Norfolk And Suffolk In The Great War:

Norfolk and suffolk in the great war G. GLIDDON,1991 *Norfolk and Suffolk in the Great War* Gerald Gliddon,1988-01-01 **English Landed Society in the Great War** Edward Bujak,2018-10-18 The extent to which the Great War impacted upon English landed society is most vividly recalled in the loss of young heirs to ancient estates English Landed Society in the Great War considers the impact of the war on these estates Using the archives of Country Life Edward Bujak examines the landed estate that flourished in England In doing so he explores the extent to which the wartime state penetrated into the heartlands of the landed aristocracy and gentry and the corrosive effects that the progressive and systematic militarization of the countryside had on the authority of the squire The book demonstrates how the commitment of landowners to the defence of an England of home and beauty an image also adopted in wartime propaganda ironically led to its transformation By using the landed estate to examine the transition from Edwardian England to modern Britain English Landed Society in the Great War provides a unique lens through which to consider the First World War and its impact on English society **The Great War** Herbert Wrigley Wilson,Sir John Alexander Hammerton,1917 **The Countryside of East Anglia** Susanna Wade Martins,Tom Williamson,2008 The countryside we enjoy today has a very long history but many of its key features were created in the relatively recent past as this book shows It investigates how the landscape of a particular area of England East Anglia developed in the period of the so called Great Depression beginning in 1870

English Farmworkers and Local Patriotism, 1900-1930 Nicholas Mansfield,2017-03-02 This new study looks at the ways in which the years surrounding the First World War shaped the lives of the rural workforce in Britain and how the patriotism unleashed by the war was used by those in power to blur class divisions and build conservative attitudes in rural communities Using the area of Shropshire and the Marches as a focus the book looks at farmworkers and their trade unions the structures of agrarian economy class divisions local loyalties cultural institutions and political organisations From 1917 the growing power of the farmworkers unions and the rural labour movement mounted a challenge to the landed elites and sought a radical change from rural poverty The author shows how the elites met this threat dynamically by creating a range of new village institutions such as ploughing matches Women s Institutes village halls war memorials and the British Legion The extraordinary growth of rural radicalism at the end of the war was diffused by popular conservatism and local patriotism Influenced by wartime experiences the period 1900 1930 saw a change in rural society from parochial concerns to a new sense of loyalty to county and to the English nation **A Genealogical and Heraldic History of the Peerage and Baronetage, the Privy Council and Knighthage** Bernard Burke,Ashworth Peter Burke,1923 **A Genealogical and Heraldic History of the Peerage and Baronetage, the Privy Council, Knighthage and Companionage** Bernard Burke,1921 *Genealogical and Heraldic Dictionary of the Peerage and Baronetage of the British Empire* ,1921 Some sections omitted from 2nd impression of the 105th ed The Bulletin ,1993 **The Grenadier Guards in the Great War**
