## **Religion And The Human Sciences An Approach Via Spirituality:**

*Religion and the Human Sciences* Daniel A. Helminiak, 1998-04-23 Proposes a new paradigm for interdisciplinary studies by applying the thought of Bernard Lonergan to define spirituality as the missing link between religion and theology

**Foundations of Spirituality** Carla Mae Streeter, 2013-01-01 How does the Holy come to meet the human Or said another way how does God work with the physical psychic and spiritual persons that each of us are Scholarly approaches to spirituality often overlook the need for a sound anthropology as the base for explaining conversion the dynamic of grace and the effects of conversion in virtue theory In *Foundations of Spirituality* longtime educator Carla Mae Streeter provides a more adequate account of what it means to be a person before God By mining the insights of Bernard Lonergan on human consciousness and the virtue theory of Thomas Aquinas she presents a clear and integrated incarnational spirituality Streeter argues that God works with precisely what God has made enhancing it rather than overriding or disposing of it The basic premise of this book is that every person is called to holiness which comes about through the relationship of the human with the Divine It is a divine summons heard and responded to by a human being Carla Mae Streeter OP is professor emerita at the Aquinas Institute of Theology in St Louis Missouri where she continues to teach in the areas of systematic theology and spirituality

**Studying Christian Spirituality** David B. Perrin, 2007-08-07 This book provides a new introduction to the study of Christian spirituality exploring it through the human sciences and ranging from philosophy and hermeneutics to psychology history sociology and anthropology Systematic and progressive it introduces the key approaches and shows how they relate to the understanding study and practice of spirituality Covering a vast amount of ground from traditional themes such as images of God spiritual direction and pilgrimage to more contemporary issues such as place and space cyberspace and postcolonialism the author takes an ecumenical inclusive stance allowing the book to be used in a wide variety of courses and across denominations

**Brain, Consciousness, and God** Daniel A. Helminiak, 2015-07-16 *Brain Consciousness and God* is a constructive critique of neuroscientific research on human consciousness and religious experience An adequate epistemology a theory of knowledge is needed to address this topic but today there exists no consensus on what human knowing means especially regarding nonmaterial realities Daniel A Helminiak turns to twentieth century theologian and philosopher Bernard Lonergan s breakthrough analysis of human consciousness and its implications for epistemology and philosophy of science Lucidly summarizing Lonergan s key ideas Helminiak applies them to questions about science psychology and religion Along with Lonergan eminent theorists in consciousness studies and neuroscience get deserved detailed attention Helminiak demonstrates the reality of the immaterial mind and addressing the Cartesian mind body problem explains how body and mind could make up one being a person Human consciousness is presented not only as awareness of objects but also as self presence the self conscious experience of human subjectivity a spiritual reality Lonergan s analyses allow us to say exactly what spiritual means and it need have nothing to do with God [Spirituality for Our](#)

Global Community Daniel A. Helminiak, 2008-02-08 In this ground breaking book Daniel Helminiak provides a crucial spiritual option for the many who feel the need to go beyond the secular materialism of modern society and the beliefs of traditional religious faith Helminiak gives us a compelling vision of a global spiritual *Faith-Integrated Being, Knowing, and Doing* Sarinah Lo, 2020-08-31 In this holistic study of the integration of faith and learning Dr Sarinah Lo challenges the Western tendency to privilege knowing over being and doing In the context of Indonesian higher education Dr Lo addresses the cognitive affective spiritual relational and vocational aspects of human nature She demonstrates that effective integration of faith and learning must reach beyond the academic disciplines to address the formation of a Christian perspective in all areas of life thought and practice Utilizing in depth interviews and qualitative analysis Dr Lo s field research explores the specific challenges facing Christian faculty in Indonesia where the rise of radical Islam and the pressure to conform to state ideology raise unique questions about the nature of faith learning integration The first study of its kind this is an excellent resource for educators wanting to think more broadly about what it means to follow Christ in the classroom pushing beyond Western models of integration to embrace the more holistic approach of faith integrated being knowing and doing "

*Empowering Climate Change Strategies Using Bernard Lonergan's Method*" JOHN RAYMAKER WITH IJAZ DURRANI, 2014-12-15 <http://www.facebook.com/l.php?u=http://www.bookdaily.com/book/4869046/empowering-climate-change-strategies-with-bernard-lonergan-s-method-h-mAQGpVBOa> Managing Psychological Factors in Information Systems Work Eugene Kaluzniacky, 2004-01-01 There have arisen in various settings unmistakable calls for involvement of psychological factors in IT work notably in development and deployment of information systems *Managing Psychological Factors in Information Systems Work* An Orientation to Emotional Intelligence pulls together areas of existing involvement to suggest yet new areas and to present an initial and coherent vision and framework for essentially extending and humanizing the sphere of IT work It may be indeed noteworthy that while the Industrial Revolution may have moved the human person into intellectual predominance the IT Revolution with its recent calls for addressing and involving the whole person may indeed be initiating a re centering of the human being in his/her essential core giving rise to new consciousness new vision and new empowering experiences May this book encourage the first few steps along a new and vivifying path **Mystical Consciousness** Louis Roy, 2003-01-30 Provides a philosophical account of everyday consciousness as a way of understanding mystical consciousness drawing on the work of many Western and some Japanese thinkers **The Effects of Religious Preference and the Frequency of Spirituality on the Retention and Attrition Rates Among Injured Soldiers** Steven L. Jordan, 2008-02 Using a quantitative causal comparative approach the researcher conducted a relational study that compared injured and rehabilitated soldiers with no religious foundation to similar soldiers possessing religious preferences and spirituality The two primary research questions were a Does religious preference and spirituality have a positive impact on the retention and attrition rates of injured soldiers b Does an injured soldier s frequency of spirituality increase the

likelihood of being returned to initial entry training The study addressed several possible variables among these were the importance of religious preference and spirituality in returning injured soldiers to training the determination of a soldier's level of spirituality and its healing impact spirituality's effect on the injured soldier's psychotherapy and other related demographic factors **God and I: Exploring the Connections Between God, Self and Ego** Philip St.

Romain, 2016-11-28 What do we mean when we use the terms God Self and Ego To what experiences do these terms point What are the relationships between them This book by Philip St Romain M S D Min goes beyond semantics to provide an experiential approach to understanding God Self and Ego It also situates this understanding in an anthropology that will be agreeable to most psychologists and Christian spiritual directors Different zones of intimacy between God Self and Ego are identified each with differing requirements Questions for reflection and discussion conclude each chapter along with several suggested spiritual exercises **Sex and the Sacred** Daniel A Helminiak, 2012-12-06 A down to earth look at the spiritual power of sex Sex and the Sacred examines the spiritual dimension of human sexuality in a way that is free of religious affiliation but still open to traditional religion and belief in God Dr Daniel Helminiak author of the best selling What the Bible Really Says about Homosexuality looks at the relationship between sexuality and spirituality first from a humanistic perspective and then a more familiar Christian point of view In particular he encourages LGBTI people to reclaim their spiritual heritage without apology This unique book emphasizes spiritual commitment as an essential facet of LGBTI queer consciousness and addresses such burning themes as coming out the importance of self acceptance gay marriage gay bashing and the ethics of gay sex Sex and the Sacred combines a psychological approach to spirituality with common sense and compassion inspiring a break from moralistic religion and an understanding of what true spirituality means The book applies this understanding to Christian topics such as the Bible Fundamentalism and the future of Christianity and shows how coming out was an issue for Jesus how homosexual experience relates to the Christian Trinity and how Western Civilization became so sex negative Sex and the Sacred presents in the end a radical vision of Christianity open to all people Religious leaders of all denominations educators counselors members of the gay lesbian bisexual transgender community non religious spiritual seekers and anyone interested in the relationship between spirituality and sexuality will find this book enlightening and uplifting Sex and the Sacred examines the spiritual drive that is built into human sexuality the standard religious arguments against gay marriage a sustained argument that Biblical Fundamentalism is not Christian spiritual lessons from the AIDS epidemic the right and wrong of sexqueer and otherwise homosexuality in Catholic teaching and practice sexual ethics without religion a vision for a renewed Christianity within a global community C.G. Jung and Nikolai Berdyaev: Individuation and the Person Georg Nicolaus, 2010-09-13 This book explores C G Jung's psychology through the perspective of the existential philosopher Nikolai Berdyaev drawing striking parallels between Jung's theory of individuation and Berdyaev's understanding of the person Placing Jung and Berdyaev firmly within the context of secular

humanism Nicolaus draws on their personal experiences of individuation to show how both writers seek to enable a renewal of our self understanding as persons in a post religious society Topics of discussion include the foundations of Berdyaev s personalism Jung s psychological interpretation of the Christian God image individuation and the ethics of creativity C G Jung and Nikolai Berdyaev Individuation and the Person offers a fresh perspective on the ethical implications of Jung s theory and serves also as an introduction to Berdyaev s thought As such this book will appeal to analytical psychologists scholars engaged with Jungian thought and all those interested in the interface between spirituality and depth psychology New SCM Dictionary of Christian Spirituality Philip Sheldrake,2013-05-20 This dictionary attempts to give direct access to the development of Christian Spirituality It is a series of pieces written by experts to provide instant accurate and thought provoking information of high scholarship Spirituality in Social Work and Education Janet Groen,Diana Coholic,John R. Graham,2013-01-24 Over the past ten years the fields of social work and education have grappled separately with definitions of spirituality ways to integrate spirituality into the classroom and the rendering of spirituality as a meaningful concept for practitioners students and researchers Social work and education have many commonalities in areas of engagement with children families and communities For the first time this book brings together these two professional disciplines for interdisciplinary discussions that advance our knowledge in the broad area of spirituality The book s three sections reflect broad topic areas created to facilitate dialogue between the contributors all of whom have established expertise in exploring spirituality in education or social work The first section of the book explores the historical and theoretical underpinnings of spirituality in education and social work Examination of our respective heritages uncovers the religious roots within our professions and reveals a present understanding of spirituality that calls for active engagement in challenging oppression and working toward social justice The second section shifts the focus to the pedagogical implications of incorporating spirituality into higher education classrooms The varied level of acceptance and the tensions that come from including spirituality implicitly or explicitly in the programs and coursework in our respective faculties are illuminated by authors in both professions The final section explores issues related to practising and teaching in the field from a spiritually sensitive perspective **Routledge Handbook of Religion and Politics** , Conversations with Benjamin Martha Brune Rapp,2021-03-31 Have you ever felt that the tools and techniques you mastered in preaching class are failing you Disheartened by the boredom and scowls of people in the pews whenever you preach Convinced that God does not want you to preach Wondered whether you have any business in a ministry centered around preaching If so you are invited to eavesdrop on eight conversations between Benjamin a priest who is considering leaving ministry because of the weight of preaching and Sophia a wisdom figure who helps him develop the one missing component an overarching spirituality of preaching that offers God s healing love to a wounded and suffering world Written in an easy to read novella format and drawing from interviews with dozens of preachers Conversations brings together preaching best practices the Gospels

human anthropology spirituality communication and more      *Pragmatism, Spirituality and Society* Ananta Kumar Giri, 2020-12-02 This book explores border crossing among pragmatism spirituality and society It opens up American pragmatism to dialogues with pragmatism and spiritual quest from other traditions such as India and China thus making contemporary pragmatism a part of much needed planetary conversations It cultivates new visions and practices of spiritual pragmatism building upon the seminal works of Charles Sanders Pierce William James Sri Aurobindo John Dewey Martin Heidegger Mahatma Gandhi B R Ambedkar Ludwig Wittgenstein and Luce Irigaray which can help us rethink and transform conventional conceptions and constructions of practice pragmatism language religion politics society culture and democracy and create new relationships of pragmatism spirituality and society      **The Kundalini Process: A Christian Perspective**

Philip St. Romain, 2017-10-14 In this book author and spiritual director Philip St Romain presents an understanding of the kundalini process that can help Christians recognize its signs and its place in the spiritual life Following up on his earlier work Kundalini Energy and Christian Spirituality A Pathway to Growth and Healing Philip uses the philosophy of St Thomas Aquinas and more modern approaches to human nature to explain how kundalini is a natural process that is designed to integrate all of the levels of our human nature in deep union with God He notes that this process is at work in all of us at a very low and gentle level but that it can become intensified in certain conditions presenting major challenges and blessings for those who experience such activations This book is sure to help pastors spiritual directors and anyone interested in spiritual growth come to a better understanding of the mysterious transformative power that lies deep within all of us

**Spirituality in Practice** Dr. Akbar Husain, Dr. Ruchi Singh, 2020-07-15 Spirit is a frame of reference for a living a spiritually healthy life It is a store house of spiritual experiences and encompasses enormous resources within its folds Despite being laden with fruits of benefits we rarely harness our spiritual core As a result we have become ignorant of our real pursuit and are wandering aimlessly to meet materialistic ends Thus the need of the hour is to unveil its potentialities and become liberated from clasp of ignorance This calls for the realization of spirit as a universal entity requiring holistic consideration which in turn allows one to overcome our shortcomings and thereby facilitate perfection in us Further the realization of spirituality helps in alleviation of our problems and achieving of meaningful existence in the world and hereafter Thus the author of the book dwelled upon the essence of spirituality and the means to facilitate its practice This book provides framework to the Mental Health Practitioners regarding the ways to practice spirituality in everyday life This book also offers a fresh holistic and practical framework for the integration of spirituality in psychology This book has 10 chapters focusing on what is spirituality and the practicing domains of spirituality at the individual healthcare and organizational levels This new book introduces psychology of spirituality in a lucid manner to allow the practitioners and readers to avail maximum benefits out of it
