Eastern Religions Murray J. Leaf,2014-05-21 The world s great religions depend on traditions of serious scholarship dedicated to preserving their key texts but also to understanding them and therefore to debating what understanding itself is and how best to do it They also have important public missions of many kinds and their ideas and organizations influence many other important institutions including government law education and kinship Anthropology of Eastern Religions Ideas Organizations and Constituencies is a comparative survey of the world s major religious traditions as professional enterprises and often as social movements Documenting the principle ideas behind eastern religious traditions from an anthropological perspective Murray J Leaf demonstrates how these ideas have been used in building internal organizations that mobilize or fail to mobilize external support   *Religions of the World* J. Gordon Melton,Martin Baumann,2010-09-21 This masterful six volume encyclopedia provides comprehensive global coverage of religion emphasizing larger religious communities without neglecting the world s smaller religious outposts Religions of the World Second Edition A Comprehensive Encyclopedia of Beliefs and Practices is an extraordinary work bringing together the scholarship of some 225 experts from around the globe The encyclopedia s six volumes offer entries on every country of the world with particular emphasis on the larger nations as well as Indonesia and the Latin American countries that are traditionally given little attention in English language reference works Entries include profiles on religion in the world s smallest countries the Vatican and San Marino profiles on religion in recently established or disputed countries Kosovo and Nagorno Karabakh as well as profiles on religion in some of the world s most remote places Antarctica and Easter Island Religions of the World is unique in that it is based in religion on the ground tracing the development of each of the 16 major world religious traditions through its institutional expressions in the modern world its major geographical sites and its major celebrations Unlike other works the encyclopedia also covers the world of religious unbelief as expressed in atheism humanism and other traditions   *Religion of Java* Clifford Geertz,Jave Modjakerlo,1960   <u>Framing Asian Studies</u> Albert Tzeng,2018-05-24 This book explores the interconnection between geopolitical context and the ways this context frames our knowledge about Asia highlighting previously neglected cause effect relations It also examines how various knowledge institutions promote and shape Asian Studies The authors seek to explain why Asian Studies and its subfields developed in the way they did and what the implications of these transformations might be on intellectual and political understandings of Asia The book not only builds on the current debates on the decolonization and de imperialization of knowledge about Asia it also proposes a more multifaceted view rather than just examining the impact of the West on the framing of Asian Studies   <u>Anthropology and Religion</u> Robert L. Winzeler,2012-04-12 Drawing from ethnographic examples found throughout the world this revised and updated text offers an introduction to what anthropologists know or think about religion how they have studied it and how they have interpreted or explained it since the late nineteenth century Robert Winzeler s balanced consideration of classic topics basic concepts and new developments in the anthropological study of religion moves beyond cultural anthropology and ethnography to
