Williams and Toyin Falola

Religious Impact On The Nation State

Pat Williams, Toyin Falola

Religious Impact On The Nation State:

Religious Impact on the Nation State Pat Williams, Toyin Falola, 1995 This text examines the link between religion and politics both at the level of theory and with specific reference to Nigeria The first part of the book focuses on major local issues and the second on how religion affects the country's relations The religious problem has become prominent not only for its recurrence but also for its intensity Nigeria itself is plural with innumerable religious groups although this need not be a problem if pluralism is used to promote freedom of association democracy and human rights It does become a problem if as this book notes religious groups make self centered demands on the state when the state succumbs to such demands or to blackmail and when public officers use religious groups and leaders for their own political survival

Religious Newcomers and the Nation State Erik Sengers, Thijl Sunier, 2010 In recent years it has become clear that the integration of Islam into the political and social framework of European societies will be crucial to the successful future of the region This volume steps back from the often heated debates over the issue to view it in a wider context through historical and comparative analyses of the integration of religious minorities in the Netherlands and France In addition it broadens the scope of the question by focusing not only on Muslims but on Protestant and Catholic religious minorities as well

Research Anthology on Religious Impacts on Society Management Association, Information Resources, 2020-07-21 Religion is considered by many to be something of the past but it has a lasting hold in society and influences people across many cultures This integration of spirituality causes numerous impacts across various aspects of modern life The variety of religious institutions in modern society necessitates a focus on diversity and inclusiveness in the interactions between organizations of different religions cultures and viewpoints Research Anthology on Religious Impacts on Society examines the cultural sociological economic and philosophical effects of religion on modern society and human behavior Highlighting a range of topics such as religious values social reforms and spirituality this publication is an ideal reference source for religious officials church leaders psychologists sociologists professionals researchers academicians and students

Religion, Conflict, and Democracy in Modern Africa Samuel K. Elolia, 2012-03-02 Spanning various regions of Sub Saharan Africa the authors of this volume come together to explore the complex relationship between religion and democracy in contemporary Africa As a result of the end of the Cold War and the fall of the Soviet Union many African countries have come to the realization however partial that political and social change is inevitable in spite of government heavy handedness and threats It has also become evident that no political system that refuses to permit freedom of political expression and alternative systems of governance could continue to be sustained It is in precisely this political climate that religious institutions have collaborated with other elements of civil society to call for political reforms with the church often becoming the prominent voice against oppressive governments in countries such as Kenya and South Africa It is the purpose of this book to assess how religion shapes political issues and to what extent religious forces influence the civil society By

acknowledging the role of the civil society the essays recognize the resilience that comes out of Africa even when the sociopolitical situation seems unbearable *Religion, State and the United Nations* Anne Stensvold, 2016-07-22 This volume approaches the UN as a laboratory of religious political value politics Over the last two decades religion has acquired increasing influence in international politics and religious violence and terrorism has attracted much scholarly attention But there is another parallel development which has gone largely unnoticed namely the increasing political impact of peaceful religious actors With several religious actors in one place and interacting under the same conditions the UN is as a multi religious society writ small The contributors to this book analyse the most influential religious actors at the UN including The Roman Catholic Church The Organisation of Islamic Countries the Russian Orthodox Church Mapping the peaceful political engagements of religious actors who they are and how they collaborate with each other whether on an ad hoc basis or by forming more permanent networks throwing light at the modus operandi of religious actors at the UN their strategies and motivations The chapters are closely interrelated through the shared focus on the UN and common theoretical perspectives and pursue two intertwined aspects of religious value politics namely the whys and hows of cross religious cooperation on the one hand and the interaction between religious actors and states on the other Drawing together a broad range of experts on religious actors this work will be of great interest to students and scholars of Religion and Politics International Relations and the UN Politicization of Religion, the Power of State, Nation, and Faith G. Ognjenovic, J. Jozelic, Gorana Ognjenovi?, Jasna Jozeli?, 2014-12-16 Abuse of religion as a political means to an end the achievement of nationalist political goals analyzing how through which mechanisms this phenomenon has been and still is practiced in South Eastern Europe

The Impact of Religion, Personality, Values and Worldviews on Attitudes Towards Human Rights Modestus Chiedozie Adimekwe, 2024-09-04 This book provides a rigorous investigation into the adoption and culture of human rights in Nigeria with a focus on the human rights attitudes of Nigerian students Exploring the perceived paradox of enthusiastic endorsement of human rights instruments and their poor application in Nigeria the author uses an empirical theological research design to understand how young people in Nigeria evaluate human rights and which factors trigger their evaluation In doing so this book is the first to empirically examine the predictors of human rights attitudes among Nigerians and provides new insights into the degree of social significance of the religiosity of adolescents in the country It also offers a compelling quantitative analysis differences in human rights attitudes among Nigerian youth along religious lines Given the importance of a culture of human rights in our increasingly diverse societies and the salience of religion on this matter in Nigeria and across the African continent this book provides a valuable perspective on the interrelationships between religion value orientations personality traits socio political context and human rights Being concerned with the future of human rights in Nigeria the author argues that it is crucial to understand the religious factor among Nigerian students today This book is therefore recommended to educators especially teachers of Religion Education and scholars working in educational settings

but will also be of interest to researchers in social sciences public administrators and policymakers

Edward Said and the Religious Effects of Culture William D. Hart, William David Hart, 2000-04-13 This book provides a distinctive account of Edward Said's critique of modern culture by highlighting the religion secularism distinction on which it is predicated It refers to religious and secular traditions and to tropes that extend the meaning and reference of religion and secularism in indeterminate ways It covers Said's heterogeneous corpus from Joseph Conrad and the Fiction of Autobiography his first book to Orientalism his most influential book to his recent writings on the Palestinian question The religion secularism distinction lies behind Said's cultural criticism and his notion of intellectual responsibility

The Oxford Handbook of the Welfare State Francis G. Castles, Stephan Leibfried, Jane Lewis, Herbert Obinger, Christopher Pierson, 2012-09-06 The Oxford Handbook of the Welfare State is the authoritative and definitive guide to the contemporary welfare state In a volume consisting of nearly fifty newly written chapters a broad range of the world's leading scholars offer a comprehensive account of everything one needs to know about the modern welfare state The book is divided into eight sections It opens with three chapters that evaluate the philosophical case for and against the welfare state Surveys of the welfare state's history and of the approaches taken to its study are followed by four extended sections running to some thirty five chapters in all which offer a comprehensive and in depth survey of our current state of knowledge across the whole range of issues that the welfare state embraces The first of these sections looks at inputs and actors including the roles of parties unions and employers the impact of gender and religion patterns of migration and a changing public opinion the role of international organisations and the impact of globalisation The next two sections cover policy inputs in areas such as pensions health care disability care of the elderly unemployment and labour market activation and their outcomes in terms of inequality and poverty macroeconomic performance and retrenchment The seventh section consists of seven chapters which survey welfare state experience around the globe and not just within the OECD Two final chapters consider questions about the global future of the welfare state The individual chapters of the Handbook are written in an informed but accessible way by leading researchers in their respective fields giving the reader an excellent and truly up to date knowledge of the area under discussion Taken together they constitute a comprehensive compendium of all that is best in contemporary welfare state research and a unique guide to what is happening now in this most crucial and contested area of social and political development

The Oxford Handbook of the Welfare State Daniel Béland, Kimberly J. Morgan, Herbert Obinger, Christopher Pierson, 2021-10-27 This is the comprehensively revised second edition of a volume that was welcomed at its first appearance as the most authoritative survey and critique of the welfare state yet published Its fifty one chapters have been written by acknowledged experts in the field from across Europe Australia and North America Some chapters are brand new all have been systematically revised and they are right up to date The first seven sections of the book cover the themes of Ethics History Approaches Inputs and Actors Policies Policy Outcomes and Worlds of Welfare A final chapter is

devoted to the future of welfare and well being under the imperatives of climate change Every chapter is written in a way that is both comprehensive and succinct introducing the novice reader to the essentials of what is going on while providing new insights for the more experienced researcher Wherever appropriate the handbook brings the very latest empirical evidence to bear It is a book that is thoroughly comparative in every way The Oxford Handbook of the Welfare State second edition is a comprehensible and comprehensive survey of everything that it is important to know about the welfare state in these troubled times It is an indispensable source for everyone who wants to know what is really going on now and what is likely to happen next

Beyond the Nation-State David H. Kamens, 2012-02-17 Examines the effects of education in creating global citizens who share a world culture This title also examines the role of education in diffusing such attitudes and models as global citizens confront national institutions

Religion and Nation-state Formation in Melanesia Graham Hume Hassall, 1990

Religion and Inequality in America Lisa A. Keister, Darren E. Sherkat, 2014-07-10 Examines how social inequality is affected by religious beliefs and affiliation with contributions in the fields of religion and sociology

From Empire to Nation State Yan Sun, 2020-09-17 Many scholars perceive ethnic politics in China as an untouchable topic due to lack of data and contentious even prohibitive politics This book fills a gap in the literature offering a historical political perspective on China's contemporary ethnic conflict Yan Sun accumulates research via field trips local reports and policy debates to reveal rare knowledge and findings Her long time causal chain of explanation reveals the roots of China's contemporary ethnic strife in the centralizing and ethnicizing strategies of its incomplete transition to a nation state strategies that depart sharply from its historical patterns of diverse and indirect rule This departure created the institutional dynamics for politicized identities and ethnic mobilization particularly in the outer regions of Tibet and Xinjiang In the 21st century such factors as the demise of socialist tenets and institutions that upheld interethnic solidarity and the rise of identity politics and developmentalism have intensified these built in tensions

Religion in the Market Era François Gauthier, 2025-05-30 This book aims to expand the limits of the social scientific study of religion and define a coherent model of recent global transformations of religion challenging the paradigm of secularisation and post secularisation Using a wide ranging selection of case studies including global Islam post Soviet Eastern Europe and China the author argues that since the 1980s religion has been dramatically shaped around the world by neoliberalism and consumerism Providing a global macro level history of how religion has changed in the past four decades this book contends that the rise of economics as a dominant social sphere is central to understanding the ongoing changes in contemporary world religions

Religious Resurgence Richard T. Antoun, Mary Elaine Hegland, 1987

Understanding Religion Paul Michael Hedges, 2021-02-16 A cutting edge introduction to contemporary religious studies theory connecting theory to data This innovative coursebook introduces students to interdisciplinary theoretical tools for understanding contemporary religiously diverse societies both Western and non Western Using a case study model the text considers A wide and diverse array of contemporary issues

questions and critical approaches to the study of religion relevant to students and scholars A variety of theoretical approaches including decolonial feminist hermeneutical poststructuralist and phenomenological analyses Current debates on whether the term religion is meaningful Many key issues about the study of religion including the insider outsider debate material religion and lived religion Plural and religiously diverse societies including the theological ideas of traditions and the political and social questions that arise for those living alongside adherents of other religions Understanding Religion is designed to provide a strong foundation for instructors to explore the ideas presented in each chapter in multiple ways engage students in meaningful activities in the classroom and integrate additional material into their lectures Students will gain the tools to apply specific methods from a variety of disciplines to analyze the social political spiritual and cultural aspects of religions Its unique pedagogical design means it can be used from undergraduate to postgraduate level courses

Understanding Modern Nigeria Toyin Falola, 2021-06-24 An introduction to the politics and society of post colonial Nigeria highlighting the key themes of ethnicity democracy and development

Religion-State Encounters in Hindu Domains Vineeta Sinha, 2011-04-07 The historical and empirical project presented here is grounded in a desire to theorize religion state relations in the multi ethnic multi religious secular city state of Singapore The core research problematic of this project has emerged out of the confluence of two domains religion law and bureaucracy and religion and colonial encounters This work has two core objectives one to articulate the actual points of engagement between institutions of religion and the state and two to identify the various processes mechanisms and strategies through which relations across these spheres are sustained The thematic foundations of this book rest on disentangling the complex interactions between religious communities individuals and the various manifestations of the Singapore state relationships that are framed within a culture of bureaucracy This is accomplished through a scrutiny of Hindu domains on the island nation state from her identity as part of the Straits Settlements to the present day The empirical and analytical emphases of this book rest on the author's engagement with the realm of Hinduism as it is conceived structured framed and practiced within the context of a strong state in Singapore today Ethnographically the book focusses on Hindu temple management and the observance of Hindu festivals and processions enacted within administrative and bureaucratic frames

The Politics and Practice of Religious Diversity Andrew Dawson, 2016-04-20 The Politics and Practice of Religious Diversity engages with one of the most characteristic features of modern society An increasingly prominent and potentially contentious phenomenon religious diversity is intimately associated with contemporary issues such as migration human rights social cohesion socio cultural pluralisation political jurisdiction globalisation and reactionary belief systems This edited collection of specially commissioned chapters provides an unrivalled geographical coverage and multidisciplinary treatment of the socio political processes and institutional practices provoked by and associated with religious diversity Alongside chapters treating religious diversity in the BRIC countries of Brazil Russia India and China are contributions which discuss Australia Finland

Mexico South Africa the UK and the United States This book provides an accessible distinctive and timely treatment of a topic which is inextricably linked with modern society's progressively diverse and global trajectory Written and structured as an accessible volume for the student reader this book is of immediate interest to both academics and laypersons working in mainstream and political sociology sociology of religion human geography politics area studies migration studies and religious studies

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Religious Impact On The Nation State full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Religious Impact On The Nation State eBooks, including some popular titles.

FAQs About Religious Impact On The Nation State Books

What is a Religious Impact On The Nation State PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Religious Impact On The Nation State PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Religious Impact On The Nation State PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Religious Impact On The Nation State PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Religious Impact On The Nation State PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
