Religious Cults Associated With The Amazons:

Religious Cults Associated With the Amazons (Classic Reprint) Florence Mary Bennett, 2018-03-05 Excerpt from Religious Cults Associated With the Amazons There is another allusion in Homer to the Amazons although this is indirect rather than direct It occurs in the second book of the Iliad where the spot of assembly for the Trojans and their allies is designated 4 There is before the city a certain lofty barrow in the plain far away standing detached on this side and on that which men forsooth call Batieia but the immortals name it the grave of swift bounding Myrina Here then were the Trojans numbered and their allies The scholiast and the commentary of Eustatius on the passage tell that this Myrina was an Amazon the daughter of Teucer and the wife of Dardanus and that from her the city Myrina in Aeolis was said to have been named 5 It seems reasonable to suppose that the commentators are correct for in later literature we hear much of an Amazon by this name and there is frequent mention of graves of various Amazons here and there in Greek lands always regarded with wonder and awe akin to the reverence with which Homer mentions the tomb of Myrina About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Religious Cults Associated With the Amazons Florence Mary Bennett, **Religious Cults Associated with the Amazons** Florence Bennett Anderson, 1912 **Religious Cults Associated with the Amazons** Florence Mary Bennett, 1912 Explores the possible religious beliefs and legends of the Amazons as well as the goddess cults of ancient Greece and Asia Minor
