Pain and Polemic George M. Smiga, 1992 An examination and evaluation of the anti Jewish polemic in the Gospels as reflected in the scholarly debate over the last 15 years Anti-Judaism and the Gospels William R. Farmer, 1999-07-01 When and under what circumstances did the Gospel texts begin to serve anti Jewish ends Can it be said accurately and fairly that the evangelists were anti Jewish Are there tendencies in the Gospels that were originally intended by the evangelists to injure the Jewish people or their religion or to work against the interests of the Jewish people and or their religion These and other issues were addressed in a three year research project that culminated in a fall 1996 convocation at which five major research papers were presented with two respondents to each paper The papers and responses are now made available for the first time in this volume Major presentations include Anti Judaism and the Gospel of Matthew Amy Jill Levine Anti Judaism and the Gospel of Luke Daryl D Schmidt Anti Judaism and the Gospel of John David Regensberger Something Greater than the Temple Robert Louis Wilken Anti Judaism in the Critical Study of the Gospels Joseph B Tyson Reflections on Anti Judaism in the New Testament and in Christianity E P Sanders This book succeeds in giving a comprehensive view of the problem it addresses and the papers are clear forthright presentations that will help the reader see what the issues were when the Gospels were written and what they still are E P Sanders Duke University William R Farmer is Professor of New Testament at the University of Dallas and co editor of *Jesus and the Suffering Servant* Isaiah 53 and *Christian Origins* Trinity 1998 Anti-Judaism and the Fourth Gospel Reimund Bieringer, Vandecasteele-Vanneuville, Didier Pollefeyt, 2021-11-15 Series Jewish and Christian Heritage 1 Is the Gospel of John anti Jewish What would this mean in the context of the original writer of his community the final text and its first readers Who precisely are the Ioudaioi who are so scathingly criticized in the Gospel Judeans perhaps or some other more specific group than the Jewish nation as a whole What are the implications for New Testament study and for Christian theology in the light of the troubled history of relations between Judaism and Christianity The papers in this volume were presented at the special international colloquium held in January 2000 in Leuven Belgium which was convened to assemble the world s leading experts on John s Gospel and issues of anti Judaism for a thorough assessment of the state of the question The result is a fascinating panorama of the issues and of current approaches to them and an extremely valuable resource for further work on anti Judaism in the Christian tradition Contents 1 Wrestling with Johannine Anti Judaism A Hermeneutical Frame work for the Analysis of the Current Debate Reimund Bieringer Didier Pollefeyt Frederique Vandecasteele Vanneuville 2 The Embarrassment of History Reflections on the Problem of Anti Judaism in the Fourth Gospel James D G Dunn 3 Anti Judaism in the Fourth Gospel as a Theological Problem for Christian Interpreters R Alan Culpepper 4 The Fourth Gospel and the Salvation of Israel An Appeal for a New Start Stephen Motyer 5 Anti Judaism in Revelation A Response to Peter Tomson Jan Willem van Henten 6 Anti Judaism in the Fourth Gospel Judith M Lieu 7 Escape Routes as Dead Ends On Hatred towards Jews and the New Testament Especially in the Gospel of John Simon Schoon

Anti-Judaism and the Gospel of John Mirosław Stanisław Wróbel, 2023-12-04 In the light of the research undertaken in this book the author concludes that the so called anti Jewish texts in Johannine Gospel are not directed against the Jews being an ethnic or religious community The object of the polemic and attacks is not the entire Jewish nation across the span of all the ages but a group of the Jewish leaders or opponents to Jesus in the First Century AD Looking through the prism of the aposynagoga polemic one can notice that the state of tension between the Johannine community and the rabbinic Judaism is inter Jewish not anti Jewish in character The source of the polemical language of the Fourth Gospel is the Christological discussion in the historical and sociological context the Messianic confession the excommunication from the Synagogue the presence of Samaritans in the Johannine community the struggle for the preservation of the identity

Roots of Theological Anti-Semitism Anders Gerdmar, 2009 Exploring the link between German biblical interpretation and anti-Semitism this book is a fresh comprehensive study of leading German exegetes concluding that although Nazism brought anti-Semitic exegesis to a head age old thought structures provided powerful legitimation for oppression

Scriptural Polemics Mun'im Sirry, 2014-05-01 A number of passages in the Qur'an criticize Jews and Christians from claims of exclusive salvation and charges of Jewish and Christian falsification of revelation to cautions against the taking of Jews and Christians as patrons allies or intimates Mun'im Sirry offers a novel exploration of these polemical passages which have long been regarded as obstacles to peaceable interreligious relations through the lens of twentieth century tafsir exegesis He considers such essential questions as How have modern contexts shaped Muslim reformers' understanding of the Qur'an and how have the

reformers interpretations recontextualized these passages Can the Qur an s polemical texts be interpreted fruitfully for interactions among religious communities in the modern world Sirry also reflects on the various definitions of apologetic or polemic as relevant sacred texts and analyzes reformist tafsirs with careful attention to argument literary context and rhetoric in order to illuminate the methods positions and horizons of the exegeses Scriptural Polemics provides both a critical engagement with the tafsirs and a lucid and original examination of Qur anic language logic and dilemmas showing how the dynamic and varied reformist interpretations of these passages open the way for a less polemical approach to other religions

Preaching the Gospels Without Blaming the Jews Ronald James Allen,Clark M. Williamson,2004-01-01 In this commentary on the Gospel readings in the Revised Common Lectionary Allen and Williamson call attention to ways in which the lections are continuous with the theology values and practices of Judaism and reflect critically on the caricatures in the readings They explain the polemics in their first century setting but criticize them historically and theologically They also suggest ways that preachers can help their congregations move beyond these contentious themes to a greater sense of kinship and shared mission with Judaism BOOK JACKET Answering Jewish Objections to Jesus : Volume 1 Michael L. Brown,2000-02-01 An honest fair and thorough discussion of the issues raised in Jewish Christian apologetics covering thirty five objections on general and historical themes *Gathered in One: How the Book of Mormon Counters Anti-Semitism in the New Testament* Bradley J. Kramer, Since the Holocaust a growing consensus of biblical scholars have come to recognize the unfair and misleading anti Semitic rhetoric in the New Testament language that has arguably contributed to centuries of violence and persecution against the Jewish people In *Gathered in One* Bradley J Kramer shows how the Book of Mormon counters anti Semitism in the New Testament by approaching this most Christian of books on its own turf and on its own terms literarily by providing numerous pro Jewish statements portrayals settings and structuring devices in opposition to similar anti Semitic elements in the New Testament and scripturally by connecting with it as a peer as a divine document of equal value and authority which can add these elements to the Christian canon as the Gospel of John can add elements to the Gospel of Matthew without undermining its authority or dependability In this way the Book of Mormon effectively detoxifies the New Testament of its anti Semitic poison without weakening its status as scripture and goes far in encouraging Christians to relate to Jews respectfully not as enemies or opponents but as allies people of equal worth importance and value before God **Hebrews, the General Epistles, and Revelation** Margaret Aymer,Cynthia Briggs Kittredge,David A. Sanchez,2016-10-10 This commentary on the Hebrews the General Epistles and Revelation excerpted from the Fortress Commentary on the Bible The New Testament engages readers in the work of biblical interpretation Contributors connect historical critical analysis with sensitivity to current theological cultural and interpretive issues Each chapter Hebrews through Revelation includes an introduction and commentary based on three lenses ancient context the interpretative tradition and contemporary questions and challenges Hebrews the General Epistles and Revelation introduces fresh

perspectives and draws students preachers and interested readers into the challenging work of interpretation The Letters and Legacy of Paul Margaret Aymer, Cynthia Briggs Kittredge, David A. Sanchez, 2016-10-10 This commentary on the letters and legacy of Paul excerpted from the Fortress Commentary on the Bible The New Testament engages students in the work of biblical interpretation Contributors connect historical critical analysis with sensitivity to current theological cultural and interpretive issues Each chapter Romans through Philemon includes an introduction and commentary based on three lenses ancient context the interpretative tradition and contemporary questions and challenges The Letters and Legacy of Paul introduces fresh perspectives and draws students preachers and interested readers into the challenging work of interpretation **Aquinas on Israel and the Church** Matthew A Tapie, 2015-02-26 Theologians have long debated the significance of the Jewish religion for the Christian Church Some scholars see Thomas Aquinas as the leading advocate of the belief that Israel has been superseded by the Church while others hold that Aquinas avoids supersessionism altogether The discussion has however not always analysed the terminology nor has it taken into account some of Aquinas s commentaries on Paul s letters his writings most relevant to the subject Drawing upon the Pauline commentaries Matthew Tapie shows that while Aquinas s most commonly articulated view is that the passion of Christ made Jewish worship and the Mosaic law obsolete Aquinas also advanced views that set this into question in ways that support Christian teachings affirming the value of post biblical Judaism In doing so he provides both a rich and timely reminder of the ambiguities in Aquinas s thought and makes an important contribution to the literature of supersessionism The Only True God James F. McGrath, 2022-08-15 Monotheism is a powerful religious concept shaped by competing ideas and the problems they raised Surveying New Testament writings and Jewish sources from before and after the rise of Christianity James F McGrath argues that even the most developed Christologies in the New Testament fit within the context of first century Jewish monotheism McGrath pinpoints when the parting of ways took place over the issue of God s oneness and explores philosophical ideas such as creation out of nothing which caused Jews and Christians to develop differing concepts and definitions about God *Conflict at Thessalonica* Todd D. Still, 1999-10-01 This book addresses an important issue in Thessalonian research that has hitherto received inadequate scholarly attention the conflict relations between Christians and non Christians in Thessalonica By engaging in careful exegesis of pertinent texts and by drawing upon ancient literary parallels and the social scientific study of deviance and conflict Still is able to spell out in some detail the specifics and the dynamics of Paul s and his Thessalonian converts clash with outsiders In this study he shows that the conflict thlipsis in Thessalonica was rather complex having varied origins multiple causes and mixed effects As a result this work not only provides a nuanced analysis of the conflict in Thessalonica but also demonstrates that the Thessalonian correspondence can be best read when insider and outsider interaction is kept clearly in view **Justice, Jesus, and the Jews** Michael LaVelle Cook, 2003 Does not address the eventual triumph of both Rabbinic Judaism and Gentile Christianity and the corresponding failure of a more Jewish

Christianity It centers rather on our common root the Hebrew Bible and the relationship of the Jewish prophet Jesus of Nazareth to his ancestral heritage The correspondence between the Biblical notion of justice and Jesus proclamation of the reign of God raises questions for both Jews and Christians As such it also provides a common ground or lens for Jewish Christian dialogue The hope is that the focus upon justice will deepen that dialogue

Crossing Boundaries in Early Judaism and Christianity Kimberley Stratton,Andrea Lieber,2016-10-11 This volume celebrates the scholarship of Alan Segal During his prolific career Alan published ground breaking studies that shifted scholarly conversations about Christianity rabbinic Judaism Hellenism and Gnosticism Like the subjects of his research Alan crossed many boundaries He understood that religions do not operate in academically defined silos but in complex societies populated by complicated human beings Alan s work engaged with a variety of social scientific theories that illuminated ancient sources and enabled him to reveal new angles on familiar material This interdisciplinary approach enabled Alan to propose often controversial theories about Jewish and Christian origins A new generation of scholars has been nurtured on this approach and the fields of early Judaism and Christianity emerge radically redefined as a result

"Good News" After Auschwitz? Carol Rittner,John K. Roth,2001 Many argue that Christians must address their own culpability in the destruction of Europe s Jewry If post Holocaust Christians only lament Christianity s sin the tradition will be ultimately left with little to say and no credibility Post Holocaust Christians must emphasize positive differences that Christianity can make including Repentant honesty about Christianity s anti Jewish history New appreciation for the Jewish origins of Christianity the Jewish identity of Jesus and the continuing vitality of the Jewish people and their traditions Welcome liberation from liturgies and biblical interpretations that promote harmful Christian exclusivism
