

RELIGION IN AMERICA

SINCE 1945: **A HISTORY**

Religion In America Since 1945

Axel R. Schäfer

Religion In America Since 1945:

Religion in America Since 1945 Patrick Allitt, 2005 *A History of Religion in America* Bryan Le Beau, 2017-09-18 A History of Religion in America From the End of the Civil War to the Twenty First Century provides comprehensive coverage of the history of religion in America from the end of the American Civil War to religion in post 9 11 America The volume explores major religious groups in the United States and examines the following topics The aftermath of the American Civil War Immigration s impact on American religion The rise of the social gospel The fundamentalist response Religion in Cold War America The 60 s counterculture and the backlash Religion in Post 9 11 America Chronologically arranged and integrating various religious developments into a coherent historical narrative this book also contains useful chapter summaries and review questions Designed for undergraduate religious studies and history students A History of Religion in America provides a substantive and comprehensive introduction to the complexity of religion in American history **The Columbia Documentary History of Religion in America Since 1945** Paul Harvey, Philip Goff, 2007-04-23 This unique documentary history brings together manifestos Supreme Court decisions congressional testimonies speeches articles book excerpts pastoral letters interviews song lyrics memoirs and poems reflecting the vitality diversity and changing nature of religious belief and practice in America since 1945 Covering both the center and the margins of American religious life these documents reflect the role of religion and theology in the civil rights feminist and gay rights movements as well as in the conservative responses to these Issues regarding religion and contemporary American culture are explored in documents about the rise of the evangelical movement and the religious right the impact of new post 1965 immigrant communities on the religious landscape the popularity of alternative New Age and non Western beliefs and the relationship between religion and popular culture The editors conclude with selections exploring major themes of American religious life at the millennium as well as excerpts that speculate on the future of religion in the United States *America's Religions* Peter W. Williams, 2008 A panoramic introduction to religion in America newly revised and updated **Rhetorics of Religion in American Fiction** Liliana M. Naydan, 2016-05-23 Rhetorics of Religion in American Fiction considers the way in which contemporary American authors address the subject of belief in the post 9 11 Age of Terror Naydan suggests that after 9 11 fiction by Mohsin Hamid Laila Halaby Philip Roth Don DeLillo John Updike and Barbara Kingsolver dramatizes and works to resolve impasses that exist between believers of different kinds at the extremes These impasses emerge out of the religious paradox that shapes America as simultaneously theocratic and secular and they exist for instance between liberals and fundamentalists between liberals and certain evangelicals between fundamentalists and artists and between fundamentalists of different varieties Ultimately Naydan argues that these authors function as literary theologians of sorts and forge a relevant space beyond or between extremes They fashion faith or lack thereof as hybridized and hence as a negotiation among secularism atheism faith fundamentalism and fanaticism In so doing they invite their readers into contemplations of

religious difference and new ways of memorializing 9 11

The Blackwell Companion to Religion in America Philip Goff, 2010-03-25 This authoritative and cutting edge companion brings together a team of leading scholars to document the rich diversity and unique viewpoints that have formed the religious history of the United States A groundbreaking new volume which represents the first sustained effort to fully explain the development of American religious history and its creation within evolving political and social frameworks Spans a wide range of traditions and movements from the Baptists and Methodists to Buddhists and Mormons Explores topics ranging from religion and the media immigration and piety though to politics and social reform Considers how American religion has influenced and been interpreted in literature and popular culture Provides insights into the historiography of religion but presents the subject as a story in motion rather than a snapshot of where the field is at a given moment

Religion in America Timothy L. Hall, 2007 Presents an overview of the history of religion in America and includes excerpts from primary source documents short biographies of influential people and more

Encyclopedia of Christianity in the United States George Thomas Kurian, Mark A. Lamport, 2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation

Religious Freedom in America Michael C. LeMay, 2018-01-12 This book provides the answers to controversial questions about religious liberties in the United States and connected issues through balanced thorough and nonjudgmental coverage of the issues in a reference format The subject of religious freedom is important to all American citizens regardless of religious affiliation or ethnicity Are the rights of religious individuals being eroded or is religion being unfairly used to deny basic secular rights to individuals How will religious institutions adapt to changes in legislation that have an impact on how they operate Does the Supreme Court have the right to enforce these changes Finally how can the precarious separation of church and state be maintained while simultaneously respecting both institutions This single volume work provides an introduction that addresses the historical background of religious freedom in America accurately explains the latest legal developments in religious freedom in the

United States and presents an unbiased account of the probable impact of the new Freedom of Religion laws in the continuing culture war Readers will gain insight into key controversies such as prayer in public schools creationism versus evolution abortion religious objections to medical care religious displays in public places same sex marriage and LGBT rights and state and federal religious freedom acts The book also includes perspective essays by outside contributors a selection of useful primary documents a listing of print and nonprint resources a chronology and a glossary of terms American Religious History Gary Scott Smith, 2020-12-07 A mix of thematic essays reference entries and primary source documents covering the role of religion in American history and life from the colonial era to the present Often controversial religion has been an important force in shaping American culture Religious convictions strongly influenced colonial and state governments as well as the United States as a new republic Religious teachings values and practices deeply affected political structures and policies economic ideology and practice educational institutions and instruction social norms and customs marriage and family life By analyzing religion s interaction with American culture and prominent religious leaders and ideologies this reference helps readers to better understand many fascinating often controversial religious leaders ideas events and topics The work is organized in three volumes devoted to particular periods Volume one includes a chronology highlighting key events related to religion in American history and an introduction that overviews religion in America during the period covered by the volume and roughly 10 essays that explore significant themes These essays are followed by approximately 120 alphabetically arranged reference entries providing objective fundamental information about topics related to religion in America Each volume presents nearly 50 primary source documents each introduced by a contextualizing headnote A selected general bibliography closes volume three **Evangelicalism** Richard Kyle, 2011-12-31 Most forms of religion are best understood in the context of their relationship with the surrounding culture This may be particularly true in the United States Certainly immigrant Catholicism became Americanized mainstream Protestantism accommodated itself to the modern world and Reform Judaism is at home in American society In *Evangelicalism* Richard Kyle explores paradoxical adjustments and transformations in the relationship between conservative Protestant Evangelicalism and contemporary American culture Evangelicals have resisted many aspects of the modern world but Kyle focuses on what he considers their romance with popular culture Kyle sees this as an Americanized Christianity rather than a Christian America but the two are so intertwined that it is difficult to discern the difference between them Instead in what has become a vicious self serving cycle Evangelicals have baptized and sanctified secular culture in order to be considered culturally relevant thus increasing their numbers and success within abundantly populous and populist driven American society In doing so Evangelicalism has become a middle class movement one that dominates America s culture and unabashedly populist Many Evangelicals view America as God s chosen nation thus sanctifying American culture consumerism and middle class values Kyle believes Evangelicals have served themselves well in consciously and deliberately adjusting their faith to

popular culture Yet he also thinks Evangelicals may have compromised themselves and their future in the process so heavily borrowing from the popular culture that in many respects the Evangelical subculture has become secularism with a light gilding of Christianity If so he asks can Evangelicalism survive its own popularity and reaffirm its religious origins or will it assimilate and be absorbed into what was once known as the Great American Melting Pot of religions and cultures Will the Gospel of the American dream ultimately engulf and destroy the Gospel of Evangelical success in America This thoughtful and thought provoking volume will interest anyone concerned with the modern day success of the Evangelical movement in America and the aspirations and fate of its faithful

Introducing American Religion Charles H. Lippy, 2009

Sword of the Spirit, Shield of Faith Andrew Preston, 2012-02-28 A first major work of history on a crucial but under examined topic Sword of the Spirit Shield of Faith explores the role of religion in American foreign policy From the first colonists to the presidents of the 21st Century Andrew Preston's unparalleled study shows us how religion has always shaped America's relationships with other nations and what to expect in the future During the presidency of George W Bush many Americans and others around the world viewed the entrance of religion into foreign policy discourse especially with regard to the wars in Iraq and Afghanistan as a new development But despite the official division between church and state the presence of religion in American foreign policy has been a constant since before the Founding Fathers Yet aside from leaders known to be personally religious such as Bush Jimmy Carter and Woodrow Wilson few realize how central faith has always been to American governance and diplomacy and indeed to the idea of America itself In Sword of the Spirit Shield of Faith Andrew Preston starts at the beginning and with revelatory findings shows us how and why

Tourism, Religion and Spiritual Journeys Dallen Timothy, Daniel Olsen, 2006-09-27 Religion and spirituality are still among the most common motivations for travel many major tourism destinations have developed largely as a result of their connections to sacred people places and events Providing a comprehensive assessment of the primary issues and concepts related to this intersection of tourism and religion this revealing book gives a balanced discussion of both the theoretical and applied subjects that destination planners religious organizations scholars and tourism service providers must deal with on a daily basis Bringing together a distinguished list of contributors this volume takes a global approach and incorporates substantial empirical cases from Hinduism Islam Judaism Roman Catholicism Mormonism New Ageism Sikhism Buddhism and the spiritual philosophies of East Asia On a conceptual level it considers amongst other topics contested heritage the pilgrim tourist dichotomy secularization of pilgrimage experiences religious humanism educational aspects of religious tourism commodification of religious icons and services A vibrant collection of essays this outstanding book discusses many important practices paradigms and problems that are currently being examined and debated It raises an array of significant and interesting questions and as such is a valuable resource for students scholars and researchers of tourism religion and cultural studies

American Evangelicals and the 1960s Axel R. Schäfer, 2013-08-23 In the late 1970s the New Christian Right emerged

as a formidable political force boldly announcing itself as a unified movement representing the views of a moral majority But that movement did not spring fully formed from its predecessors American Evangelicals and the 1960s refutes the thesis that evangelical politics were a purely inflammatory backlash against the cultural and political upheaval of the decade Bringing together fresh research and innovative interpretations this book demonstrates that evangelicals actually participated in broader American developments during the long 1960s that the evangelical constituency was more diverse than often noted and that the notion of right wing evangelical politics as a backlash was a later creation serving the interests of both Republican conservative alliances and their critics Evangelicalism's involvement with rather than its reaction against the main social movements public policy initiatives and cultural transformations of the 1960s proved significant in its 1970s political ascendance Twelve essays that range thematically from the oil industry to prison ministry and from American counterculture to the Second Vatican Council depict modern evangelicalism both as a religious movement with its own internal dynamics and as one fully integrated into general American history

The Columbia Guide to Religion in American History Paul Harvey, Edward Blum, 2012-02-14 The first guide to American religious history from colonial times to the present this anthology features twenty two leading scholars speaking on major themes and topics in the development of the diverse religious traditions of the United States These include the growth and spread of evangelical culture the mutual influence of religion and politics the rise of fundamentalism the role of gender and popular culture and the problems and possibilities of pluralism Geared toward general readers students researchers and scholars The Columbia Guide to Religion in American History provides concise yet broad surveys of specific fields with an extensive glossary and bibliographies listing relevant books films articles music and media resources for navigating different streams of religious thought and culture The collection opens with a thematic exploration of American religious history and culture and follows with twenty topical chapters each of which illuminates the dominant questions and lines of inquiry that have determined scholarship within that chapter's chosen theme Contributors also outline areas in need of further more sophisticated study and identify critical resources for additional research The glossary American Religious History A Z lists crucial people movements groups concepts and historical events enhanced by extensive statistical data

The Sterilization Movement and Global Fertility in the Twentieth Century Ian Robert Dowbiggin, 2008 Many would be surprised to learn that the preferred method of birth control in the United States today is actually surgical sterilization This book takes an historical look at the sterilization movement in post World War II America a revolution in modern contraceptive behavior Focusing on leaders of the sterilization movement from the 1930s through the turn of the century this book explores the historic linkages between environment civil liberties eugenics population control sex education marriage counseling and birth control movements in the 20th century United States Sterilization has been variously advocated as a medical procedure for defusing the population bomb expanding individual rights liberating women from the fear of pregnancy strengthening marriage improving the quality

of life of the mentally disabled or reducing the incidence of hereditary disorders From an historical standpoint support for free and unfettered access to sterilization services has aroused opposition in some circles and was considered a liberal cause in post World War II America This story demonstrates how a small group of reformers helped to alter traditional notions of gender and sexuality

Faith and War David E. Settje, 2011 Throughout American history Christianity has shaped public opinion guided leaders in their decision making and stood at the center of countless issues To gain complete knowledge of an era historians must investigate the religious context of what transpired why it happened and how Yet too little is known about American Christianity's foreign policy opinions during the Cold and Vietnam Wars To gain a deeper understanding of this period 1964-75 David E Settje explores the diversity of American Christian responses to the Cold and Vietnam Wars to determine how Americans engaged in debates about foreign policy based on their theological convictions Settje uncovers how specific Christian theologies and histories influenced American religious responses to international affairs which varied considerably Scrutinizing such sources as the evangelical Christianity Today the mainline Protestant Christian Century a sampling of Catholic periodicals the African Methodist Episcopal Church the Southern Baptist Convention and the United Church of Christ Faith and War explores these entities commingling of religion politics and foreign policy illuminating the roles that Christianity attempted to play in both reflecting and shaping American foreign policy opinions during a decade in which global matters affected Americans daily and profoundly

American Tabloid Media and the Satanic Panic, 1970-2000 Sarah A. Hughes, 2021-10-27 This book examines the satanic panic of the 1980s as an essential part of the growing relationship between tabloid media and American conservative politics in the 1980s It argues that widespread fears of Satanism in a range of cultural institutions was indispensable to the development and success of both infotainment or tabloid content on television and the rise of the New Right a conservative political movement that was heavily guided by a growing coalition of influential televangelists or evangelical preachers on television It takes as its particular focus the hundreds of accusations that devil worshippers were operating America's white middle class suburban daycare centers Dozens of communities around the country became embroiled in trials against center owners the most publicized of which was the McMartin Preschool trial in Manhattan Beach California It remains the longest and most expensive criminal trial in the nation's history

Christian Theological Tradition Catherine Cory, Michael Hollerich, 2015-08-13 This text helps students acquire a basic theological literacy in key persons and events of the Bible and the Christian faith and in Christianity's encounter with culture at large Historically arranged it also addresses five major themes of systematic theology revelation God creation Jesus and church

Religion In America Since 1945 Introduction

In today's digital age, the availability of Religion In America Since 1945 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Religion In America Since 1945 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Religion In America Since 1945 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Religion In America Since 1945 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Religion In America Since 1945 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Religion In America Since 1945 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Religion In America Since 1945 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public.

Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Religion In America Since 1945 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Religion In America Since 1945 books and manuals for download and embark on your journey of knowledge?

FAQs About Religion In America Since 1945 Books

What is a Religion In America Since 1945 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Religion In America Since 1945 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Religion In America Since 1945 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Religion In America Since 1945 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Religion In America Since 1945 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are

there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
