

A person is silhouetted against a bright sunset, standing on a dark, rocky cliff. The sun is low on the horizon, creating a strong lens flare that streaks across the sky. The sky is a mix of blue and orange, with some clouds. In the background, there are dark, rolling hills or mountains. The overall mood is peaceful and contemplative.

Private Times Meditations:

Private Times Meditations Gerald Lamont Pierce, 2005-07 A Note from the Author Some of the greatest moments in my life have been those moments spent alone with my Heavenly Father where nothing and no one could interfere or interrupt our time together Those have been the most precious times when I have experienced the overwhelming love of the Father to a son After approaching Him with thanksgiving and praise upon my lips and drawing even closer with worship and adoration I have often found myself becoming very quiet as He responded with encouragement correction and instruction I have always left my time with Him totally convinced of His love and concern for every detail of my life This book of meditations came directly from my private times with God and I believe that the words in this book are directly from the Father s heart Some of the meditations begin with the words God says and were written that way because I believe that I wrote it exactly as He was saying it to me Others begin with the word meditation because I wrote in my own words what I believed God wanted His sons and daughters to know Do not try to read these meditations while on the run or while you re distracted with other things May I encourage you to set time aside daily to get alone with God in worship prayer reading His Word and meditating on what He is saying to you through this book Lord I treasure these times these Private Times with You Gerald L Pierce **Restful**
