Religious Information Sources:

Keyguide to Information Sources on World Religions Jean Holm, 1991 The main aim of this book is to indicate the nature and range of reference material available for the study of world religions A broad interpretation of world religions has been adopted and coverage includes the Baha i faith Buddhism Christianity Confucianism Hinduism Islam Jainism Judaism Shinto Sikhism Taoism and Zoroastrianism as well as cross cultural studies and inter faith dialogue Following the basic pattern of the Keyguides series the work is divided into three sections an overview of the subject and available literature is followed by an annotated bibliography of over 1000 entries and an international directory of organizations Proceedings of the Annual International Conference on Social Science and Humanities (AICOSH 2022) Rama Kertamukti, Yanti Dwi Astuti, Mohammad Johan Nasrul Huda, Tariq Yazid, Hwe Wai Weng, Nisrina Muthahari, 2023-02-10 This is an open access book Understanding the problems of war and conflicts that occur both within and outside the sovereignty of the Republic of Indonesia several discussions on the human side seem essential to do Several interesting topics can be raised namely how media coverage is inseparable from human life in the 5 0 era Furthermore about the social changes that occurred as a result of the conflict and war Moreover the discourse on how the psychological impact experienced by humans due to conflict and war Departing from this the Faculty of Social Sciences and Humanities UIN Sunan Kalijaga will hold the Annual International Conference on Social Sciences and Humanities 2022 Resources in Education , 1998 **Encyclopedic Handbook of Cults in America** J. Gordon Melton, 1992 First Published in 1993 Routledge is an imprint of Taylor Francis an informa company **Christian Political Activism at the Crossroads** William R. Stevenson, 1994 This volume illumines the discussion being carried on between the religious right with its concern for moral responsibility in politics and the issue oriented activists who are concerned with how Christians in America address human rights and hunger issues By bringing together both Christian scholars and activists from nearly all points of the political continuum this book offers a rare glimpse into the reality of Christian diversity on the political task The media often suggests a monist interpretation of Christian politics This book shows both the vitality and plurality of Christian politics in America The book covers the historical background activist perspectives organizational structures and participant characteristics with essays by Frank Roberts David O'Brien Ruth Tucker James Reichley Delton Franz Betty Coats Lucille Taylor Bruce Buursma Robert Zwier Allen Hertzke James Guth Lyman Kellstedt Corwin Smidt Stephen Monsma and concludes with a suggestion of a new direction by James Skillen of the Association for Public Justice **Info Source** Canada, 2007 *Called to Believe: A Brief Introduction to Christian Doctrine* Steven P. Mueller, 2006-11-15 Called to Believe is an abridgment and condensation of the more comprehensive text Called to Believe Teach and Confess It offers an accessible introductory overview of the major doctrines of Christianity Written from a Lutheran Christian perspective this book is a helpful resource for those within that tradition and to others who seek a deeper and broader understanding of Christian teaching Firmly rooted in Scripture this book

directs the reader back to the Bible It emphasizes the interrelatedness of all Christian teachings with its central teaching being the doctrine of justification by grace through faith in Jesus Christ It also includes the text of the three ecumenical creeds accompanied by a brief introduction to their historical background This book is ideal as an introductory text for university or advanced high school students and for other Christian adults who seek to expand their knowledge of God s revelation and its application in human lives It introduces and uses classic theological vocabulary and terminology while offering clear definitions and application Key terms study questions and a glossary help make this a valuable resource Suggested readings from Scripture and secondary sources guide the reader into deeper study Digital Media, Young Adults and Religion Marcus Moberg, Sofia Sjö, 2020-02-26 It has become increasingly clear that an adequate understanding of the contemporary processes of social cultural and religious change is contingent on an appreciation of the growing impact of social media Utilising results of an unprecedented global study this volume explores the ways in which young adults in seven different countries engage with digital and social media in religiously significant ways Presenting and analysing the findings of the global research project Young Adults and Religion in a Global Perspective YARG an international panel of contributors shed new light on the impact of social media and its associated technologies on young people s religiosities worldviews and values Case studies from China Finland Ghana Israel Peru Poland and Turkey are used to demonstrate how these developments are progressing not just in the West but across the world This book is unique in that it presents a truly macroscopic perspective on trends in religion amongst young adults As such it will be of great interest to scholars working in religious studies digital media communication studies sociology cultural studies theology and youth studies *The Routledge Companion to Religion and Popular Culture* John C. Lyden, Eric Michael Mazur, 2015-03-27 Religion and popular culture is a fast growing field that spans a variety of disciplines This volume offers the first real survey of the field to date and provides a guide for the work of future scholars It explores key issues of definition and of methodology religious encounters with popular culture across media material culture and space ranging from videogames and social networks to cooking and kitsch architecture and national monuments representations of religious traditions in the media and popular culture including important non Western spheres such as Bollywood This Companion will serve as an enjoyable and informative resource for students and a stimulus to future scholarly work Encyclopedia of Information Science and Technology, Third Edition Khosrow-Pour, D.B.A., Mehdi, 2014-07-31 This 10 volume compilation of authoritative research based articles contributed by thousands of researchers and experts from all over the world emphasized modern issues and the presentation of potential opportunities prospective solutions and future directions in the field of information science and technology Provided by publisher Handbook of Research on Multidisciplinary Approaches to Literacy in the Digital Age Taskiran, Nurdan Oncel, 2019-11-29 The fast pace of technology in this day and age has made it difficult for individuals to stay informed without becoming lost in the folds of an information overload Methods used to narrow down information are

The mindsponge and BMF analytics for innovative thinking in social sciences and humanities Quan-Hoang Vuong, Minh-Hoang Nguyen, Viet-Phuong La, 2022-10-10 Academia is a competitive environment Early Career Researchers ECRs are limited in experience and resources and especially need achievements to secure and expand their careers To help with these issues this book offers a new approach for conducting research using the combination of mindsponge innovative thinking and Bayesian analytics This is not just another analytics book

- 1 A new perspective on psychological processes Mindsponge is a novel approach for examining the human mind's information processing mechanism This conceptual framework is used to construct models in studies The framework is highly flexible and widely applicable for many different types of information processes The mindsponge approach can help researchers discover interesting ideas or even formulate their very own theories when investigating psychosocial phenomena This approach brings a fresh wind to the current landscape of social sciences and humanities
- 2 Easy to follow analysis protocol The Bayesian Mindsponge Framework BMF analytics is useful in terms of computing and visualizing power but also easy to learn and apply Contrary to being intimidating the Bayesian analytics section of this book is presented in a reader friendly manner with a detailed yet clear step by step procedure Examples are from published BMF articles allowing readers to immediately practice the method and quickly create their own applications With educational purposes in mind the book is very suitable for ECRs who are looking to innovate their research methods
- 3 Advocating for low cost high quality research Doing science can be very costly Mindsponge innovative thinking and BMF analytics help produce impactful studies using openly available data on online repositories This is based on the authors previous works and experiences The book presents examples of employing the open R package bayesvl on secondary data from different sources With less financial constraints researchers can have more freedom of thought to pursue their curiosity and creativity ECRs in low and middle income countries may find this aspect crucial in their careers
- 4 Support and collaboration The authors share their insights from experiences in the academic publishing system to help readers get through the processes of manuscript writing and peer reviewing more easily The authors are also ready to support other researchers with further inquiries and collaboration opportunities at the following website <https://mindsponge.info> This book is for a ECRs whose only abundant resources are their innovation capacity and strength of will
