**Charles Carroll Everett**

## **Religion And The Christian Faith:**

Religion and the Christian Faith Hendrik Kraemer, 1956

**The Christian Faith** Friedrich Schleiermacher, 1999-01-11

The classic work of Christian theology which seeks to present the Christian faith in its entirety Schleiermacher was equally at home in the theological systems of Protestant orthodoxy and the new world of thought shaped by the historical and natural sciences and German philosophy He follows a confident course through the entire range of themes in dogmatics but leaves both the dogmatic task and the individual themes transformed by a powerful and original mind A new foreword by B A

Gerrish summarises the dogmatic goals of *The Christian Faith* and corrects some common misreadings of his work *Faith, Religion & Theology* Brennan Hill, Paul F. Knitter, William Madges, 1997 This thoroughly updated text offers students and adults an overarching perspective The Faith section focuses on the nature of human faith and Christian faith The Religion section examines the personal and social value of religion religious belief and behavior and offers an overview of major world religions The Theology section includes an analysis of the theology faith relationship Suggested readings and study questions excellent end notes and index add to the value of this edition

**The Uniqueness of the Christian Faith** Dr Gerald

Charles Tilley, 2013-12-27 Critics frequently link all religions together as essentially the same and equally valid or invalid To

do so is irrational Any honest comparison reveals significant contradictions between the various religions and between the religions and the Christian faith This proves they cannot all be true This detailed presentation of evidence shows that the Christian faith is not merely one religion among many Whether or not one believes the Christian faith is revealed by God it is clearly distinct from all others Christianity should be considered as in a separate category from the religions of the world This uniqueness can be readily discovered by anyone who studies what the Christian faith actually teaches in comparison with the teachings of the world religions The challenge is to discover these unique features rather than ignoring or denying them as is usually done This book verifies thirteen areas in which the Christian faith is unique when compared with the religions of man For example one uniqueness is that of the biblical concept of sin None of man's religions take this issue seriously enough or have no final solution for it The biblical teaching is that man's rebellion sin created such an impassible barrier between God and man that nothing man can do removes it Only God could remove the barrier which He has done in Christ God has provided the only means of forgiveness and restoration to fellowship with Himself This is what is meant by the statement that the grace of God has provided salvation or deliverance from the consequences of our sin It is the only solution to man's dilemma

**Christian Faith** Hendrikus Berkhof, 1991 In today's secular world the Christian faith is viewed as only one aspect of what could be called religious life Acknowledging this Hendrikus Berkhof begins this thought provoking study with a sketch of religion and faith in general before narrowing it down to a discussion of the specific place of Christian faith in all of reality

*Why Believe?* Norman Warren, 2012-10-08 Why believe in Jesus Christ How can I know God Why did Jesus die Can we trust the Bible This helpful small book explains the central beliefs of Christianity

*Essentials of Christian Faith* Jack Cottrell,Andrew Paris,Tony Newby,1992-12 With this scathing indictment of modern America editor Steve Burris takes us on a pilgrimage that is foundational It is necessary that we go back to fundamental matters at this point in our history he writes We live in an instant culture We have come to expect instantaneous answers to all of life s questions Yet he notes we are called by God to be the light and salt of the earth even as problems of the world permeate the church and threaten it It is from this need that *Essentials of Christian Faith* was born

That is why Burris has drawn together many of the most influential and prolific Restoration writers As a Christian what is essential that you know and believe The answer to that question is here in *Essentials of Christian Faith* *Theism and the Christian Faith* Charles Carroll Everett,1909 *Transcending All Understanding* Walter Kasper,2011-04-13 This is a popular account by one of Europe's leading theologians of the meaning of Christian faith and the serious contemporary challenges to that faith Kasper has gathered together various lectures and revised and reworked them for publication Not intended to be a theological treatise on faith these very readable reflections address some of the real obstacles to the understanding and deepening of personal faith in today's world Kasper examines the problem of the handing on of the faith that exists almost everywhere today Faith itself is in question today not simply the how of its being taught or handed on but the what and why of faith The knowledge of the faith has fallen to a new low today and many of the fundamental attitudes of belief reverence humility trust and devotion have become foreign to us Kasper provides profound insights into these problems and then give clear solutions to this modern dilemma **Christianity 101** James W.
