Religious Asceticism

Bruce Mazlish

Religious Asceticism:

Religious Asceticism G B Gupta, 2003 The Present Title Religious Asceticism Is An In Depth Study Of Different Asceticism In Psycho Spiritual Perspective It Is Commonly Practiced By Different Religions All Over The World It Examines In Depth The Facets Of Asceticism In Different Religion And Is Dealt Specially With Oriental And Western Asceticism The First Part Of This Book Deals With Oriental Asceticism While The Second Part Deals With Western Asceticism The Popular Conception Of Asceticism Has Grown Up In Connection With The Experience Of It Linked With A Distinct Attitude Towards Life In This Thought The Material Body Is Inherently Evil And The Spiritual Element Is Alone Good The Object Of Ascetic Exercise Is Not The Training Of The Body But Its Ultimate Extinction That The Soul May Be Free *Asceticism* Vincent L. Wimbush, Richard Valantasis, 2002 The only comprehensive reference work on asceticism with a multicultural multireligious and multidisciplinary perspective Asceticism offers a sweeping view of an elusive and controversial aspect of religious life and culture Providing a broad historical and comparative perspective contributions by more than forty preeminent scholars in a wide range of fields and disciplines explore asceticism from antiquity to the present in European Near Eastern African Asian and North American settings An incomparable reference Asceticism offers a model for an understanding of a most important dimension of religious life **An Introductory Dictionary of Theology and Religious Studies** Orlando O. Espín, James B. Nickoloff, 2007 Spanning the gamut from Aaron to Zwingli this dictionary includes nearly 3 000 entries written by about sixty authors all of whom are specialists in their various theological and religious disciplines The editors have designed the dictionary especially to aid the introductory level student with instant access to definitions of terms likely to be encountered in but not to substitute for classroom presentations or reading assignments Publisher **The Hellenic Origins of Christian Asceticism** Joseph Ward Swain, 1916 Reading Renunciation Elizabeth A. Clark, 1999-07-19 A study of how asceticism was promoted through Biblical interpretation Reading Renunciation uses contemporary literary theory to unravel the writing strategies of the early Christian authors Not a general discussion of early Christian teachings on celibacy and marriage the book is a close examination in the author's words of how the Fathers axiology of abstinence informed their interpretation of Scriptural texts and incited the production of ascetic meaning Elizabeth Clark begins with a survey of scholarship concerning early Christian asceticism that is designed to orient the nonspecialist Section Two is organized around potentially troubling issues posed by Old Testament texts that demanded skillful handling by ascetically inclined Christian exegetes The third section Reading Paul focuses on the hermeneutical problems raised by I Corinthians 7 and the Deutero Pauline and Pastoral Epistles Elizabeth Clark's remarkable work will be of interest to scholars of late antiquity religion literary theory and history *Schools of Asceticism* Lutz F. Kaelber, 2010-11-01 Explores the Weberian theme of religious asceticism in the context of medieval religion concentrating on the Cathars and Waldensians in southern France Analyzes how the ideology and social organization of religious groups shaped rational ascetic conduct of their members and

how the different forms of asceticism affected cultural and economic life combining a sociological approach to the analysis of medieval history with an original analysis of primary sources For scholars of comparative historical and theoretical sociology medieval history and religious studies Paper edition unseen 19 95 Annotation copyrighted by Book News Inc Portland OR

Asceticism in Early Taoist Religion Stephen Eskildsen,1998-01-01 Using a wide variety of original sources this book examines how and why early Taoists carried out such ascetic practices as fasting celibacy sleep deprivation and wilderness seclusion *The Hellenic Origins of Christian Asceticism* Joseph Ward Swain,1916 **Asceticism** Vincent L.

Wimbush,Richard Valantasis,2002-05-23 From meditation and fasting to celibacy and anchoritism the ascetic impulse has been an enduring and complex phenomenon throughout history Offering a sweeping view of this elusive and controversial aspect of religious life and culture Asceticism looks at the ascetic impulse from a unique vantage point Cross cultural cross religious and multidisciplinary in nature these essays provide a broad historical and comparative perspective on asceticism a subject rarely studied outside the context of individual religious traditions The work represents the input of more than forty preeminent scholars in a wide range of fields and disciplines and analyzes asceticism from antiquity to the present in European Near Eastern African Asian and North American settings Asceticism is organized around four major themes that cut across religious traditions origins and meanings of asceticism which explores the motivations and impulses behind ascetic behaviors hermeneutics of asceticism which looks at texts and rhetorics and their presuppositions aesthetics of asceticism which documents responses evoked by ascetic impulses and practices as well as the arts of ascetic practices themselves and politics of asceticism which analyzes the power dynamics of asceticism especially as regards gender cultural and ethnic differences Critical responses to the major papers ensure the focus upon the themes and unify the discussion Two general addresses on broad philosophical and historical interpretive issues suggest the importance of the subject of asceticism for wide ranging but serious cultural critical discussions An Appendix Ascetica Miscellanea includes six short papers on provocative topics not related to the four major themes and a panel discussion on the practices and meanings of asceticism in contemporary religious life and culture A selected bibliography and an index are also included The only comprehensive reference work on asceticism with a multicultural multireligious and multidisciplinary perspective Asceticism offers a model not only for an understanding of a most important dimension of religious life but also for future interdisciplinary study in general **The Ideals of Asceticism** Oscar Hardman,1924 **The Max Weber Dictionary** Richard Swedberg,Ola

Agevall,2016-09-07 Max Weber is one of the world s most important social scientists but he is also one of the most notoriously difficult to understand This revised updated and expanded edition of The Max Weber Dictionary reflects up to the moment threads of inquiry and introduces the most recent translations and references Additionally the authors include new entries designed to help researchers use Weber s ideas in their own work they illuminate how Weber himself thought theorizing should occur and how he went about constructing a theory More than an elementary dictionary however this work

makes a contribution to the general culture and legacy of Weber's work. In addition to entries on broad topics like religion, law, and the West, the completed German definitive edition of Weber's work, *Max Weber Gesamtausgabe*, necessitated a wealth of new entries and added information on topics like pragmatism and race and racism. Every entry in the dictionary delves into Weber scholarship and acts as a point of departure for discussion and research. As such, this book will be an invaluable resource to general readers, students, and scholars alike.

Ascetic Practices in Japanese Religion Tullio Federico Lobetti, 2013-09-11. Ascetic practices are a common feature of religion in Japan, practiced by different religious traditions. This book looks at these ascetic practices in an inter-sectarian and inter-doctrinal fashion in order to highlight the underlying themes common to all forms of asceticism. It does so by employing a multidisciplinary methodology which integrates participant fieldwork; the author himself engaged extensively in ascetic practices with a hermeneutical interpretation of the body as the primary locus of transmission of the ascetic embodied tradition. By unlocking this bodily data, the book unveils the human body as the main tool and text of ascetic practice. This book includes discussion of the many extraordinary rituals practiced by Japanese ascetics.

Asceticism and Its Critics Oliver Freiberger, 2006-10-19. Scholars of religion have always been fascinated by asceticism. Some have even regarded this radical way of life, the withdrawal from the world combined with practices that seriously affect basic bodily needs up to extreme forms of self-mortification as the ultimate form of a true religious quest. This view is rooted in hagiographic descriptions of prominent ascetics and in other literary accounts that praise the ascetic life style. Scholars have often overlooked, however, that in the history of religions, ascetic beliefs and practices have also been strongly criticized by followers of the same religious tradition as well as by outsiders. The respective sources provide sufficient evidence of such critical strands, but surprisingly as yet no attempt has been made to analyze this criticism of asceticism systematically. This book is a first attempt of filling this gap. Ten studies present cases from both Asian and European traditions: classical and medieval Hinduism, early and contemporary Buddhism in South and East Asia, European antiquity, early and medieval Christianity, and 19th-20th century Aryan religion. Focusing on the critics of asceticism, their motives, their arguments, and the targets of their critique, these studies provide a broad range of issues for comparison. They suggest that the critique of asceticism is based on a worldview differing from and competing with the ascetic worldview, often in one and the same historical context. The book demonstrates that examining the critics of asceticism helps understand better the complexity of religious traditions and their cultural contexts. The comparative analysis moreover shows that the criticism of asceticism reflects a religious worldview as significant and widespread in the history of religions as asceticism itself is.

Beyond Pleasure Evert Peeters, Leen Van Molle, Kaat Wils, 2011-04-01. Asceticism, so it is argued in this volume, is a modern category. The ubiquitous cult of the body of fitness and diet equally evokes the ongoing success of ascetic practices and beliefs. Nostalgic memories of hardship and discipline in the army, youth movements, or boarding schools remain as present as the fashionable irritation with the presumed modern-day laziness. In the very texture of contemporary culture, age

old asceticism proves to be remarkably alive Old ascetic forms were remoulded to serve modern desires for personal authenticity an authenticity that disconnected asceticism in the course of the nineteenth century from two traditions that had underpinned it since classical antiquity the public republican austerity of antiquity and the private religious asceticism of Christianity Exploring various aspects such as the history of the body of aesthetics science and social thought in several European countries Great Britain France Germany Austria and Belgium the authors show that modern asceticism remains a deeply ambivalent category Apart from self realisation classical and religious examples continue to haunt the ascetic mind

Asceticism in the Graeco-Roman World Richard Finn, 2009-07-02 Asceticism deploys abstention self control and self denial to order oneself or a community in relation to the divine Both its practices and the cultural ideals they expressed were important to pagans Jews Christians of different kinds and Manichees Richard Finn presents for the first time a combined study of the major ascetic traditions which have been previously misunderstood by being studied separately He examines how people abstained from food drink sexual relations sleep and wealth what they meant by their behaviour and how they influenced others in the Graeco Roman world Against this background the book charts the rise of monasticism in Egypt Asia Minor Syria and North Africa assessing the crucial role played by the third century exegete Origen and asks why monasticism developed so variously in different regions

Anabaptism and Asceticism Kenneth R. Davis, 1998-10-17 Dr Davis explores the Anabaptist emphasis on penitence personal holiness and active discipleship to Christ He examines their view that discipleship involves the rejection of a life of affluence the civil oath and participation in the military and the magistracy

Religious Violence in the Ancient World Jitse H. F. Dijkstra, Christian R. Raschle, 2020-10-01 Much like our world today Late Antiquity fourth seventh centuries CE is often seen as a period rife with religious violence not least because the literary sources are full of stories of Christians attacking temples statues and pagans However using insights from Religious Studies recent studies have demonstrated that the Late Antique sources disguise a much more intricate reality The present volume builds on this recent cutting edge scholarship on religious violence in Late Antiquity in order to come to more nuanced judgments about the nature of the violence At the same time the focus on Late Antiquity has taken away from the fact that the phenomenon was no less prevalent in the earlier Graeco Roman world This book is therefore the first to bring together scholars with expertise ranging from classical Athens to Late Antiquity to examine the phenomenon in all its complexity and diversity throughout Antiquity

The Revolutionary Ascetic Bruce Mazlish, 2017-07-05 Why have the great revolutionary leaders of modern times from Robespierre to Lenin and Mao Tse tung so often been ascetics austere puritans with few emotional ties What functions political as well as personal do these ascetic traits perform for the modern revolutionary leader and for his followers Noted historian and author Bruce Mazlish is convinced that beginning in the nineteenth century the needs of modernizing revolutions have produced a distinct new type of political leader the revolutionary ascetic This individual s denial of personal pleasures and commitments both enables him to perform politically

necessary if personally repulsive revolutionary acts and to command the allegiance of his more worldly followers Starting with Cromwell and the religious ascetics of the Puritan Revolution Mazlish shows in a series of fascinating personality sketches how this asceticism first became secularized with the French Revolution and then in the nineteenth and twentieth centuries was put to the service of a new kind of total modernizing revolution in Russia China and elsewhere In two remarkably vivid portraits of Lenin and Mao Tse tung Mazlish shows us precisely how two of the century s best known revolutionaries consciously and unconsciously used their personal asceticism to induce revolutionary change

The Religion of Existence Noreen Khawaja,2016-12-02 What was existentialism At its heart Noreen Khawaja argues existentialism was an effort to translate Protestant piety into a secular philosophy While there have been many attempts to define existentialism from within as a coherent philosophical program and even as a movement Khawaja s book is the first study of existentialism from the standpoint of intellectual history and the first to look systematically at the role that Christianity played in the development of existential thought Focusing on Soren Kierkegaard Martin Heidegger and Jean Paul Sartre Khawaja illuminates the key moments in existentialism s reconstruction of Protestant piety within the confines of secular philosophy Heidegger once described his work as an exercise in the piety of thinking Khawaja s book shows the historical and systematic truth behind this metaphor Notwithstanding Heidegger thinking has not always been a pious act But for a certain group of European intellectuals in the late nineteenth and twentieth centuries it became so The Religion of Existence will appeal to scholars of modern Christianity philosophers and historians of European philosophy as well as those engaged with the theoretical and historical problems of secular and post secular modernity

The New Asceticism Sarah Coakley,2015-11-05 Sarah Coakley draws both liberal and conservative camps into a new and serious reflection on ascetical theology Each chapter of The New Asceticism concentrates on a contentious issue in contemporary theology the role of women in the churches homosexuality and the priesthood celibacy and the future of Christian asceticism in an original thesis about the nature of desire which may start to heal many contemporary wounds Professor Coakley is as familiar with the Bible and the Early Fathers as she is with the writings of Freud and Jung and she draws heavily on Gregory of Nyssa s theology of desire in what she proposes She points the way through the false modern alternatives of repression and libertinism agape and eros recovering a way in which desire can be freed from associations with promiscuity and disorder and forging a new ascetical vision founded in the disciplines of prayer and attention

Religious Asceticism Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Religious Asceticism PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Religious Asceticism PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources

available. In conclusion, the availability of Religious Asceticism free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Religious Asceticism Books

1. Where can I buy Religious Asceticism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
