Rosina Ehmann

Religious Sects A Sociological Study:

Religious Sects Bryan R. Wilson, 1970 **Religious Sects** Bryan R. Wilson, 1970 *Christian Religion in the Soviet Union* Christel Lane, 1978-06-30 Christel Lane has written the first sociological study of religion in a communist and militantly atheist society Christian Religion in the Soviet Union is the result of a detailed examination of Soviet sociological sources and the legally and illegally published reports of religious bodies or individuals backed up by the observations of the author and of other Western visitors to the USSR Dr Lane attempts to assess the impact of the intellectual and material culture of Soviet society on Christian religion She analyses the religious life in the contemporary Christian churches and sects describing the scope of their membership and its social composition the religious commitment of believers and their social and political orientations Christian Religion in the Soviet Union will be central reading for students of religion in modern industrial society who are working within the disciplines of sociology comparative religion or theology It will also appeal to those studying Soviet society from a more general sociological perspective and to a wide readership interested in the contest between Christian religion and Marxist Leninist ideology Sects and Society: a Sociological Study of Three Religious Groups in Britain Bryan R. Wilson, 1978 The Oxford Handbook of the Sociology of Religion Peter Clarke, 2011-02-04 The Oxford Handbook of the Sociology of Religion draws on the expertise of an international team of scholars providing both an entry point into the sociological study and understanding of religion and an in depth survey into its changing forms and content in the contemporary world The role and impact of religion and spirituality on the politics culture education and health in the modern world is rigorously discussed and debated The study of the sociology of religion forges interdisciplinary links to explore aspects of continuity and change in the contemporary interface between society and religion Using a combination of theoretical methodological and content led approaches the fifty seven contributors collectively emphasise the complex relationships between religion and aspects of life from scientific research to law ecology to art music to cognitive science crime to institutional health care and more The developing character of religion irreligion and atheism and the impact of religious diversity on social cohesion are explored An overview of current scholarship in the field is provided in each themed chapter with an emphasis on encouraging new thinking and reflection on familiar and emergent themes to stimulate further debate and scholarship The resulting essay collection provides an invaluable resource for research and teaching in this diverse discipline *God's Blueprints* John McKelvie Whitworth, 2019-03-19 Viewing the world with abhorrence members of utopian sects isolate themselves from its influence As this book first published in 1975 shows they seek to establish and promulgate radically distinctive forms of society according to what they claim to be God's blueprint and which they believe are destined by his intervention and their example to spread throughout the world Rooted in the sociology of religion and more particularly in the concepts of sectarianism and communitarianism this study presents an analysis of three sects the Shakers the Oneida Community and the Bruderhof The author examines the origins religious

conceptions social structure and composition modes of social control and development of each group and in a concluding chapter he discusses the utopian sect as a distinctive social form **Social Science and the Cults** John A.

Saliba,2019-03-20 This book first published in 1990 brings together descriptive comparative and theoretical materials on cults and sects in Western culture focusing on literature published since 1970 A historical section links the rise of the new movements to similar past phenomena in Western culture Other sections examine the methodology of studying religious movements and the various theories which have been brought to explain them current studies on traditional sects that are sometimes compared to the new religions and many studies of individual contemporary cults **Sects and Sectarianism in**

Jewish History Sacha Stern,2011-04-21 Several Jewish groups from Antiquity until today have been traditionally identified as sects or as sectarian most famously the Qumran community and the Qaraites This volume questions the appropriateness of this interpretation of social and religious movements in Jewish history Social Identity and Sectarianism in the Qumran

Movement Jutta Jokiranta,2012-12-03 Identity and sectarianism two crucial and frequently used concepts in Qumran studies are here problematized appraised and redefined Two social scientific theories inform the investigation of the serakhim rule documents and pesharim commentaries The sociology of sectarianism is presented in retrospect in order to identify appropriate methodological tools for speaking about sectarianism in the ancient context and for comparing sectarian stances in the serakhim Furthermore a social psychological perspective into identity is introduced for the first time for appreciating the dynamic and context dependent nature of a person s social identity The final chapter takes a fresh approach to the study of the pesharim arguing for the need to read each Peshar as a whole It analyses the prototypical teacher and brings forward new interpretations of this captivating and cloudy figure The Oxford Handbook of New Religious Movements James R.

Lewis,Inga Bårdsen Tøllefsen,2016 The Oxford Handbook of New Religious Movements both covers the current state of the field and breaks new ground Its contributors drawn from both sociology and religious studies are leading figures in the study of NRMs The Psychology of Religious Behaviour, Belief and Experience Benjamin Beit-Hallahmi,Michael

Argyle,2014-03-18 Because society is increasingly secular it may seem irrelevant to consider the psychology of religion But the diversity of our multi ethnic and multi cultural society in fact makes religion more important to the social sciences than it has ever been before What are the social consequences of religion Every day the news is full of events that can be blamed on religion perpetrated by a range of groups from whole societies to individuals Beit Hallami and Argyle are renowned for their clear analytical approach to topics and this new state of the art study of psychology and religion is no exception It will be welcomed as an update to their previous work in the area by social psychologists sociologists and theologians worldwide

Methods of Social Research Margaret Stacey,2013-10-22 Methods of Social Research provides an introduction to the procedures of social research This book shows that sample surveys are only one approach among many of undertaking social research Organized into nine chapters this book begins with an overview of the various methods of social investigation

concerning those that increase the knowledge of the facts of social life This text then explains the main reasons for doing research including solving a practical problem and determining how something works just because it is interesting to know Other chapters consider the method of observation utilized in the social sciences that fall into two main groups namely participant and non participant This book discusses as well the importance of sample survey in gathering information about a particular population either on a simple matter of fact or religious or political allegiance The final chapter considers several problems involved in designing and asking questions Social scientists will find this book useful **Theorizing Faith**

Arweck, Martin D. Stringer, 2002-05-31 All but the final paper in this collection of nine essays was read at a June 1999 conference of the same title as the book held at the U of Birmingham UK The conference was organized by the Worship in Birmingham Project bringing together established scholars and research students to discuss the **Legitimation in the Letter to the Hebrews** Iutisone Salevao, 2002-06-18 This book adopts an inter disciplinary approach to the study of the theology symbolism and argument of Hebrews Employing sociological models the book examines Hebrews in the context of the early Christians construction and maintenance of a social world In that respect the book elaborates the thesis that Hebrews was designed to serve a legitimating function in the realm of social interaction that its theology symbolism and argument were designed to construct and maintain the symbolic universe of the community of the readers It is argued that we cannot properly understand the theology symbolism and argument of Hebrews apart from its first century context

The New International Dictionary of Pentecostal and Charismatic Movements Stanley M. Burgess, Eduard M. van der Maas, 2010-08-03 The Definitive History of the Spirit Filled Church Encyclopedic coverage of Activities of the Spirit over 2 000 years of church history in 60 countries and regions Outpourings at Topeka Mukti Mission India Azusa Street Duquesne University and many other 20th century locations Current movements among today's 500 million plus Pentecostal and charismatic Christians worldwide The New International Dictionary of Pentecostal and Charismatic Movements sets modern Spirit filled Christianity in a context that spans two millennia and the entire Christian world Like no other resource this volume reveals in detail the full sweeping legacy of Spirit empowered movements that have touched hearts and lives both in modern America and across the centuries and continents in medieval Europe Finland in the 1700s South India in the 1800s Azusa Street at the turn of the 20th century and much more including ongoing moves of the Holy Spirit throughout the world today One thousand entries provide the most extensive information available on Pentecostal charismatic and neocharismatic movements The diverse topics covered include as a small sample glossolalia black and Hispanic Pentecostalism prophecy the role of women faith healing music sociology missions church growth and different historic and contemporary revivals With its unique international and historical perspective this completely revised and expanded second edition of the acclaimed Dictionary of Pentecostal and Charismatic Movements offers features that no other reference of its kind approaches Its extraordinary scope and detailed up to date coverage make this the definitive resource on Pentecostal and charismatic

denominations and movements both in North America and worldwide Includes Exhaustive coverage of Pentecostal and charismatic movements in 60 countries and regions individual histories cultural and theological aspects and key figures and institutions Statistical section with a wealth of current information on the growth of classical Pentecostalism as well as charismatic and neocharismatic movements 1 000 articles Over 500 photos and illustrations maps and timeline Cross references bibliographies and indexes to people places and topics

The Beginnings of English Protestantism Peter Marshall,Alec Ryrie,2002-05-30 Studies of the English Reformation have tended either to emphasise the vitality of traditional religious culture or to shift the focus to the reigns of Elizabeth and the early Stuarts As a result the men and women who once seemed central to the story those who became Protestants in the early and middle decades of the sixteenth century have tended to be marginalised These essays draw attention to those critical early years and to the importance of the evangelical movement in the making of England s religious revolution By considering themes such as conversion and martyrdom gender and authority printing and propaganda and the long shadow of medieval religious culture the authors show early English Protestantism to have been a complex and many headed movement Rather than assuming the onward march of Protestantism the essays reveal the unpredictable and deeply contested process by which an English Protestant identity came to be formed

Evangelism and Apostasy Kurt Bowen,1996-04-30 Highlighting the demographic social and political character of the Evangelical movement in the 1980s and 1990s Bowen pays particular attention to conversion processes commitment mechanisms schisms and distinctive beliefs He also considers the controversial issues of religious persecution and American missionary influence Bowen reveals that Evangelicalism s appeal is so pervasive in Mexico that if Evangelical converts all remained faithful it could become Mexico s dominant religion by 2006 This projection however is improbable due to high drop out rates Bowen argues that Evangelical apostasy is rooted in the most basic beliefs and practices of its followers

The Social Setting of the Ministry as Reflected in the Writings of Hermas, Clement and Ignatius Harry O. Maier,2006-01-01 Focussing on three first and early second century documents the Shepherd of Hermas 1 Clement and the Ignatian epistles this work contributes to a growing body of literature concerned with the social setting of early Christianity Maier argues that the development of structures of leadership in the early Christian church is best accounted for by reference to the hospitality patronage and leadership of wealthy hosts who invited local Christian groups to meet in their homes Sociological models and types are employed to analyze the tensions that arose from excesses of patronage and leadership by the well to do Recognizing the socio economic setting of these conflicts corrects the interpretation of early Christian conflicts over the ministry as purely theological and doctrinal

Sectarianism in Early Judaism David J. Chalcraft,2014-12-05 Sectarianism in Early Judaism applies recent developments in sociological analysis to sect formation and development in early Judaism The essays examine sectarianism in a wide range of different forms the many layers of redaction in religious texts the development arcs of sectarian groups the role of sectarianism across Jewish history as well as

in the time of the Second Temple and the relations within and between sects and between sects and wider society The book aims to establish a conceptual framework for the analysis of sects and in doing so makes particular use of the work of Max Weber and Bryan Wilson exploring the limits of their typologies and sociological theories The Social Science Encyclopedia Adam Kuper,2003-12-16 The Social Science Encyclopedia first published in 1985 to acclaim from social scientists librarians and students was thoroughly revised in 1996 when reviewers began to describe it as a classic This third edition has been radically recast Over half the entries are new or have been entirely rewritten and most of the balance have been substantially revised Written by an international team of contributors the Encyclopedia offers a global perspective on the key issues within the social sciences Some 500 entries cover a variety of enduring and newly vital areas of study and research methods Experts review theoretical debates from neo evolutionism and rational choice theory to poststructuralism and address the great questions that cut across the social sciences What is the influence of genes on behaviour What is the nature of consciousness and cognition What are the causes of poverty and wealth What are the roots of conflict wars revolutions and genocidal violence This authoritative reference work is aimed at anyone with a serious interest in contemporary academic thinking about the individual in society

Religious Sects A Sociological Study Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Religious Sects A Sociological Study PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Religious Sects A Sociological Study PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and

publishers who make these resources available. In conclusion, the availability of Religious Sects A Sociological Study free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Religious Sects A Sociological Study Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Religious Sects A Sociological Study is one of the best book in our library for free trial. We provide copy of Religious Sects A Sociological Study in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Religious Sects A Sociological Study. Where to download Religious Sects A Sociological Study online for free? Are you looking for Religious Sects A Sociological Study PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Religious Sects A Sociological Study. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Religious Sects A Sociological Study are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have

literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Religious Sects A Sociological Study. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Religious Sects A Sociological Study To get started finding Religious Sects A Sociological Study, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Religious Sects A Sociological Study So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Religious Sects A Sociological Study. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Religious Sects A Sociological Study, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Religious Sects A Sociological Study is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Religious Sects A Sociological Study is universally compatible with any devices to read.
