**Understanding Climate Change through Religious Lifeworlds** David L. Haberman, 2021-05-04 How can religion help to understand and contend with the challenges of climate change Understanding Climate Change through Religious Lifeworld edited by David Haberman presents a unique collection of essays that detail how the effects of human related climate change are actively reshaping religious ideas and practices even as religious groups and communities endeavor to bring their traditions to bear on mounting climate challenges People of faith from the low lying islands of the South Pacific to the glacial regions of the Himalayas are influencing how their communities understand earthly problems and develop meaningful responses to them This collection focuses on a variety of different aspects of this critical interaction including the role of religion in ongoing debates about climate change religious sources of environmental knowledge and how this knowledge informs community responses to climate change and the ways that climate change is in turn driving religious change Understanding Climate Change through Religious Lifeworlds offers a transnational view of how religion reconciles the concepts of the global and the local and influences the challenges of climate change

Uddiyana Guru Padmasambhava : The Second Buddha Prabir Kumar Pattanaik, 2024-07-07 Buddhist Acharya Padmasambhava of the Vajrayana school of Mahayana sect being invited by the king of Tibet went there during the first half of the eighth century AD He firmly established this esoteric form of Buddhism there and other Himalayan lands which is known as Lamaism He is deified and celebrated in Lamaism as Buddha himself even more than that As a direct result of Padmasambhava s efforts the people of Tibet were elevated to a state of unsurmountable spiritual culture He is therefore truly one of the greatest of the world s

culture heroes He is most revered and is honoured as the Second Buddha He belongs to India and hails from Uddiyana Therefore he is popularly known as Uddiyana Guru But a holy personality known all over the world a Great Guru is almost a forgotten name in India least remembered not in history not in literature not anywhere even among the Buddhist circles in India Padmasambhava originally belongs to Uddiyana the location of this place has been disputed by some scholars to be in Swat Valley within the ancient Gandhara region which is not tenable The present work is an attempt to study all aspects pertaining to this Guru starting from his magical appearance and penances to his mystical life his works and achievements all through the Himalayan region along with Tibet That leads to establish strongly that the home of the Uddiyana Guru is nowhere else but in Odisha Focus has been laid to establish facts and all evidences showing that Uddiyana is but Odisha This may be considered as the exclusive and exhaustive compilation published for the first time in India A Historical Atlas of Tibet Karl E. Ryavec, 2015-05-08 This pioneering work documents cultural and religious sites across the Tibetan Plateau and its bordering regions from the Paleolithic Era to today Western fascination with Tibet has soared in recent decades yet this historic and globally celebrated region has barely been mapped With this groundbreaking atlas Karl E Ryavec sweeps aside the image of Tibet as Shangri La offering a comprehensive vision of the region as it really is The product of twelve years of research and eight more of mapmaking the results are absolutely stunning A Historical Atlas of Tibet ranges through the five main periods in Tibetan history offering introductory maps of each followed by details of western central and eastern regions It beautifully visualizes the history of Tibetan Buddhism tracing its spread throughout Asia with thousands of temples mapped both within Tibet and across North China and Mongolia all the way to Beijing There are maps of major polities and their territorial administrations as well as of the kingdoms of Guge and Purang in western Tibet and of Derge and Nangchen in Kham There are town plans of Lhasa and maps that focus on history and language on population natural resources and contemporary politics Extraordinarily comprehensive and absolutely gorgeous this volume makes a major contribution in the realms of cartography Asian studies and Buddhist studies *Epilogue, Vol 4, Issue 9*, Buddhist Monasteries of Himachal Om Chand Handa, 2004 *Routledge Handbook of Highland Asia* Jelle J.P. Wouters, Michael T. Heneise, 2022-08-09 The Routledge Handbook of Highland Asia is the first comprehensive and critical overview of the ethnographic and anthropological work in Highland Asia over the past half a century Opening up a grand new space for critical engagement the handbook presents Highland Asia as a world region that cuts across the traditional divides inherited from colonial and Cold War area divisions the Indian Subcontinent South Asia Southeast Asia China East Asia and Central Asia Thirty two chapters assess the history of research identify ethnographic trends and evaluate a range of analytical themes that developed in particular settings of Highland Asia They cover varied landscapes and communities from Kyrgyzstan to India from Bhutan to Vietnam and bring local voices and narratives relating trade and tribute ritual and resistance pilgrimage and prophecy modernity and marginalization capital and cosmos to the fore The handbook shows that for millennia Highland Asians have

connected far flung regions through movements of peoples goods and ideas and at all times have been the enactors repositories and mediators of world historical processes Taken together the contributors and chapters subvert dominant lowland narratives by privileging primarily highland vantages that reveal Highland Asia as an ecumene and prism that refracts and generates global history social theory and human imagination In the currently unfolding Asian Century this compels us to reorient and re envision Highland Asia in ethnography in theory and in the connections between this world region made of hills highlands and mountains and a planetary context The handbook reveals both regional commonalities and diversities generalities and specificities and a broad orientation to key themes in the region An indispensable reference work this handbook fills a significant gap in the literature and will be of interest to academics researchers and students interested in Highland Asia Zomia Studies Anthropology Comparative Politics Conceptual History and Sociology Southeast Asian Studies Central Asian Studies and South Asian Studies as well as Asian Studies in general

**Muslim Communities and Cultures of the Himalayas** Jacqueline H. Fewkes, Megan Adamson Sijapati, 2020-12-20 This book chronicles individual perspectives and specific iterations of Muslim community practice and experience in the Himalayan region to bring into scholarly conversation the presence of varying Muslim cultures in the Himalaya The Himalaya provide a site of both geographic and cultural crossroads where Muslim community is simultaneously constituted at multiple social levels and to that end the essays in this book document a wide range of local national and global interests while maintaining a focus on individual perspectives moments in time and localized experiences It presents research that contributes to a broadly conceived notion of the Himalaya that enriches readers understandings of both the region and concepts of Muslim community and highlights the interconnections between multiple experiences of Muslim community at local levels Drawing attention to the cultural social artistic and political diversity of the Himalaya beyond the better understood and frequently documented religio cultural expressions of the region this book will be of interest to academics in the fields of Anthropology Geography History Religious Studies Asian Studies and Islamic Studies

**Buddhist Architecture** Huu Phuoc Le, 2010 The volume thoroughly examines the origins and principal types of Buddhist architecture in Asia primarily between the third century BCE twelfth century CE with an emphasis on India It aims to construct shared architectural traits and patterns alongwith the derivative relationships between Indian and Asian Buddhist monuments It also discusses the historical antecedents in the Indus Civilization and the religious and philosophical foundations of the three schools of Buddhism and its founder Buddha Previously obscure topics such as Aniconic and Vajrayana Tantric architecture and the four holiest sites of Buddhism will also be covered in this comprehensive volume The author further investigates the influences of Buddhist architecture upon Islamic Christian and Hindu architecture that have been overlooked by past scholars
