Religious Life Defined

Linda Ross, Wilfred McSherry

Religious Life Defined:

The Vows of Religious Life in a Secular Society Judith A. Merkle, 2025-08-21 This book investigates religious vows shedding light on the type of faith that can sustain humanity in secular times It examines the personal impact of religious life as well as its potential to foster a sense of completeness within society at large Unbelief in today's society can be partially rooted in the shallowness of the sort of religion that the secular can abandon Such a religion characterized as magical shallow illusory or rooted solely in external rituals lacks the depth required to thrive in a secular society It fails to address the profound aspects of human existence the authentic freedom of the spirit and the enduring obedience of faith This study of religious vows uncovers their deeper meanings in light of these challenges It invites us to consider whether religious life despite contemporary criticisms can be seen as touching wholeness This book does not only delve into the theological foundations of these vows but also key areas which impact their understanding and living in new contexts It surveys sociological landscapes and goes beyond to encompass shifts in science psychology theology Religious life in this sense is part of the renewal of the church as well as an agent in it By focusing briefly on each vow Judith A Merkle illustrates how religious life serves as a bridge connecting the secular and the sacred It is a life focused on love of God and service of others which is a witness to the coming of Kingdom of God and values which truly matter in contemporary society

Understanding the Religious Priesthood Christian, OSB Raab, Brian E., SJ Daley, 2020-10-14 Most contemporary theologies of Holy Orders consider priesthood mainly in its diocesan context and most contemporary theologies of religious life do not consider how ordained ministry functions when it is internal rather than external to religious life *Understanding the Religious Priesthood* provides a history and theology of religious priesthood that contributes to our understanding of this vocation's identity and mission It uncovers what religious priesthood shares with diocesan priesthood and non ordained religious life and what makes it different from both those other vocations Christian Raab begins by tracing the history of religious priesthood from its origins in the early Church to the eve of the Second Vatican Council He demonstrates that religious priests often faced questions about how to reconcile their two callings but that they also provided answers in their theologies and spiritualities of priesthood and religious life Meanwhile they made key contributions to the Church's life and mission Raab then investigates the teachings of the Second Vatican Council on priesthood and religious life Observing that the Council presented priesthood according to a diocesan typology and presented religious life without sacerdotal associations he argues that the lack of imagery of religious priesthood contributed to a post conciliar vocational identity crisis among religious priests He then seeks to remedy this lacuna by appealing to the biblical images for religious priesthood Hans Urs von Balthasar offered in his theology of vocations Raab argues that Balthasar's imagery is a promising way forward for understanding the identity and mission of religious priesthood In a final part Raab provides a substantial theological articulation of religious priesthood which illuminates its liturgical signification ecclesial mediation and mission and

ministerial identity Here he draws not only from Balthasar but also from Pope John Paul II Yves Congar Jean Marie Tillard Brian Daley and Guy Mansini to construct his profile *The Quest for Meaning and Wholeness: Spiritual and Religious Connections in the Lives of College Faculty* Jennifer A. Lindholm, 2013-12-24 An insightful scholarly resource for dialogue about the symbiotic relationship between the life of the mind and the life of the heart of faculty and what faculty can do to provide students an education that focuses on meaning and purpose Larry A Braskamp professor emeritus Loyola University Chicago Among the strengths of this book are Lindholm's solid research design and data analysis deft integration of quantitative and qualitative data in presentation of findings and interpretation and clear writing Dr Lindholm makes an important contribution both to higher education literature on faculty and to religious studies literature on this dimension of religion and spirituality in colleges and universities Michael D Waggoner professor University of Northern Iowa editor Religion coauthor of *Rethinking Faculty Work Higher Education's Strategic Imperative* At last a book for faculty about faculty on an important but long neglected topic Jennifer Lindholm provides a cogent readable analysis of how faculty view spirituality and religion not only in their own lives but also their role in higher education Peter C Hill Rosemead School of Psychology Biola University *The Question of Life's Meaning* Aribiah David Attoe, 2023-10-05 In answering the question of life's meaning the African perspective is only just beginning to emerge While this is true a critical examination of African theories of meaningfulness the possibility of life's meaninglessness as well as ideas about the proper mode mood for living with the meaninglessness of life are largely underexplored within the African philosophical tradition This book provides several plausible accounts of meaning in of life from an African perspective examines the relationship between death and life's meaningfulness and explores the possibility of life's meaninglessness proposing the philosophy of indifference as the proper mode mood for living with the meaninglessness of life *Making Meaning* Jenny L. Small, 2023-07-03 This book addresses religion and secularism as critical and contested elements of college student diversity It both examines why and how this topic has become an integral aspect of the field of student affairs and considers how scholars and practitioners should engage in the discussion as well as the extent to which they should be involved in students' crises of faith spiritual struggles and questions of life purpose Part history of the field part prognostication for the future the contributing authors discuss how student affairs has reached this critical juncture in its relationship with religious and secular diversity and why this development is poised to create lasting change on college campuses Section I of this book focuses on the research on spirituality faith religion and life purpose considers the evolution of faith development theories from not only Christian perspectives but Muslim Jewish atheist and other secular worldviews examines the influence of faith frames in students' daily lives and addresses the impact of campus climate for religion spirituality as well as the relationship between religious minority majority status on student outcomes It concludes by tracing the pendulum swing from higher education's historical foundation in religion to the science focused religion averse 20th century and now to a fragile middle position in which

religious and secular diversity are being seriously considered and embraced Section II analyzes the role professional associations play in advancing the student affairs field s commitment to spirituality faith and life purpose the degree of support they offer to practitioners as they examine their own religious and secular identities and envisages potential new programming resources and networks Section III describes a number of programs and services developed by practitioners and faculty members working in this area on their campuses synthesizes these developments for an examination of where best practices stand today and imagines the future of institutionalizing higher education s support for students explorations of spirituality faith religion and life purpose Making Meaning provides a comprehensive resource for student affairs scholars and practitioners seeking to understand these topics and apply them in their own research and daily work **Opportunities and Limitations in Religious Broadcasting** Peter Elvy,1991 *The Rise and Fall of Catholic Religious Orders* Patricia Wittberg,1994-01-01 A sociological analysis of the periodically recurring cycles of Roman Catholic religious life applying the theories and research on large scale social movements and on the internal dynamics of other intentional communities to the data presented in historical works on specific periods Following an introductory chapter The Extent of the Problem

Re-Humanizing Architecture Ákos Moravánszky, Judith Hopfengärtner, 2016-12-19 After the Second World War a

divided Europe was much affected by a period of reconstruction This was influenced by the different political systems in the socialist East and in the capitalist West the focus was on cohesion in society and its cultural and architectural expression In parallel to the rapidly progressing industrialization of the building industry debates on the humanization of the built environment were led on both sides with great intensity The volume shows how on the back of existentialism new monumentality and socialist realism quite similar concepts and strategies were developed in order to find answers to questions relating to adequate structures for new forms of community and identity The Fabric of Religious Life in Medieval Ashkenaz (1000-1300) Jeffrey R. Woolf, 2015-07-14 In *The Fabric of Religious Life in Medieval Ashkenaz* Jeffrey R. Woolf presents the first integrated presentation of the ideals and beliefs that comprised the self image and worldview of Ashkenazic Jews in the Central and High Middle Ages 900 1300 Through careful examination of a wide range of sources legal customal liturgical artistic Woolf shows how religious practice played a dual role in creating and sustaining Jewish life in a hostile environment They instilled these values and recast religious traditions to reflect them The author demonstrates how hitherto underappreciated ideals such as Purity Sanctity and a palpable sense of Divine In Dwelling played a central role in Ashkenazic religiosity and merged to form the texture or the Sacred Canopy of their lives **Faith Finding Meaning** Byron L. Sherwin, 2013-02-28 Byron Sherwin demonstrates that Jewish theological thinking can be understood as a response to visceral existential issues and argues that human meaning and fulfillment can be discovered in the application of an authentic Jewish way of thinking and living *African Indigenous Religious Traditions in Local and Global Contexts* Ogunbile, David O., 2015-09-23 This volume honours one of the great scholars of our era Professor Jacob Olupona Although he has conducted significant portions of his career outside of Nigeria he has not separated himself from his colleagues or from interests in religions in Nigeria and elsewhere in Africa His publications and presentations offer the international scholarly community important critical insights into a range of religious activities life ways and ideas originating in Africans and the African Diaspora In spite of the diversity in the thoughts and opinions expressed and equally of the range of disciplines and topics contained in the book one can say that the contributors have developed a shared concern about the role of African Indigenous Religious Traditions in the processes of development and the context within which it development had or is taking place The book guides us to a deep understanding and appreciation of how Africans in their varied situations grapple with existential problems through philosophical ruminations complex ritual processes cultivated memory and organized coping strategies The Wiley-Blackwell Companion to Inter-Religious Dialogue Catherine Cornille, 2013-03-13 This comprehensive volume brings together a distinguished editorial team including some of the field s pioneers to explore the aims practice and historical context of interfaith collaboration Explores in full the background history objectives and discourse between the leaders and practitioners of the world s major religions Examines relations between religions from around the world moving well beyond the common focus on Christianity to also cover over 12 major religions Features a

wealth of case studies on contemporary interreligious dialogue Charts a long term shift away from a competitive rivalry between belief systems and a change in focus towards the more respectful cooperative approach reflected in institutions such as the World Council of Churches Includes up to date commentary on the growing dialogue of recent years written by some of the leading figures working in the field of interfaith discourse *American Literature and the New Puritan Studies* Bryce Traister, 2017-09-07 This book reconsiders the role of seventeenth century Puritanism in the creation of the United States and its consequent cultural and literary histories **Religions and the Truth** Hendrik M Vroom, 1990 Language and Cross-Cultural Communication in Travel and Tourism Soumya Sankar Ghosh, Debanjali Roy, Tanmoy Putatunda, Nilanjan Ray, 2024-10-03 This new volume illustrates how one of the most rapidly evolving industries in the world travel and tourism has transcended its immediate economic concerns and has become a major signifier for cultural patterns and cross cultural communications It discusses how the function of language has become the subject of scrutiny in the context of intellectual deliberation vis vis travel and tourism Drawing on discourse analytics and ethnographic approaches this volume brings together perspectives from the lived experiences of residents hosts and ethnographers to explore the extent to which linguistic and cultural differences are identified constructed negotiated and maintained in tourism encounters **LOVE: THE MOST POWERFUL PHENOMENON TO FORSAKE** Revd Dr Gabriel J. Anan PhD, 2025-04-30 The text of this book reflects on the fact that the Father in Heaven loves His Created World so much that He sent His only Son into the world to rescue it from the domination of the evil Satan in order that humanity would be saved hence Jesus Christ was not forsaken by His Father Thus the Son Jesus Christ came into the world not only to die for His Mission but also to do among other things including healing preaching teaching with Love and authority without condemnation or judgement so that whosoever would believe accept and obey His Divine Commandments and Teachings would have the salvation for eternal life hence His Son Jesus Christ was not forsaken **Exploring the Future of Christian Monasticisms** Greg Peters, 2020-01-15 The institution of monasticism in the Christian Church is in general decline at least in so called first world nations Though there are many reasons for this monastic leaders are confronted by the reality of fewer communities monks and nuns nonetheless At the same time many younger Christians are rediscovering the rich heritage of the monastic tradition Though they themselves might not be called to join a traditional monastery they are eager to appropriate monastic practices in their own lives This had led to a movement known as the new monasticism or secular monasticism Despite lacking a unified vision and any central organization these new secular monastics are attempting in their own ways to carry on the tradition and practices of Christian monasticism As well there is a movement within historical Christian monasteries to pour new wine into old wineskins Traditional forms of monasticism are also generally flourishing in developing nations breathing new life into monasticism This volume looks at the current monastic landscape to assess where monasticism stands and to imagine ways in which it will grow in the future leading not only to a renewed Christian monasticism but to new monasticisms
