the presence of the ghostwriter offers a fascinating microcosm of the wider celebrity machine with insights pertinent to all celebrity mediation. Yelin surveys life-writing genres including fiction, photo diary, comic strip and art anthology as well as more traditional autobiographical forms covering a wide range of media.

platforms and celebrity contexts including reality TV YouTube pop stardom and porn glamour modelling Despite this diversity Yelin reveals seemingly inescapable conventions as well as spaces for resistance Celebrity Memoir from Ghostwriting to Gender Politics offers new insights on the curtailment of women s voices with ramifications for literary studies of memoir feminist media studies celebrity studies and work on the politics of production in the creative industries

This is likewise one of the factors by obtaining the soft documents of this **Nora Johnston A Memoir** by online. You might not require more period to spend to go to the ebook introduction as without difficulty as search for them.
