

RATIONALITY & RELIGION

Religion And Rationality

Sarah Coakley

Religion And Rationality:

Rationality, Religious Belief, and Moral Commitment Robert Audi, William J. Wainwright, 1986 This book is unified by three broad concerns the rationality of belief in God the relation between religion and morality and the explication of the concept of God The essays are however marked by diversity Some focus on historical figures such as Aquinas and Locke others bring recent epistemological and metaphysical developments to bear on problems of religious belief Some of the papers explore neglected issues central to religious practice such as the question of how total devotion to God can permit other deep commitments others apply philosophical distinctions from within a religious tradition for example in setting out a Christian approach to the problem of evil

Faith, Rationality and the Passions Sarah Coakley, 2012-07-20 Faith Rationality and the Passions presents a fresh and original examination of the relation of religious faith philosophical rationality and the passions Contributions see leading scholars refute the widely held belief that religious Enlightenment forced passion and reason apart Leading Philosophical experts offer new research on the relation of faith reason and the passions in classic and Enlightenment figures Overturns the widely held presumption that the Enlightenment was responsible for creating a gulf between reason and passion Presents original and innovative research on the importance of the late 19th century creation of the category of emotion and its striking difference from classic ideas of passion Brings together secular science and philosophy of emotion with philosophical theology to seek a new integration of belief emotion and reason

Religion and Rationality Terence Penelhum, 1971

New Developments in the Cognitive Science of Religion Hans van Eyghen, 2018-07-14 It is widely thought that the cognitive science of religion CSR may have a bearing on the epistemic status of religious beliefs and on other topics in philosophy of religion Epistemologists have used theories from CSR to argue both for and against the rationality of religious beliefs or they have claimed that CSR is neutral vis vis the epistemic status of religious belief However since CSR is a rapidly evolving discipline a great deal of earlier research on the topic has become dated Furthermore most of the debate on the epistemic consequences of CSR has not taken into account insights from the philosophy of science such as explanatory pluralism and explanatory levels This volume overcomes these deficiencies This volume brings together new philosophical reflection on CSR It examines the influence of CSR theories on the epistemic status of religious beliefs it discusses its impact on philosophy of religion and it offers new insights for CSR The book addresses the question of whether or not the plurality of theories in CSR makes epistemic conclusions about religious belief unwarranted It also explores the impact of CSR on other topics in philosophy of religion like the cognitive consequences of sin and naturalism Finally the book investigates what the main theories in CSR aim to explain and addresses the strengths and weaknesses of CSR

Rationality and Religious Theism Joshua L. Golding, 2017-11-22 Throughout the ages one of the central topics in philosophy of religion has been the rationality of theistic belief This book proposes that parties on both sides of this debate might shift their attention in a different direction by focusing on the question of whether

it is rational to be a religious theist Explaining that having theistic beliefs is primarily a cognitive affair but being a religious theist involves a whole way of life that includes one's beliefs Golding argues that it can be pragmatically rational to be a religious theist even if the evidence for God's existence is minimal The argument is applied to the case of Judaism articulating what is involved in religious Judaism and arguing that it is rationally defensible to be a religious Jew The book concludes with a discussion of whether a similar argument might be constructed for other versions of religious theism such as Christianity or Islam and for non theistic religions such as Taoism or Buddhism Joshua Golding offers a carefully wrought explanation of how it can be rational for someone to live a religious life in particular but not necessarily only a traditional Jewish life

Rationality and Religion Roger Trigg, 1998-06-08 Rationality and Religion deals with the perennial question of how far religious faith needs reason

The Rationality of Belief in God George I. Mavrodes, 1970 Believe by W James Faith as passionate commitment by S Kierkegaard God as projection by L A Feuerbach Bibliographical essay p 205 208

Faith and Rationality Alvin Plantinga, Nicholas Wolterstorff, 1983 A collection of essays by contemporary Calvinist philosophers of religion that examine the epistemology of religious belief between Reformed and Roman Catholic philosophers

Religion and Rationality Jürgen Habermas, 2002 Essays by Jürgen Habermas on religion and religious belief

The Justification of Science and the Rationality of Religious Belief Michael C. Banner, 1990 In this critical examination of recent accounts of the nature of science and of its justification given by Kuhn Popper Lakatos Laudan and Newton Smith Banner contends that models of scientific rationality which are used in criticism of religious beliefs are in fact often inadequate as accounts of the nature of science He argues that a realist philosophy of science both reflects the character of science and scientific justifications and suggests that religious belief could be given a justification of the same sort

Rationality and the Study of Religion Jeppe Sinding Jensen, Luther Martin, 2013-09-13 Does rationality the intellectual bedrock of all science apply to the study of religion Religion arguably the most subjective area of human behaviour has particular challenges associated with its study Attracting crowd healers conjurers the pious and the prophetic alongside comparativists and sceptics it excites opinions and generalizations whilst seldom explicitly staking out the territory for the discussions in which it partakes Increasingly scholars argue that religious study needs to define and critique its own field and to distinguish itself from theology and other non objective disciplines Yet how can rational techniques be applied to beliefs and states of mind regarded by some as beyond the scope of human reason Can these be made empirically testable or comparable and replicable within academic communities Can science explicate religion without reducing it to mere superstition or redefine its truth in some empirical but meaningful way Featuring contributions from leading international experts including Donald Wiebe Roger Trigg and Michael Pye Rationality and the Study of Religion gets under the surface of the religious studies discipline to expose the ideologies beneath Reopening debate in a neglected yet philosophically significant field it questions the role of rationality in religious anthropology natural history and anti scientific theologies with

implications not only for supposedly objective disciplines but for our deepest attitudes to personal experience Interesting and important Religion has long been associated with irrationality both by its defenders and its critics and the topic of rationality has been unjustly neglected The book certainly deserves to be widely circulated Greg Alles Western Maryland College

Rationality and Religious Commitment Robert Audi,2011-09-22 Can it be rational to be religious Robert Audi gives a persuasive positive answer through an account of rationality and a rich nuanced understanding of what religious commitment means It is not just a matter of belief but of emotions and attitudes such as faith and hope of one s outlook on the world and of commitment to live in certain ways **Rationality and Religious Belief** Cornelius F. Dalaney,1979-01-01 The

Rationality of Theism Godehard Brüntrup,R.K. Tacelli,1999-07-31 In May 1998 a distinguished group of philosophers met in Munich to discuss the rationality of theism This volume is a collection of the papers read at that conference While in recent years the rationality of theistic belief has been widely discussed the Munich conference was an event of some moment in the history of philosophical dialogue for the first time German and English speaking philosophers of religion representatives of both the Continental and the Anglo Saxon traditions joined together to grapple with a common philosophical theme This multiplicity of perspectives brought a unique richness to the analysis of rationality that no one tradition by itself could provide Readers will find that richness displayed in the pages of this book Professional philosophers will find here a great deal to stimulate and challenge them but graduate students capable undergraduates and all others with a serious interest in the philosophy of religion will be well rewarded for their efforts to come to grips with these thought provoking papers

The Rationality of Belief and the Plurality of Faith Thomas D. Senor,2019-05-15 A veritable who s who in the field of contemporary philosophy of religion here considers various issues in the epistemology of religious beliefs The writings of William P Alston the leading figure in the revival of the Anglo American philosophy of religion provide the focus of these essays all but two previously unpublished Philosophers of religion meta physicians epistemologists and theologians will find in this volume some of the most important work available in the theory of knowledge and the epistemic status of religious belief *Beyond Faith and Rationality* Ricardo Sousa Silvestre,Benedikt Paul Göcke,Jean-Yves Béziau,Purushottama

Bilimoria,2020-09-16 This volume deals with the relation between faith and reason and brings the latest developments of modern logic into the scene Faith and rationality are two perennial key concepts in the history of ideas Philosophers and theologians have struggled to bring into harmony these otherwise conflicting concepts Despite the diversity of approaches about what rationality effectively means logic remains the cannon of objective and rational thought The chapters in this volume analyze several issues pertaining to the philosophy of religion and philosophical theology from the perspective of their relation to logic and the benefit they can derive from the use of modern logic tools The book is divided into five parts I Introduction II Analytic Philosophy of Religion III Logical Philosophy of Religion IV Computational Philosophy and Religion and V Logic Language and Religion This text appeals to students and researchers in the field Rationality in Science,

Religion, and Everyday Life Mikael Stenmark,2016-09-15 Mikael Stenmark examines four models of rationality and argues for a discussion of rationality that takes into account the function and aim of such human practices as science and religion

The Shaping of Rationality J. Wentzel van Huyssteen,1999-07-20 This book arises out of a deep fascination with the relationship between human intelligence and rationality and with how our fragile but uniquely human ability to be rational invariably affects our everyday lives as well as our involvement with faith theology and the spectacular scientific achievements of our time After carefully analyzing the notion of rationality and examining how the skill of rationality is being challenged by postmodern culture J Wentzel van Huyssteen argues that it is precisely the problem of rationality that holds the key to understanding the complex forces shaping the radically different domains of religion and science today *Faith, Freedom, and Rationality* Jeff Jordan,Daniel Howard-Snyder,1996 The philosophy of religion once considered a deviation from an otherwise analytically rigorous discipline has flourished over the past two decades This collection of new essays by twelve distinguished philosophers of religion explores three broad themes religious attitudes of belief acceptance and love human and divine freedom and the rationality of religious belief God's Rational Warriors Marion Ledwig,2013-05-02 This book stands in the tradition of philosophers who advance the rationality of faith Yet this book goes beyond their accounts for it not only defends the view that faith can be termed rational but it also considers the different senses in which faith can be termed rational While this book advances the idea that faith as a general category can be termed rational it does not investigate in a detailed way whether there are arguments for the rationality of particular faiths which would go beyond the arguments for the rationality of faith as a general category Besides discussing whether betting on God in Pascal s wager and believing in miracles are forms of the rationality of faith I will provide unique solutions to the problem of evil and the paradoxes of omnipotence and omniscience

Religion And Rationality Introduction

In the digital age, access to information has become easier than ever before. The ability to download Religion And Rationality has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Religion And Rationality has opened up a world of possibilities. Downloading Religion And Rationality provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Religion And Rationality has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Religion And Rationality. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Religion And Rationality. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Religion And Rationality, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Religion And Rationality has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Religion And Rationality Books

1. Where can I buy Religion And Rationality books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Religion And Rationality book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Religion And Rationality books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Religion And Rationality audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Religion And Rationality books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
