countries in Europe During that time my family was a part of privileged intellectuals and land owners After 1939 Romania was subjected to Fascism against her will and after 1945 the country came under Communist rule All of us were reduced to poverty I have witnessed how the Communist regime marginalized people and suppressed individual liberty private initiative lack of opportunities and hope I used the course of my life and decided to write its story for the purpose of showing others what an unsuccessful socialist Marxist government means When it came to power the State seized the fruits and the bounty it found however without producing anything on its own except thousands of deaths and political prisoners This is my story under a Communist regime when I lost my liberty **Norman's Letters** Norman E. Love,1994-12-01 Norman Podhoretz and Commentary Magazine Nathan Abrams,2011-10-27 What does the term neoconservative mean Who are we talking about and where did they come from Abrams answers those very questions through a detailed and critical study of neoconservatism s leading thinker Norman Podhoretz and the magazine he edited for 35 years Commentary Podhoretz has been described as the conductor of the neocon orchestra and through Commentary Podhoretz powerfully shaped neoconservatism Rich in research the book is based upon a wide range of sources including archival and other material never before published in the context of Commentary magazine including Podhoretz s private papers It argues that much of what has been said about neoconservatism is the product of willful distortion and exaggeration both by the neoconservatives themselves and their many enemies From this unique perspective Abrams examines the origins rise and fall of neoconservatism In understanding Podhoretz a figure often overlooked this book sheds light on the origins ideas and intellectual pedigree of neoconservatism
