Religion The Community And The Rehabilitation Of Criminal Offenders:

Religion, the Community, and the Rehabilitation of Criminal Offenders Thomas P. O'Connor, 2002 Explore the relationship between faith based programs religion and offender rehabilitation This book reports on current research from several disciplines to help the reader understand the nature and impact of the relationship between faith based programs religion and offender rehabilitation Religion the Community and the Rehabilitation of Criminal Offenders is a unique resource there has been very little research published on this important topic President Bush's faith based initiative recognized that religion plays a role in the justice system and corrections that is overlooked but essential it increases the role of community and caring in the system in a unique and important way This pathbreaking book points the way toward a system of faith based programs that are not only effective but also economical as these programs are often staffed by volunteers Religion the Community and the Rehabilitation of Criminal Offenders addresses important questions regarding the importance and effectiveness of faith based rehabilitation programs including What is the relationship between prison religion and offender rehabilitation What motivates inmates to become involved with religious programs and activities What is the prison chaplain s role in rehabilitation Are certain religious denominations more effective than others in preventing crime delinquency and recidivism How does religious activity help inmates adjust to the prison environment What do inmates have to say about the religious programs they encounter within the system How did Islam develop within American correctional institutions and what changes has the movement gone through in recent years Why do female African American inmates tend to resist conversion to Islam while their male counterparts embrace the Muslim faith in increasing numbers How can sacred texts and social theory be utilized as teaching tools and intervention strategies in the transformation processes of men incarcerated for violent crimes A fascinating study from the Sing Sing prison and more Religion, the Community, and the Rehabilitation of The Treatment of Criminal Offenders Michael Dow Burkhead, 2014-12-09 From drilling holes Criminal Offenders ,2002 into the skulls of prisoners to solitary confinement to deploying a range of psychological therapies society has attempted to deal with the problem of criminals in myriad ways over the last few centuries This analytical history explores the ever changing approaches to punishing wrongdoers and preventing further offenses the philosophical beliefs underlying them and their relative effects It discusses such core issues as the role of free will and determination the root causes of crime and the effects of studying crimes versus studying criminals It highlights the continuous debate regarding rehabilitation and punishment the history of biologically and psychologically based treatments and the principles of effective intervention concluding with discussion of what lies ahead **Special Needs Offenders in Correctional Institutions** Lior Gideon, 2012-09-14 Special Needs Offenders in Correctional Institutions offers a unique opportunity to examine the different populations behind bars e g chronically and mentally ill homosexual illegal immigrants veterans radicalised inmates etc as well as their needs and the corresponding impediments for rehabilitation and reintegration How We Saved Texas Prison

Chaplaincy 2011 Michael G. Maness, 2015-10-16 As Maness so forcefully presents religion is truly the greatest source for change in human history and our staff chaplains facilitate that Likewise we came to see there would be little true cost savings in that some staffer would have to take care religion in prisonits a right after all and manage the good volunteers Jerry Madden Senior Fellow Right on Crime RightonCrime org House Committee on Corrections Chairman 2011 12 It seemed like all was lost Dr Keith Bellamy Senior Minister Woodville Church of Christ TDCJ Certified Volunteer Chaplain 15 plus years Take a ride through Maness book and learn firsthand about reducing crime rehabilitating lives making our streets safer and bringing hope to the least the last and the lost just like Jesus commanded The chaplain of the prison brings hope and light in what can be a dark and stressful place all the more reason we need them Carol S Vance Former Chairman Texas Board of Criminal Justice Harris County District Attorney 1966 79 Every TDCJ chaplain and every chaplaincy manager owe the existence of their jobs to the efforts of a few unique individuals who rallied many to seek help from Texas senators and representatives Frank Graham Founder Chapel of Hope org Politically the TDCI chaplaincy was doomed God used the courage of one man to turn that situation around Thank you Chaplain Michael Maness for preserving this magnificent piece of important religious history Dr Paul W Carlin LBT Ph D TheMinistryChurch org Religion and Prison: An Overview of Contemporary Europe Julia Martínez-Ariño, Anne-Laure Zwilling, 2020-07-07 This volume offers a European overview of the management of religious diversity in prisons and provides readers with rich empirical material and a comparative perspective The chapters combine both legal and sociological approaches Coverage for each country includes historical background current penitentiary organization and recent changes or trends In their exploration of legal aspects the contributors look at such factors as the status of prison chaplains and regulations concerning religious practice and religious freedom These include meals prayers and visits The sociological analysis examines religious discrimination in prison church prison relations conversion and proselytism and more The European coverage includes countries for which such information is seldom available. The book offers readers a better understanding of governance of religion in prisons. This text appeals to students researchers and professionals in the field Rehabilitation Issues, Problems, and Prospects in Boot Camp Brent B. Benda, 2005 Boot camps what are their effects on criminal behavior Public and political support for boot camps as alternative correctional facilities has rarely faltered since their inception decades ago though their efficacy remains uncertain Rehabilitation Issues Problems and Prospects in Boot Camp explores all facets of the controversial issue from the attitudes and perceptions of the public to the political motivations in maintaining them on to the latest research on the camps and their graduates Respected authorities discuss boot camps effectiveness on diverse groups according to age gender race and correctional facility Cost factors between boot camps and other correctional institutions are compared along with the latest criminal recidivism data Boot camps provide inmates with an uncomfortable paramilitary style environment with an eye toward shorter incarceration time lower costs and more positive effects on criminal behavior Does this correctional

model work as anticipated Rehabilitation Issues Problems and Prospects in Boot Camp gives you the facts revealing the public and political arguments for and against boot camps as well as the research on the theoretical predictors of criminal recidivism and the differing attitudes of attendees toward the facilities according to gender and race Critical policy issues are identified and discussed in depth with particular emphasis given to the positive and negative aspects of rehabilitation possibilities of boot camps Helpful tables clearly illustrate statistics while extensive references provide opportunities for further insight Rehabilitation Issues Problems and Prospects in Boot Camp explores questions such as criminal recidivism what are the theoretical predictors what effect does gender have on criminal recidivism what is the effect of this hypermasculine paramilitary prison environment have on males and females what are the differences between Native American and non Native American perceptions of boot camp is the perceived severity of boot camp different for gender what is the process for policymaking in creating and maintaining boot camps what role does politics play in the continuation of boot camps what corrections to boot camp facilities should be made based upon evidence and research Rehabilitation Issues Problems and Prospects in Boot Camp is a thorough examination of the social and political issues about boot camps that makes essential reading for educators students sociologists criminologists psychologists counselors and criminal justice When Texas Prison Scams Religion Michael G. Maness, 2023-05-22 When Texas Prison Scams Religion professionals exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCI Director and wardens throughout the prison Therein TDCI lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCI pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars Imprisoned Religion Irene Becci, 2016-05-13 This book explores the profound transformations that prisons and offender rehabilitation programmes in

Eastern Germany have undergone with respect to religion Drawing on participant observation and interviews of inmates ex prisoners chaplains and prison visitors this book connects the institutional to individual focusing on the religious changes individuals experience when they are imprisoned and released Including comparative studies from Italy and Switzerland Becci reveals that despite diverse local historical denominational political and social contexts the transformation patterns of individuals relationship to religion and their use of religious resources are strongly shaped by the total character of prisons Becci also explores the difficulties faced by released people in keeping their religious life alive under the harsh conditions of American Criminal Justice Policy Daniel P. Mears, 2010-04-12 Examines social stigma in a highly secular outside society the most prominent criminal justice policies finding that they fall short of achieving the effectiveness that policymakers have advocated Religious Diversity in European Prisons Irene Becci, Olivier Roy, 2015-06-09 This book examines how prisons meet challenges of religious diversity in an era of increasing multiculturalism and globalization Social scientists studying corrections have noted the important role that religious or spiritual practice can have on rehabilitation particularly for inmates with coping with stress mental health and substance abuse issues In the past the historical figure of the prison chaplain operated primarily in a Christian context following primarily a Christian model Increasingly prison populations inmates as well as employees display diversity in their ethnic cultural religious and geographic backgrounds As public institutions prisons are compelled to uphold the human rights of their inmates including religious freedom Prisons face challenges in approaching religious plurality and secularism and maintaining prisoners legal rights to religious freedom The contributions to this work present case studies that examine how prisons throughout Europe have approached challenges of religious diversity Featuring contributions from the UK France Italy Germany Switzerland The Netherlands Belgium and Spain this interdisciplinary volume includes contributions from social and political scientists religion scholars and philosophers examining the role of religion and religious diversity in prison rehabilitation It will be of interest to researchers in Criminology and Criminal Justice Social and Political Science Human Rights Public Policy and Religious Studies

Beyond the Walls of Separation Tobias Brandner,2013-12-03 Beyond the Walls of Separation is an essential and easy to read guidebook for chaplains and volunteers working in the context of prison and for all those who are professionally or through family links related to those in prison The book tells the story of what life behind bars is and how inmates experience transformation through Christian faith People at the crisis points of their life where they are shattered and where little is left of what made them may experience life as fragile and as a transparent filter for the mysterious Yet they also may experience God s life giving presence Love expressed in forgiveness against all odds against all merits and previous experiences lies at the root of many stories of transformation that emerge from prison The book guides visitors to approach inmates without condescension with an awareness of the social dimension of power and inequality and with sensitivity to the suffering and alienation that individual prisoners experience The many years of prison ministry in different cultural contexts and with

inmates from all nations have taught the author that Christ does not need to be brought to prison through visitors through evangelistic events or through Christian outreach He is already powerfully present in prison **Treating Substance Abusers in Correctional Contexts** Nathaniel J. Pallone, 2003 The papers in this collection present an overview of new and emerging models for treatment of drug involved offenders. They explore types of treatment that operate under the surveillance of courts and the criminal justice system from in prison programs to residential substance abuse treatment RSAT and substance abuse treatment SAT programs in the community Topics covered include outcome assessments event history analysis relapse prevention rehabilitation diversion and therapeutic justice **Treating Substance Abusers in** Correctional Contexts Letitia C Pallone, 2012-10-12 Get the latest information on new and emerging modalities for treating drug involved offenders Treating Substance Abusers in Correctional Contexts New Understandings New Modalities analyzes the shift in policy and attitude away from two decades of the harsh punishment that characterized the war on drugs toward a more treatment oriented medicalization of the problem Edited by Dr Nathaniel J Pallone editor of the Journal of Offender Rehabilitation Haworth the book presents an overview of new and emerging models for treatment of drug involved offenders in a variety of settings An international panel of authors examines the rather treat than fight approach to the war on drugs proposed by the voters of California the Governor and criminal court judges of New York and Gen Barry McCaffrey former Director of the White House Office of National Drug Control Policy Treating Substance Abusers in Correctional Contexts looks at treatment modalities available to offenders inside and outside correctional institutions with community organizations and mental health and social service agencies enlisted in a continuum of care as the courts and criminal justice system provide oversight and often funding The book explores types of treatment that operate under the surveillance of courts and the criminal justice system ranging from in house programs for offenders under confinement in prisons and jails to residential substance abuse treatment RSAT and substance abuse treatment SAT programs in the community Through qualitative exploratory and descriptive studies outcome assessments event history analysis and intensive interviews the book examines recovery relapse prevention rehabilitation diversion therapeutic justice and the impact of prison based substance abuse treatment programs Treating Substance Abusers in Correctional Contexts also examines the impact of deterrence versus rehabilitation on recidivism in the Drug Treatment Alternative to Incarceration Program DTAP in a major metropolitan area criminal violence and drug use in residential treatment facilities Residential Substance Abuse Treatment RSAT programs for young offenders the long term effectiveness of an adult drug court program illicit drug and injecting equipment markets inside English prisons and a clinical case report on children exposed in utero to crack cocaine Treating Substance Abusers in Correctional Contexts New Understandings New Modalities is must reading for graduate and undergraduate courses in criminal justice corrections offender rehabilitation and substance abuse The book is equally valuable as a primary textbook for continuing education coursework for counselors psychologists social workers corrections officers correctional

administrators and policymakers A Prison Chaplaincy Manual Donald Stoesz, Hank Dixon, 2020-07-31 The manual provides a rationale for chaplaincy by using Winnifred Sullivan's three categories of religious secularism irreligious secularism and areligious secularism to outline the essential and transforming value of spiritual care services preface introduction The manual provides a history of justice initiatives and chaplaincy services in a Canadian context chapters one and two The manual provides a rationale for spiritual care giver training by showing how chaplaincy courses at a university level can build on the competencies of leadership and core knowledge that many ministers rabbis imams priests nuns and other faith group representatives have Emotional intelligence professional practice skills and diversity are additional competencies needed for spiritual care givers to become effective prison chaplains chapters three to six Six principles shape the content of this book 1 integration of chaplaincy into corrections chapters three to six 2 understanding of prison dynamics chapters seven to ten 3 complementary use of sociology and psychology chapters eleven to fourteen 4 provision of faith formation rites and rituals programs pastoral care and a ministry of presence chapters fifteen to eighteen 5 ecumenical and multi faith religious accommodation chapters nineteen to twenty one and 6 professional development chapters twenty four and twenty five The manual concludes with a statement of best practices by Dr Thomas Beckner long time chaplaincy educator Correctional Chaplains Keepers of the Cloak p 24 Chaplains are to have highly polished counselling skills strong management and facilitation abilities a working knowledge of various faith group requirements and a strong commitment to serve all residents of the institution regardless of their faith identity or lack thereof The Encyclopedia of Christianity Erwin Fahlbusch, Geoffrey William Bromiley, 1999 Containing more than 300 articles covering the alphabetical entries P Sh this book also includes articles on significant topics ranging from Paul political theology and the Qur an to religious liberty salvation history and scholasticism Women Who Perpetrate Relationship Violence Frederick Buttell, Michelle Mohr Carney, 2014-06-03 Find out what drives women to violence in their intimate relationships and how to prevent it Women Who Perpetrate Relationship Violence examines the causes and consequences of violence initiated by women against their partners This unique book fills the void of available literature on domestically violent women taking a frank look at the issues surrounding female batterers who are the primary aggressors in their intimate relationships Contributors write candidly about the similarities and differences between violent women and violent men how to develop effective interventions existing theories on the development of abusive behavior in women and society s response to violent women The counseling and psychological community has responded to the problem of domestic abuse and violence against women But very little has been done to address the issues of domestic abuse and violence committed by women Women Who Perpetrate Relationship Violence presents innovative original research that focuses specifically on women as offenders rather than simply adapting programs created for male batterers to women The book includes epidemiological studies secondary analyses personality profiles and a study of women entering a 16 week court mandated batterer intervention program BIP Women Who Perpetrate Relationship Violence examines predictors of intimate violence including antisocial criminal records alcohol abuse and personality disorders associations between interpersonal dependency and violence elevated histrionic narcissistic and compulsive personality traits personality disorders lethal domestic assaults recidivism differences in demographic and psychological variables between women who complete treatment programs and those who drop out and much more Women Who Perpetrate Relationship Violence is an invaluable professional resource for psychologists social workers and counselors

Histories and Philosophies of Carceral Education Marcus K Harmes, Barbara Harmes, Meredith A Harmes, 2022-09-27 This edited collection encourages philosophical exploration of the nature aims contradictions promises and problems of the practice of education within prisons around the world Such exploration is particularly necessary given the complex operational barriers to education and higher education in particular within prison based teaching and learning These operational barriers are matched by cultural and polemical barriers such as the criticism of diverting resources to and spending money on prisoner education when the cost of some education seems prohibitive for people outside prison More so than in other education contexts prison education may fall short of higher ideals because it is shot through with both practical and moral political problems and challenges especially in the age of global late capitalism high technology and mass incarceration or securitization This book includes insights and issues around a wide range of areas including ethics religion sociology justice identity and political and moral philosophy Religion and American Cultures Gary Laderman, Luis León, 2014-12-17 This four volume work provides a detailed multicultural survey of established as well as new American religions and investigates the fascinating interactions between religion and ethnicity gender politics regionalism ethics and popular culture This revised and expanded edition of Religion and American Cultures Tradition Diversity and Popular Expression presents more than 140 essays that address contemporary spiritual practice and culture with a historical perspective The entries cover virtually every religion in modern day America as well as the role of religion in various aspects of U S culture Readers will discover that Americans aren t largely Protestant Catholic or Jewish anymore and that the number of popular religious identities is far greater than many would imagine And although most Americans believe in a higher power the fastest growing identity in the United States is the nones those Americans who elect none when asked about their religious identity thereby demonstrating how many individuals see their spirituality as something not easily defined or categorized The first volume explores America's multicultural communities and their religious practices covering the range of different religions among Anglo Americans and Euro Americans as well as spirituality among Latino African American Native American and Asian American communities The second volume focuses on cultural aspects of religions addressing topics such as film Generation X public sacred spaces sexuality and new religious expressions The new third volume expands the range of topics covered with in depth essays on additional topics such as interfaith families religion in prisons belief in the paranormal and religion after September 11 2001 The fourth volume is devoted to complementary

primary source documents Voices from American Prisons Kaia Stern, 2014-06-20 Voices From American Prisons Faith Education and Healing is a comprehensive and unique contribution to understanding the dynamics and nature of penal confinement In this book author Kaia Stern describes the history of punishment and prison education in the United States and proposes that specific religious and racial ideologies notions of sin evil and otherness continue to shape our relationship to crime and punishment through contemporary penal policy Inspired by people who have lived worked and studied in U S prisons Stern invites us to rethink the current punishment crisis in the United States Based on in depth interviews with people who were incarcerated as well as extensive conversations with students teachers corrections staff and prison administrators the book introduces the voices of those who have participated in the few remaining post secondary education programs that exist behind bars Drawing on individual narrative and various modern day case examples Stern focuses on dehumanization resistance and community transformation She demonstrates how prison education is essential can provide healing and yet is still not enough to interrupt mass incarceration In short this book explores the possibility of transformation from a retributive punishment system to a system of justice The book s engaging human accounts and multidisciplinary perspective will appeal to criminologists sociologists historians theologians and scholars of education alike Voices from American Prisons will also capture general readers who are interested in learning about a timely and often silenced reality of contemporary modern society

Whispering the Secrets of Language: An Psychological Quest through **Religion The Community And The Rehabilitation**Of Criminal Offenders

In a digitally-driven earth where displays reign great and immediate communication drowns out the subtleties of language, the profound techniques and psychological nuances hidden within phrases frequently move unheard. Yet, situated within the pages of **Religion The Community And The Rehabilitation Of Criminal Offenders** a fascinating literary prize pulsing with natural feelings, lies a fantastic journey waiting to be undertaken. Published by a skilled wordsmith, that wonderful opus invites readers on an introspective trip, delicately unraveling the veiled truths and profound affect resonating within ab muscles cloth of every word. Within the psychological depths of this poignant evaluation, we can embark upon a honest exploration of the book is core subjects, dissect their charming writing fashion, and succumb to the strong resonance it evokes deep within the recesses of readers hearts.
