Normal Life A Study Of War And Industrially Injured Pensioners:

Normal Life Sally Sainsbury, 1993 Based on a survey conducted between 1978 and 1988 of 70 war pensioners and 110 industrially injured persons Examines Britain's War Pensions and Industrial Injuries schemes their impact on the lives of beneficiaries Discusses the perceptions of beneficiaries to their disability and the consequences these may have for care policies

Handbook of Disability Studies Gary L. Albrecht, Katherine D. Seelman, Michael Bury, 2001-05-24 This path breaking international handbook of disability studies signals the emergence of a vital new area of scholarship social policy and activism Drawing on the insights of disability scholars around the world and the creative advice of an international editorial board the book engages the reader in the critical issues and debates framing disability studies and places them in an historical and cultural context Five years in the making this one volume summarizes the ongoing discourse ranging across continents and traditional academic disciplines To provide insight and perspective the volume is divided into three sections The shaping of disability studies as a field experiencing disability and disability in context Each section written by world class figures consists of original chapters designed to map the field and explore the key conceptual theoretical methodological practice and policy issues that constitute the field Each chapter provides a critical review of an area positions and literature and an agenda for future research and practice The handbook answers the need expressed by the disability community for a thought provoking interdisciplinary international examination of the vibrant field of disability studies The book will be of interest to disabled people scholars policy makers and activists alike The book aims to define the existing field stimulate future debate encourage respectful discourse between different interest groups and move the field a step forward

Understanding Old Age Gail Wilson, 2000-02-22 Providing a comprehensive overview of issues of ageing from a global perspective this ambitious text introduces the reader to a wide range of issues and policies on ageing Topics examined include theoretical perspectives on ageing in society demographic trends roles played by older people as political actors migration health pensions family and institutional care and elder abuse This will be an essential text for students of social gerontology as well as an invaluable resource for students of nursing social work social policy and development studies

Disability and the Welfare State in Britain Hampton, Jameel, 2016-05-17 Created during and after the Second World War the British Welfare State seemed to promise welfare for all but in its original form excluded millions of disabled people This book examines attempts in the subsequent three decades to reverse this exclusion It is the first to contextualise disability historically in the welfare state and under each government of the period It looks at how disability policy and perceptions were slow to change as a welfare issue which is very timely in today's climate of austerity It also provides the first major analysis of the Disablement Income Group one of the most powerful pressure groups in the period and the 1972 Thalidomide campaign and its effect on the Heath government Given the recent emergence of the history of disability in Britain as a major area of research the book will be ideal for academics students and activists seeking a better understanding

of the topic **British Social Welfare** David Gladstone,2005-08-02 First published in 1995 Routledge is an imprint of Taylor Francis an informa company Parents as Care Managers Gillian Bridge,2019-07-23 First published in 1999 this volume examines the inclusion of disabled children as a category of children in need under the Children Act 1989 and as eligible for assessments of need under the NHS and Community Care Act 1990 has drawn renewed attention to the plight of these children and their families This book presents the findings from a study of parents whose child has cerebral palsy The research undertaken at the cost of social policy change focuses on the apparent gap between the well argued proposals for community care and the experiences of carers A bewildering picture emerges of inadequate services and treatments from the health education and social services in the public voluntary and private sectors Parents experience isolation and stress as they explore ways to improve the quality of their children s lives by experimenting with unregulated and under researched treatments for an incurable physical condition The conclusion that there has been deterioration in provision for these families is a serious indictment on current social policy direction *Politics, Power and Old Age* John A. Vincent,1999 This volume introduces ideas dilemmas and controversies about the way that lives of elderly people are shaped by patterns of power It is about politics in the broadest sense and about old age as a contested part of contemporary social life The author applies ideas about power and ageism in specific areas such as lifestyles personal identity appearance and intergenerational conflicts as well as pensioners movements party politics and elections He includes original research on the social construction and negotiation of identity in old age and brings together material from a range of British American and European studies of relevance to the theme of politics and old age Throughout he explores global and historical trends in ageing but relates these to personal dilemmas and interpersonal relationships The book is interdisciplinary and its challenging ideas will appeal to a broad range of students academics and professionals with a common interest in ageing and the care and well being of the elderly **The Korean Journal of Policy Studies** ,2005 **International Labour Documentation** International Labour Office. Central Library and Documentation Branch,1994 **The Peter Townsend Reader** Peter Townsend,2010-01-25 This reader brings together for the first time a collection of Peter Townsend s most distinctive work allowing readers to review the changes that have taken place over the past six decades and reflect on issues that have returned to the fore today *Lone Fathers and Masculinities* Richard W. Barker,1994 This is a study of lone fathering parenthood and masculinities an area in which there has been very little research The results offered here refute the commonly held assumption that there has been no recent significant restructuring of male gender roles **Daily Life in the Industrial United States, 1870-1900** Julie Husband,Jim O'Loughlin,2019-06-24 Not just about the rise of the factories or the emergence of the modern city this fascinating history conveys how it felt to work the assembly line and walk the bustling urban streets Daily Life in the Industrial United States 1870 1900 is a narrative based social history that is ideal for college and high school students researching this era Thematically organized chapters devoted to Economic Life Domestic Life Recreational Life and other

themes are broad in scope but include primary documents and telling details that give readers a visceral sense of the lives of people who lived during the era of industrialization Primary documents range from first person diaries of individuals who lived during the era to letters from freed slaves looking to reunite with relatives sold away from them to speeches and essays by activists including Frederick Douglass and Jane Addams They reveal how people understood the goals of education the legal position of African Americans in the South and marriage among many other daily phenomena Readers will become privy to a range of personal experiences while comprehending the importance of the economic and social developments of the period A chronology a glossary a selection of illustrations and further reading sources complete the work **The British National Bibliography** Arthur James Wells,1993 **Research Report** ,1982 **Sessional Papers** Great Britain.
