

A stylized, high-contrast map of the Nordic region, including Scandinavia and the British Isles, is rendered in white against a solid black background. The map is positioned on the left side of the cover, with the title text overlaid on the right.

THE NORDIC WAY

Edward L. Kilham

Foreword by
Max M. Kampelman

Nordic Way The A Path To Baltic Equilibrium

Edward L. Killham

Nordic Way The A Path To Baltic Equilibrium:

The Nordic Way Edward L. Killham, 1999-10-01 This analysis of the delicate Nordic Balance and the role it has played in recent history is an excellent introduction to the study of Soviet policy in Scandinavia It focuses on the history of mutual entanglement among the Slavs Germans and Nordic peoples in peace as well as in war The Nordic Balance meant that the NATO membership of Norway Denmark and Iceland was balanced by Finland s security relationship with Russia while Sweden s armed neutrality acted as a buffer between the Eastern and Western spheres of influence The concept embodied a tacit recognition by all parties that this balance was stable and that any attempt to tilt it would meet a corresponding reaction from the other side

The Nordic Way Edward L. Killham, 1993 This analysis of the delicate Nordic Balance and the role it has played in recent history is an excellent introduction to the study of Soviet policy in Scandinavia It focuses on the history of mutual entanglement among the Slavs Germans and Nordic peoples in peace as well as in war The Nordic Balance meant that the NATO membership of Norway Denmark and Iceland was balanced by Finland s security relationship with Russia while Sweden s armed neutrality acted as a buffer between the Eastern and Western spheres of influence The concept embodied a tacit recognition by all parties that this balance was stable and that any attempt to tilt it would meet a corresponding reaction from the other side

The Scandinavian International Society Laust Schouenborg, 2013 This book provides a comprehensive analysis of Scandinavia as a regional international society including the Nordic Peace and the rise of the Scandinavian welfare state Schouenborg aims to take the next big step in the theoretical development of the English School of International Relations particularly the structural version introduced by Barry Buzan He analyses the formation of a Scandinavian regional international society over a 200 year period and develops the concepts of primary institutions and binding forces as an analytical framework In doing so he not only offers one of the first systematic applications of English School structural theory but also sheds a new comparative light on the distinctiveness of Scandinavian international relations and provides a novel intervention in the debates about the emergence of the so called Nordic Peace In the first part of the book Schouenborg explains the core concepts and discusses how one may distinguish a regional international society from the broader global international society in which it is embedded In the second part he provides an in depth study of the Scandinavian case focussing on the periods 1815 to 1919 1919 to 1989 and 1989 to 2010 The Scandinavian International Society will be of interest to students and scholars of international relations theory Scandinavian international relations and history and researchers engaged in comparative welfare state studies

Contributions to the Study of Peacemaking United States Institute of Peace, 1991 *Contributions to the Study of Peacemaking: v. [1]. A summary of completed grant projects, December 1990* United States Institute of Peace, 1991

Historical Dictionary of Latvia Aldis Purs, Andrejs Plakans, 2017-05-02 Latvia is located on the eastern shore of the Baltic Sea After a brief period of independence between the two World Wars Latvia was annexed by the USSR in 1940 It

reestablished its independence in 1991 following the breakup of the Soviet Union Although the last Russian troops left in 1994 Latvia continues to revamp its economy for eventual integration into various Western European political and economic institutions Since May 2004 Latvia is a member of the European Union This third edition of Historical Dictionary of Latvia contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Latvia Communicating the North Peter Stadius,2016-05-23 What makes a magazine in South Africa promote Scandinavian unity among its immigrant readers and why does a Swedish king endorse attempts to influence pan Scandinavian opinion through a transnational media event in Sweden Norway and Denmark Can portraits of exotic Laplanders in the British press enthusiastic accounts of the welfare state in post war travel literature and descriptions of the liberal Nordic woman as a metaphor for a freer society in Franco Spain really be bundled together under a joint label of Nordicness How is it that despite the variety of images of the Nordic region that are circulating we still find this recurring idea of a shared Nordic identity These are some of the questions the current volume seeks to answer Covering the time period from the early nineteenth century up until the present and encompassing case studies from Britain Spain Poland and South Africa as well as from the Nordic countries contributors to the volume investigate the images that have been presented of the Nordic region in the media in and outside of the Nordic countries how such images have been shaped by mechanisms of mediation and the channels through which they have been distributed The chapters address both specific cases such as media events and individual publications as well as the structural and institutional settings for mediating the Nordic region Communicating the North Dr Jonas Harvard,Dr Peter Stadius,2013-12-28 What makes a magazine in South Africa promote Scandinavian unity among its immigrant readers and why does a Swedish king endorse attempts to influence pan Scandinavian opinion through a transnational media event in Sweden Norway and Denmark Can portraits of exotic Laplanders in the British press enthusiastic accounts of the welfare state in post war travel literature and descriptions of the liberal Nordic woman as a metaphor for a freer society in Franco Spain really be bundled together under a joint label of Nordicness How is it that despite the variety of images of the Nordic region that are circulating we still find this recurring idea of a shared Nordic identity These are some of the questions the current volume seeks to answer Covering the time period from the early nineteenth century up until the present and encompassing case studies from Britain Spain Poland and South Africa as well as from the Nordic countries contributors to the volume investigate the images that have been presented of the Nordic region in the media in and outside of the Nordic countries how such images have been shaped by mechanisms of mediation and the channels through which they have been distributed The chapters address both specific cases such as media events and individual publications as well as the structural and institutional settings for mediating the Nordic region *Science, Geopolitics and Culture in the Polar Region*

Sverker Sörlin, 2016-04-01 Throughout the twentieth century glaciologists and geophysicists from Denmark Norway and Sweden made important scientific contributions across the Arctic and Antarctic This research was of acute security and policy interest during the Cold War as knowledge of the polar regions assumed military importance But scientists also helped make the polar regions Nordic spaces in a cultural and political sense with scientists from Norden punching far above their weight in terms of population geographical size or economic activity This volume presents an image of Norden that stretches far beyond its conventional limits covering a vast area in the North Atlantic and the Arctic Sea as well as parts of Antarctica Rich in resources scarce in population but critically important in global and regional geopolitics these spaces were contested by major powers such as Russia the United States Canada and in the Antarctic Argentina Australia South Africa and others The empirical focus on Danish Norwegian and Swedish influence in the polar regions during the twentieth century embraces a diverse array of themes from the role of science in policy and diplomacy to the tensions between nationalism and internationalism with clear relevance to the important role science plays in contemporary discussions about Nordic engagement with the polar regions Small Navies Michael Mulqueen, Deborah Sanders, Ian Speller, 2016-04-01

Whilst maritime studies tend to reflect the dominance of large navies history shows how relatively small naval forces can have a disproportionately large impact on global events From Confederate commerce raiders in the nineteenth century to Somali pirates today even the most minor of maritime forces can become a key player on a global stage Examining a broad range of examples this volume addresses the roles and activities of small navies in the past and the present at the national regional and international level In particular it focusses on the different ways in which such forces have identified and addressed national and international security challenges and the way in which they interact with other navies and security agencies In addition the collection also investigates the relationship of such navies with non governmental organisations institutions and bodies in pursuit of broader maritime goals be they political financial or environmental Adopting an interdisciplinary approach drawing on the best new research from the fields of international relations security studies strategic studies and maritime history the book examines the diversity of experience amongst different smaller navies and also establishes areas of similarity Divided into two sections part one begins with a number of chapters that are theoretical in nature whilst part two provides case studies that offer a more regional focus including analysis of the challenges facing contemporary navies and historical case studies designed to reveal the experience of small navies over time By adopting an approach that combines historical considerations with analysis of current events the collection offers a unique perspective on the role that small navies have played in wider nautical affairs and their continued impact upon global maritime strategies Science, Geopolitics and Culture in the Polar Region Professor Sverker Sörlin, 2013-10-28 Throughout the twentieth century glaciologists and geophysicists from Denmark Norway and Sweden made important scientific contributions across the Arctic and Antarctic This research was of acute security and policy interest during the Cold War as knowledge of the polar regions

assumed military importance But scientists also helped make the polar regions Nordic spaces in a cultural and political sense with scientists from Norden punching far above their weight in terms of population geographical size or economic activity This volume presents an image of Norden that stretches far beyond its conventional limits covering a vast area in the North Atlantic and the Arctic Sea as well as parts of Antarctica Rich in resources scarce in population but critically important in global and regional geopolitics these spaces were contested by major powers such as Russia the United States Canada and in the Antarctic Argentina Australia South Africa and others The empirical focus on Danish Norwegian and Swedish influence in the polar regions during the twentieth century embraces a diverse array of themes from the role of science in policy and diplomacy to the tensions between nationalism and internationalism with clear relevance to the important role science plays in contemporary discussions about Nordic engagement with the polar regions **Choice** ,1994 Polityka bezpieczeństwa państw bałtyckich Jerzy Kozakiewicz,2003 **Scandinavia and the United States** Jussi M. Hanhimäki,1997 His examination demonstrates the importance of Scandinavia as a window through which to view post 1945 international affairs especially U S foreign policy and key issues such as neutralism developmental assistance and social welfare in which the Scandinavian countries were prominent Changing images of the United States in these countries are also described with particular focus on their foreign policies some maintained neutrality during the Cold War while others stressed developmental assistance to the Third World and domestic affairs in particular their famed social welfare programs **Scandinavica** Elias Bredsdorff,1995 New Books in the Reference Library of the Swedish Information Service ,1994 *Bibliographic Index* ,1994 *Subject Guide to Children's Books in Print 1997* Bowker Editorial Staff,R R Bowker Publishing,1996-09 Subject Guide to Books in Print ,1997

of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Nordic Way The A Path To Baltic Equilibrium eBooks, including some popular titles.

FAQs About Nordic Way The A Path To Baltic Equilibrium Books

What is a Nordic Way The A Path To Baltic Equilibrium PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Nordic Way The A Path To Baltic Equilibrium PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Nordic Way The A Path To Baltic Equilibrium PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Nordic Way The A Path To Baltic Equilibrium PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Nordic Way The A Path To Baltic Equilibrium PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
