

Currently there are four major religions in China.

- Buddhism

- Taoism

- Islam

- Catholicism

Religion In China Today

Hongyi Lai

Religion In China Today:

Religion in China Today Donald E. MacInnis, 1989 **Religion in China Today** Daniel L. Overmyer, 2003-07-17 Table of contents The Turning of the Tide Julian F. Pas, 1989 Undoubtedly the greatest problem facing religion in China today is the fundamentally irreconcilable contradiction between Marxism and religious world views These essays published by the Hong Kong Branch of the Royal Asiatic Society in association with Oxford University Press and written by an international group of scholars critically examine different aspects of the present religious state in China **Religion in China** Adam Yuet Chau, 2019-07-12 In recent years there has been an astonishing revival of religious practices in China Looking beyond numerical counts of religious practitioners temples and churches anthropologist Adam Yuet Chau's vivid study explores how religion is embedded in contemporary Chinese lives and society from personal devotion to community wide festivals Covering Buddhism Daoism and folk religion as well as Christianity and Islam this ethnographically rich book provides insights into the contemporary relevance of religious traditions in Chinese societies By considering the ways in which Chinese people do religion Chau reveals how religious practice plays a critical role in establishing and maintaining a wide range of relationships between people spirits and places ritual service providers and their customers the state and religious groups He argues that relationality is the key anchor of religious lifeworlds and this insight demands an entirely new way of approaching religion everywhere This lively account will appeal to those studying or curious about Chinese or East Asian religions and serves as a perfect gateway to understanding religious practices in China today **Religion in China Today** Foster Stockwell, 1993

Religion and China's Welfare Regimes André Laliberté, 2022-04-23 This book presents the welfare regime of China as a liminal space where religious and state authorities struggle for legitimacy as new social forces emerge It offers a unique analysis of relations between religion and state in the People's Republic of China by presenting how the Chinese Communist Party CCP tries to harness Buddhist resources to assist in the delivery of social services and sheds light on the intermingling of Buddhism and the state since 1949 This book will appeal to academics in social sciences and humanities and broader audiences interested in the social role of religions charity NGOs and in social policy implementation The author explores why the CCP turns to Buddhist followers and their leaders and presents a detailed view of Buddhist philanthropy contextualized with an historical overview a regional comparative perspective and a review of policy debates This book contributes to our understanding of secularity in a major non Western society influenced by religions other than Christianity **Today's**

Woman in World Religions Arvind Sharma, 1994-01-01 This book examines how the women's movement is affecting traditional religions and civilizations throughout the world It reviews cases of global impact in Hinduism Buddhism Taoism Confucianism Judaism Christianity Islam and Australian aboriginal religion This volume completes the trilogy devoted to women in world religions edited by Arvind Sharma The second book in the series is entitled Religion and Women The present work surveys the position of women in the religious traditions covered in the first volume of the trilogy Women in World

Religions placing these traditions in contemporary context *Religion and the Individual* Abby Day, 2016-04-08 What does religion mean to the individual How are people religious and what do their beliefs practices and identities mean to them The individual s place within studies of religion has tended to be overlooked recently in favour of macro analyses Religion and the Individual draws together authors from around the world to explore belief practice and identity Using original case studies and other work firmly placed in the empirical contributors discuss what religious belief means to the individual They examine how people embody what religion means to them through practice considering the different meanings that people attach to religion and the social expressions of their personal understandings and the ways in which religion shapes how people see themselves in relation to others This work is cross cultural with contributions from Asia Europe and North America **The World's Religions** Peter B. Clarke, Peter Beyer, 2009-05-07 This comprehensive volume focuses on the world s religions and the changes they have undergone as they become more global and diverse in form It explores the religions of the world not only in the regions with which they have been historically associated but also looks at the new cultural and religious contexts in which they are developing It considers the role of migration in the spread of religions by examining the issues raised for modern societies by the increasing interaction of different religions The volume also addresses such central questions as the dynamics of religious innovation which is evidenced in the rise and impact of new religious and new spirituality movements in every continent **Religion in Today's World** Melissa M. Wilcox, 2013-12-19 Religion is a major force in contemporary society It is also one of the least understood social and political influences on individuals and communities In this innovative collection of original essays and classic readings experts explore the significance of contemporary religiosity as a source of meaning and motivation how it unites and divides us and how it is used politically and culturally Readers will be introduced to the broad debates in ways that will equip them to analyze discuss and make their own judgments about religion and society This book should be read by anyone interested in understanding religion as a central source of meaning and politics and is ideally suited for undergraduate teaching on religion and social issues and from a global perspective *The Encyclopedia of World Religions* Robert S. Ellwood, 2008 Contains nearly 600 brief entries on the world s religious traditions Religion in China Fenggang Yang, 2011-10-18 Religion in China survived the most radical suppression in human history a total ban of any religion during and after the Cultural Revolution All churches temples and mosques were closed down converted for secular uses or turned to museums for the purpose of atheist education Over the last three decades however religion has survived and thrived even as China remains under Communist rule Christianity ranks among the fastest growing religions in the country and many Buddhist and Daoist temples have been restored The state even sponsors large Buddhist gatherings and ceremonies to venerate Confucius and the legendary ancestors of the Chinese people On the other hand quasi religious qigong practices once ubiquitous are now rare All the while authorities have carried out waves of atheist propaganda anti superstition campaigns severe crackdowns on the underground Christian churches and various evil cults

How do we explain religion in China today How did religion survive the eradication measures in the 1960s and 1970s How do various religious groups manage to revive despite strict regulations Why have some religions grown fast in the reform era Why have some forms of spirituality gone through dramatic turns In *Religion in China* Fenggang Yang provides a comprehensive overview of the religious change in China under Communism *State, Market, and Religions in Chinese Societies*, 2005-08-01 This collection of original new studies about Mainland China and Taiwan focuses on religious changes and especially the role of the state and market in affecting religious developments in these societies Information was gathered by participant observation and interviews primarily and the analysis of documents secondarily The topics covered are the growing interest in the study of religion the methods used by Christians to be able to coexist with a communist government revival techniques being used by Buddhist monks the strategies of Daoist priests and sect leaders to attract followers the significance of mass circulating morality books and the ongoing debate about the significance and nature of Confucianism The book will interest social scientists religious specialists journalists and others who want to understand the changing nature of Chinese societies and those interested in religious change in modernizing societies **China's Church Divided** Paul P. Mariani, 2025-07-15 Paul P Mariani charts China's fraught Catholic revival after the Cultural Revolution as Catholics loyal to Rome clashed with a state sanctioned church Focusing on Shanghai where the state appointed Bishop Louis Jin Luxian found himself at odds with underground church leaders Mariani details a community perilously divided

Atlas of Religion in China: Social and Geographical Contexts Fenggang Yang, 2018-09-04 The speed and the scale with which traditional religions in China have been revived and new spiritual movements have emerged in recent decades make it difficult for scholars to stay up to date on the religious transformations within Chinese society This unique atlas presents a bird's eye view of the religious landscape in China today In more than 150 full color maps and six different case studies it maps the officially registered venues of China's major religions Buddhism Christianity Protestant and Catholic Daoism and Islam at the national provincial and county levels The atlas also outlines the contours of Confucianism folk religion and the Mao cult Further it describes the main organizations beliefs and rituals of China's main religions as well as the social and demographic characteristics of their respective believers Putting multiple religions side by side in their contexts this atlas deploys the latest qualitative quantitative and spatial data acquired from censuses surveys and fieldwork to offer a definitive overview of religion in contemporary China An essential resource for all scholars and students of religion and society in China *China's Governance Model* Hongyi Lai, 2016-06-10 Many studies of government in China either simply describe the political institutions or else focus critically on the weaknesses of the system such as corruption or the absence of Western style democracy Authors of these studies fail to appreciate the surprising ability of China's government to rapidly transform a once impoverished economy and to recover from numerous crises from 1978 to the present This book on the other hand takes a more balanced more positive view This view is based on a study of changes in China's institutions

for coping with critical crises in governance since 1978 These changes include better management of leadership succession better crisis management improved social welfare the management of society through treating different social groups differently depending on their potential to rival the Party state and a variety of limited intra party and grassroots democracy This book applies to the Chinese model the term pragmatic authoritarianism It explains changes to and the likely future direction of China s governance model It compares current risks in China s governance with threats that terminated dynasties and the republic in China over the past four thousand years and concludes that the regime can be expected to survive a considerable period despite its existing flaws Few topics in Chinese politics are as significant as the nature state and prospects of the political regime While the topic had been unduly understudied for a long period of time a young generation of scholars has emerged on this subject Among others the book by Hongyi Lai stands out and provides a comprehensive and penetrating analysis on this topic I am confident that his book will make a significant contribution to the study of Chinese politics and may well define the debate on China s political development governance and model for years to come Yongnian Zheng Director East Asian Institute National University of Singapore **Chinese Theology** Chloë Starr,2016-01-01 SEVEN Ding Guangxun Maintaining the Church EIGHT State Regulation Church Growth and Textual Profusion NINE Yang Huilin An Academic Search for Meaning TEN Visible and Voluble Protestant House Church Writings in the Twenty First Century Afterword Notes Bibliography Index A B C D E F G H I J K L M N P Q R S T V W X Y Z

Reclaiming Chinese Society You-tien Hsing,Ching Kwan Lee,2009-10-16 Analyses the mechanisms processes and actors producing a wide spectrum of social and cultural changes in reform China Contrary to most literature that emphasize economic and political processes at the expense of Chinese society the book argues for the centrality of the social in understanding Chinese development *China's Challenge to Christianity* Lucius Chapin Porter,1924 **Atlas of World Religions** Tim Dowley,2018-11-15 Understanding the where of the world s religious traditions is an important component of understanding the what Now as part of a brand new series of atlas resources Fortress Press is pleased to offer an affordable compact yet comprehensive atlas of world religions Atlas of World Religions is newly built from the ground up Featuring more than fifty new maps graphics and timelines the atlas is an immensely helpful companion to any study of world religions Concise helpful text written by acknowledged authorities guides the experience and interprets the visuals Consciously written for students at any level the volume is perfect for independent students as well as those in structured courses The atlas provides ample and equal coverage of all of the world s major religious traditions as well as generous coverage of regional or indigenous traditions in specific regions of the world The atlas is grounded in a helpful section on the earliest humans and the spread of the first organized religions and it culminates in up to date maps of religion in the world today
