Noras Pride:

Nora's Pride Carol Stephenson, 2012-04-16 CONNOR WAS THE ONLY MAN SHE D EVER LOVED And he d crushed her heart into a thousand painful pieces when he d left town without a backward glance Thoughts of Connor Devlin filled Nora McCall with hot fury even hotter than the passion that had engulfed them both during their one night together A night that left Nora with a lifetime of memories and a daughter AND NOW HE WAS BACK For twelve long years Connor had needed craved longed for raven haired Nora McCall and cursed the great sacrifice he d made in order to save her family Now he had returned to face his demons and fight for Nora s love But Connor hadn t expected to face the shock of his life a lovely young girl who called him Dad *The American Shorthorn Herd Book* ,1903 **The American Hereford Record, and Hereford Herd Book** ,1906 **The American Hereford Record and Hereford Herd Book** American Hereford Cattle Breeders' Association,1915 *American Hereford Record and Hereford Herd Book* American Hereford Cattle Breeders' Association,1922 Brief history of Hereford cattle v 1 p 359 375 **Swine Record** American Hampshire Swine Record Association,1919 [American Poland-China Record](#) American Poland-China Record Association,1922 **American Berkshire Record** American Berkshire Association,1916 **Nora Pays** Lucille Van Slyke,1925 [Change of Life](#) Leigh Riker,2012-03-15 She didn t need any more surprises Not when Nora Pride s life was changing at a pace faster than the Indy 500 With her birthday a whisper away she was prematurely becoming a grandmother She d just had her first hot flash to her archrival s undisguised glee And Nora had gone from primo designer to prime suspect in one day when a priceless vase disappeared from a house she d designed The topper sexy detective Calvin Caine was nipping at her heels His rough around the edges authority was causing her whole world to heat up And making her feel as empowered as a modern day Scarlett O Hara As Nora set out to crack the case of the missing vase she found an even more welcome surprise Older didn t mean wiser It just meant feeling more free to be yourself [Herd Register](#) American Guernsey Cattle Club,1918 [North American Galloway Herdbook](#) American Galloway Breeders' Association,1901 [Standard Poland-China Record](#) Standard Poland-China Record Association, Maryville, Mo,1922 **Luck** Joan Barfoot,2010-01-29 There is good luck and there is bad luck and then there s the ambiguous sort of luck that s a lot of this and some of the other Philip Lawrence a robust and pleasure loving furniture maker dies suddenly at the age of forty six Though that s terribly young by most standards he s lucky to have passed presumably peacefully in his sleep Less fortunate however are the three women he leaves behind to make sense of his loss There s Nora his wife of seventeen years who wakes up next to his dead body A fiery visual artist Nora s feminist re interpretation of biblical themes stoked fundamentalist outrage from her small town neighbours Now as her emotions run the gamut she must confront solo life in a place she despises Nora shares the house with Sophie a buxom and bossy redhead who works as the couple s housekeeper and personal assistant A recovering virtue addict Sophie turns to menial tasks as a way to suppress painful memories of her two year stint as an overseas aid worker Philip s death leaves her

quietly reeling And then there s the pliable and vacuous Beth a former beauty queen who serves as Nora s live in muse and model She mourns not Philip so much as the loss of a haven from her own creepy past The novel follows the three days immediately after Philip s death Privately each woman deals with memories and emotions secrets and uncomfortable revelations while at the same time preparing for the public rituals of mourning including a funeral like no other The narrative moves seamlessly from one perspective to another with delicious dark humour and wry insight into the nature of death love mourning fundamentalism and luck Barfoot s tenth novel Luck was shortlisted for the 2005 Scotiabank Giller Prize The jury citation reads as follows Joan Barfoot is at the peak of her powers with this splendidly realized tragicomedy about a household in the wake of an unexpected death With its note perfect narration mordant wit and wonderfully neurotic cast of characters Luck shows how death can reveal life in all its absurdity and complexity This scintillating comedy of manners is also a profound meditation on fate love and artifice

Imagined Human Beings Bernard Jay Paris,1997-10-01 One of literature s greatest gifts is its portrayal of realistically drawn characters human beings in whom we can recognize motivations and emotions In Imagined Human Beings Bernard J Paris explores the inner conflicts of some of literature s most famous characters using Karen Horney s psychoanalytic theories to understand the behavior of these characters as we would the behavior of real people When realistically drawn characters are understood in psychological terms they tend to escape their roles in the plot and thus subvert the view of them advanced by the author A Horneyan approach both alerts us to conflicts between plot and characterization rhetoric and mimesis and helps us understand the forces in the author s personalty that generate them The Horneyan model can make sense of thematic inconsistencies by seeing them as the product of the author s inner divisions Paris uses this approach to explore a wide range of texts including Antigone The Clerk s Tale The Merchant of Venice A Doll s House Hedda Gabler Great Expectations Jane Eyre The Mayor of Casterbridge Wuthering Heights Madame Bovary The Awakening and The End of the Road
