Sklar, Connie A. Shemo**

Religion And Society In Frontier California:

Religion and Society in Frontier California Laurie F. Maffly-Kipp, Laurie R Maffly-Kipp, 1994-01-01 The chaotic and reputedly immoral behaviour of the miners who made up the gold rush to the Californian frontier greatly worried the evangelical protestants from the Northeast They sent missionaries to spread the word and transplant their beliefs This book is the story of that enterprise *Religion and Society in Frontier California* Laurie F Maffly-Kipp, 2013-10 The chaotic and reputedly immoral society of the California mining frontier during the gold rush period greatly worried Protestant evangelicals from the Northeast and they soon sent missionaries westward to transplant their religious institutions beliefs and practices in the area This book tells the story of that enterprise showing how it developed why it failed and what patterns of religious adherence evolved in the West in place of evangelical Protestantism Laurie Maffly Kipp begins by analyzing the eastern based religious ideology that underlay the movement westward and by investigating the motives behind the founding of home mission boards dedicated to the spread of Christianity and civility among new settlers Drawing on the diaries letters and journals of hundreds of California argonauts Maffly Kipp describes those missionaries and their wives sent to California after 1848 and the virtually all male mining society that resisted the missionaries notions of moral order and in turn created new religious beliefs and practices Maffly Kipp argues that despite its alleged immorality the California gold rush was actually one of the most morally significant events of the nineteenth century for it challenged and brought into conflict the cherished values of antebellum American culture a commitment to spiritual and social progress a concern with self discipline moral character and proper gender roles and a thirst for wealth fostered by the spirit of free enterprise **Religions and Missionaries around the Pacific, 1500-1900** Tanya Storch, 2017-05-15 This volume takes an interdisciplinary approach to the study of religious cultural exchanges around the Pacific in the period 1500 1900 relating these to economic and political developments and to the expansion of communication across the area It brings together twenty two pieces from diaries of religious exiles and missionary field observations to studies from a variety of academic disciplines so enabling a multitude of voices to be heard The articles are grouped in sections dealing with the Islamic period the Iberian Catholic period the Jewish diaspora the Russian Orthodox church the epoch of Protestant culture and finally Asian immigrant religions in the West a substantial introduction contextualizes these chapters in terms of both historical and contemporary approaches Jewish Voices of the California Gold Rush Ava Fran Kahn, 2002 A history of the founding of California s Jewish community during the Gold Rush America's Religions Peter W. Williams, 2008 A panoramic introduction to religion in America newly revised and updated *Religion and the American West* Jessica Lauren Nelson, 2023-09 Offers a lavishly illustrated and comprehensive overview of the ways religion has shaped the idea of the American West and how the region has influenced broader religious and racial categories *A Companion to the American West* William Devereil, 2008-04-15 A Companion to the American West is a rigorous illuminating introduction to the history of the American West Twenty five essays by expert scholars

synthesize the best and most provocative work in the field and provide a comprehensive overview of themes and historiography Covers the culture politics and environment of the American West through periods of migration settlement and modernization Discusses Native Americans and their conflicts and integration with American settlers **Many Wests** David M. Wrobel, Michael C. Steiner, 1997 What does it mean to live in the West today Do people tend to identify with states with regions or with the larger West This book examines the development of regional identity in the American West demonstrating that it is a regionally diverse entity made up of many different wests Great Plains Southwest Rocky Mountains and more in which American regionalism finds its fullest expression These fourteen original essays tell how a sense of place emerged among residents of various regions and how a sense of those places was developed by people outside of them Wrobel and Steiner first offer a compelling overview of the West s regional nature then thirteen other rising or renowned scholars from history American Studies geography and literature tell how regional consciousness formed among inhabitants of particular regions All of the essays address the larger issue of the centrality of place in determining social and cultural forms and individual and collective identities Some focus on race and culture as the primary influences on regional consciousness while others emphasize environmental and economic factors or the influence of literature Some even examine western regionalism in areas that lie beyond the West as it has traditionally been conceived Each of the contributors believes that where a people live helps determine what they are and they write not only about the many wests within the larger West but also about the constant state of flux in which regionalism exists Many books speak of the West as a place but few others deal with the West s different places Many Wests presents a vision of the West that reflects both the common heritage and unique character of each major subregion building on the revisionist impulse of the last decade to help redirect New Western History toward an appreciation of regional diversity and integrate scholarship in the regional subfields It is a book for everyone who lives in studies or loves the West for it confirms that it is home to very different peoples economies histories and regions **Jolly Fellows** Richard Stott, 2009-08-24 Stott finds that male behavior could be strikingly similar in diverse locales from taverns and boardinghouses to college campuses and sporting events He explores the permissive attitudes that thrived in such male domains as the streets of New York City California during the gold rush and the Pennsylvania oil fields arguing that such places had an important influence on American society and culture Stott recounts how the cattle and mining towns of the American West emerged as centers of resistance to Victorian propriety It was here that unrestrained male behavior lasted the longest before being replaced with a new convention that equated manliness with sobriety and self control **Strangers and Pilgrims** Catherine A. Brekus, 2000-11-09 Margaret Meuse Clay who barely escaped a public whipping in the 1760s for preaching without a license Old Elizabeth an ex slave who courageously traveled to the South to preach against slavery in the early nineteenth century Harriet Livermore who spoke in front of Congress four times between 1827 and 1844 these are just a few of the extraordinary women profiled in this the first comprehensive history of female

preaching in early America Drawing on a wide range of sources Catherine Brekus examines the lives of more than a hundred female preachers both white and African American who crisscrossed the country between 1740 and 1845 Outspoken visionary and sometimes contentious these women stepped into the pulpit long before twentieth century battles over female ordination began They were charismatic popular preachers who spoke to hundreds and even thousands of people at camp and revival meetings and yet with but a few notable exceptions such as Sojourner Truth these women have essentially vanished from our history Recovering their stories Brekus shows forces us to rethink many of our common assumptions about eighteenth and nineteenth century American culture

White Roses on the Floor of Heaven Susanna Morrill,2006 First Published in 2006 Routledge is an imprint of Taylor Francis an informa company *A Path in the Mighty Waters* Stephen Russell Berry,2015-01-01 This book tells the story of how people experienced the eighteenth century crossing of the Atlantic Ocean exploring the transformative journey undertaken by the thousands of Europeans who journeyed in search of a better life Stephen Berry shows how the ships on which passengers were contained in close quarters for months at a time operated as compressed frontiers where diverse groups encountered one another and established new patterns of social organization As he argues that experiences aboardship served as a profound conversion experience for travelers both spiritually and culturally Berry reframes the history of Atlantic migrations giving the ocean and the ship a more prominent role in Atlantic history The ocean was more than a backdrop for human events it actively shaped historical experiences by furnishing a dissociative break from normal patterns of life and a formative stage in travelers processes of collective identification

A Companion to 19th-Century America William Barney,2008-04-15 A Companion to 19th Century America is an authoritative overview of current historiographical developments and major themes in the history of nineteenth century America Twenty seven scholars all specialists in their own thematic areas examine the key debates and historiography A thematic and chronological organization brings together the major time periods politics the Civil War economy and social and cultural history of the nineteenth century Written with the general reader in mind each essay surveys the historical research the emerging concerns and assesses the future direction of scholarship Complete coverage of all the major themes and current debates in nineteenth century US history assessing the state of the scholarship and future concerns 24 original essays by leading experts in nineteenth century American history complete with up to date bibliographies Chronological and thematic organization covers both traditional and contemporary fields of research politics periods economy class formation ethnicity gender roles regions culture and ideas

Competing Kingdoms Barbara Reeves-Ellington,Kathryn Kish Sklar,Connie A. Shemo,2010-03-19 A collection exploring how American women missionaries spread U S cultural imperialism along with Protestant Christianity from the early nineteenth century to the mid twentieth and how their work was received

Quakers and Abolition Brycchan Carey,Geoffrey Plank,2014-03-30 This collection of fifteen insightful essays examines the complexity and diversity of Quaker antislavery attitudes across three centuries from 1658 to 1890 Contributors from a range

of disciplines nations and faith backgrounds show Quaker s beliefs to be far from monolithic They often disagreed with one another and the larger antislavery movement about the morality of slaveholding and the best approach to abolition Not surprisingly contributors explain this complicated and evolving antislavery sensibility left behind an equally complicated legacy While Quaker antislavery was a powerful contemporary influence in both the United States and Europe present day scholars pay little substantive attention to the subject This volume faithfully seeks to correct that oversight offering accessible yet provocative new insights on a key chapter of religious political and cultural history Contributors include Dee E Andrews Kristen Block Brycchan Carey Christopher Densmore Andrew Diemer J William Frost Thomas D Hamm Nancy A Hewitt Maurice Jackson Anna Vaughan Kett Emma Jones Lapsansky Werner Gary B Nash Geoffrey Plank Ellen M Ross Marie Jeanne Rossignol James Emmett Ryan and James Walvin

Methodist Church on the Prairies, 1896-1914 George Neil Emery, 2001 At the turn of the twentieth century economic development transformed Canada s prairie region as the region s population exploded due to migration from central and eastern Canada and immigration from Britain the United States and Europe This boom sev

Damned Nation Kathryn Gin Lum, 2014-08-01 Among the pressing concerns of Americans in the first century of nationhood were day to day survival political harmony exploration of the continent foreign policy and fixed deeply in the collective consciousness hell and eternal damnation The fear of fire and brimstone and the worm that never dies exerted a profound and lasting influence on Americans ideas about themselves their neighbors and the rest of the world Kathryn Gin Lum poses a number of vital questions Why did the fear of hell survive Enlightenment critiques in America after largely subsiding in Europe and elsewhere What were the consequences for early and antebellum Americans of living with the fear of seeing themselves and many people they knew eternally damned How did they live under the weighty obligation to save as many souls as possible What about those who rejected this sense of obligation and fear Gin Lum shows that beneath early Americans vaunted millennial optimism lurked a pervasive anxiety that rather than being favored by God they and their nation might be the object of divine wrath As time honored social hierarchies crumbled before revival fire economic unease and political chaos saved and damned became as crucial distinctions as race class and gender The threat of damnation became an impetus for or deterrent from all kinds of behaviors from reading novels to owning slaves Gin Lum tracks the idea of hell from the Revolution to Reconstruction She considers the ideas of theological leaders like Jonathan Edwards and Charles Finney as well as those of ordinary women and men She discusses the views of Native Americans Americans of European and African descent residents of Northern insane asylums and Southern plantations New England s clergy and missionaries overseas and even proponents of Swedenborgianism and annihilationism *Damned Nation* offers a captivating account of an idea that played a transformative role in America s intellectual and cultural history

Immigrant Faiths Karen I. Leonard, 2006-03-10 Recent immigrants are creating their own unique religious communities within existing denominations or developing hybrid identities that combine strands of several faiths or traditions These changes call for new thinking

among both scholars of religion and scholars of migrati *Nevada Historical Society Quarterly* ,1996 **Suffragist**
Migration West after Seneca Falls, 1848-1871 Stephanie Stidham Rogers,2024-03-06 Suffragist Migration West after
Seneca Falls 1848 1871 Catharine Paine Blaine by Stephanie Stidham Rogers explores the surprising link between Elizabeth
Cady Stanton the Seneca Falls Women s Rights Conference of 1848 and the Women s Suffrage Bill presented at the 1854
Washington State Territorial Legislature It shows how Seattle s first Suffragist educator clothing protestor and activist
Catharine Paine Blaine planted the seeds of the Western feminist movement and this book redresses her prior omission as
the founder of the University of Washington Catharine drew upon the political tools and discursive skills she acquired during
her abolitionist upbringing in the nascent days of Washington State However like many suffragists of her time she rejected
Native culture and regarded Native men as competitors for the vote Rogers examines Seattle within the broader context of
the Western suffrage column that would only gain similar widespread acceptance in the East in 1885 when Catharine Paine
Blaine became the first signer of the Seneca Falls Declaration to legally cast her vote in the City of Seattle Stidham Rogers
unveils the unique contributions of Western suffragists in the comparatively liberating frontier context leading to the passage
of the Nineteenth Amendment

Religion And Society In Frontier California Introduction

In the digital age, access to information has become easier than ever before. The ability to download Religion And Society In Frontier California has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Religion And Society In Frontier California has opened up a world of possibilities. Downloading Religion And Society In Frontier California provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Religion And Society In Frontier California has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Religion And Society In Frontier California. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Religion And Society In Frontier California. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Religion And Society In Frontier California, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Religion And Society In Frontier California has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Religion And Society In Frontier California Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Religion And Society In Frontier California is one of the best book in our library for free trial. We provide copy of Religion And Society In Frontier California in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Religion And Society In Frontier California. Where to download Religion And Society In Frontier California online for free? Are you looking for Religion And Society In Frontier California PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Religion And Society In Frontier California. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Religion And Society In Frontier California are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials.
