Englishmen Transplanted Larry Dale Gragg,2003 Larry Gragg challenges the prevailing view of the seventeenth century English planters of Barbados as architects of a social disaster Most historians have described them as profligate and immoral as grasping capitalists who exploited their servants and slaves in a quest for quick riches inthe cultivation of sugar Yet they were more than rapacious entrepreneurs Like English emigrants to other regions in the empire sugar planters transplanted many familiar governmental and legal institutions eagerly started families abided traditional views about the social order and resistedcompromises in their diet apparel and housing despite their tropical setting Seldom becoming absentee planters these Englishmen developed an extraordinary attraction to Barbados where they saw themselves as one group of planters explained in a petition as being Englishmentransplanted

**Godliness and Governance in Tudor Colchester** Laquita M. Higgs,1998 The Tudor period was a time of extremes when Henry VIII beheaded wives and Queen Mary executed non Catholics With the ascension of Protestant Elizabeth I to the throne the borough of Colchester breathed relief and set about to establish a Godly society Historian Laquita M Higgs shows that Colchester provided one of the earliest illustrations of both the workings and tensions of Puritan town governance

Bastow,2019-08-23 This book examines the complexities of reformed religion in early modern England through an examination of the experiences of Edwin Sandys a prominent member of the Elizabethan Church hierarchy Sandys was an ardent evangelical in the Edwardian era forced into exile under Mary I but on his return to England he became a leader of the Elizabethan Church He was Bishop of Worcester and London and finally Archbishop of York His transformation from Edwardian radical to a defender of the Elizabethan status quo illustrated the changing role of the Protestant hierarchy His fight against Catholicism dominated much of his actions but his irascible personality also saw him embroiled in numerous conflicts and left him needing to defend his own status      The National Union Catalogs, 1963- ,1964      **The Westminster Confession of Faith and the Cessation of Special Revelation** Garnet Howard Milne,2007-12-01 In the opening chapter of the Confession the divines of Westminster included a clause that implied that there would no longer be any special immediate revelation from God Means by which God had once communicated the divine will such as dreams visions and the miraculous gifts of the Spirit were said to be no longer available However many of the authors of the WCF accepted that prophecy continued in their time and a number of them apparently believed that disclosure of God s will through dreams visions and angelic communication remained possible How is the cessationist clause of WCF 1 1 to be read in the light of these claims This book reconciles this paradox in a detailed study of the writings of the authors of the Westminster Confession of Faith      An Andrew Marvell Companion (Routledge Revivals) Robert H.
