Religious Study Of Judaism:

The Religious Study of Judaism: Description, analysis, and interpretation Jacob Neusner, 1986 The Religious Study of Judaism Jacob Neusner, 1987-02-11 This volume frames a program of inquiry into the formative century of the Judaism of the dual Torah which is the fourth century of the common era or the age of Constantine The study first considers the context the historical study of Judaism Part II is an inquiry into the text of Judaism or a literary study of its types of writing or genres Part III explains the circumstance or setting in which the study moves forward Co published with Studies in Judaism **The Religious Study of Judaism: Description, analysis, interpretation, the centrality of context** Jacob Neusner, 1986 A collection of essays that illustrate the issue of definition and the role of context in the study of a religion its text and its ideas The author first addresses an important text in the canon of Judaism in its formative age He then places the text in its context that is he tries to find the question that the text answers The author concludes by offering a general theory of the history of Judaism so that Judaisms and their histories can be included in the larger history of religion Co published with Studies in Judaism The Religious Study of Judaism Jacob Neusner, 1988-12-07 In this volume Dr Neusner explores the history of religious ideas and writings focusing first on the idea of history and second on the conception of a foundation document comprising the Pentateuch and the Mishnah He then moves on to an interpretation of the implications for the history of Judaism of the distinctive and particular character of an important document Sifra a sustained address to the book of Leviticus by sages of the fourth or fifth century BContents Part I The Idea of History in Formative Judaism Part II The Constitution of the Judaism of the Dual Torah Part III Ethics or Ontology in Formative Judaism Part IV From Text to Matrix in the Case of Sifra Part V The University as Locus for Studying the Formative Age of Judaism **Textual Sources for the Study of Judaism** Philip S. Alexander, 1984 Alexander assembles material from Scripture and tradition through religious law and ethical literature to a section on Society and the Jews and prefaces the whole with an admirable introduction Jonathan Sacks Jewish Chronicle The texts which are drawn from over two thousand years of history are usefully divided annotated and glossed They enable students to explore the tradition in a new way and give a marvellous insight into the richness and liveliness of the Jewish religion and culture we are given wit and pathos in addition to popular story and religious law Janet Trotter Resource The Religious Study of Judaism: Description, analysis, and interpretation Jacob Neusner, 1986 The first in a series to study religion by description analysis and interpretation This book uses Judaism as an example of the importance for all learning of the circumstances and context in which scholarship takes place The author argues that we learn only after we have decided what we wish to know based on our categories of inquiry A set of comparative studies of ancient Judaism and Christianity illustrates this thesis Co published with Studies in Judaism The Religious Study of Judaism Jacob Neusner, 1986 The Religious Study of Judaism: Context, text, circumstance Jacob Neusner, 1986 This volume frames a program of inquiry into the formative century of the Judaism of the dual Torah which is the fourth century of

the common era or the age of Constantine The study first considers the context the historical study of Judaism Part II is an inquiry into the text of Judaism or a literary study of its types of writing or genres Part III explains the circumstance or setting in which the study moves forward Co published with Studies in Judaism *The Religious Study of Judaism* Jacob Neusner, **The Religious Study of Judaism** Jacob Neusner,1988 *The Study of Judaism* Aaron W. Hughes,2013 The relationship between Jewish studies and religious studies is a long and complicated one full of tensions and possibilities Whereas the majority of scholars working within Jewish studies contend that the discipline is in a very healthy state many who work in theory and method in religious studies disagree For them Jewish studies represents all that is wrong with the modern academic study of religion too introspective too ethnic too navel gazing and too willing to reify or essentialize data that it constructs in its own image In this book Aaron W Hughes explores the unique situation of Jewish studies and how it intersects with religious studies noting particular areas of concern for those interested in the field s intellectual health and future flourishing Hughes provides a detailed study of origins principles and assumptions documenting the rise of Jewish studies in Germany and its migration to Israel and the United States Current issues facing the academic study of Judaism are discussed including the role of private foundations that seek inroads into the academy *The Religious Study of Judaism* Jacob Neusner,1986 **How Not to Study Judaism: Parables, rabbinic narratives, rabbis' biographies, rabbis' disputes** Jacob Neusner,2004 In *How Not to Study Judaism* Examples and Counter Examples Jacob Neusner presents a collection of essays and book reviews that identify the wrong way of conducting the academic study of Judaism Pointing readers toward the right way to pursue the academic study of Judaism Neusner s focus is on the study of the literature of Judaism and the culture of the Jewish community *The Transformation of Judaism* Jacob Neusner,2011-03-31 Jacob Neusner describes analyzes and interprets the transformation of one system of the Israelite social order by a connected but autonomous successor system He characterizes the successive systems classifying the one as philosophical and the other as religious He explains the categorical account of each and sets forth the outcome of a number of topical studies on the category formations of Rabbinic Judaism with special attention to the social order politics philosophy and economics These systems emerged as 1 autonomous when viewed synchronically 2 connected when seen diachronically and 3 as a continuous construction when seen at the end of their formative age In their successive stages of categorical autonomy connection and finally continuity the three distinct systems may be classified respectively as philosophical religious and theological each one taking over and revising the definitive categories of the former and framing its own fresh generative categories as well The formative history of Judaism is the story of the presentations and re presentations of categorical structures In method it is the exegesis of taxonomy and taxic systems Now after more than two decades Neusner has decided to review the initial statement Since the book summarizes ten years of work from 1980 to 1990 on the Rabbinic category formations of social science politics philosophy and economics in the setting of the law and theology of Rabbinic Judaism from the Mishnah

through the Bavli 200 600 C E it seemed well worth the effort to recapitulate the original work The revised introduction explains the omission of theology in his category formation philosophy religion theology Neusner s account of the Bavli produced the decade after this title was completed did not make possible the continuous description of the unfolding of the Rabbinic system The pattern that appealed to Neusner from philosophy to religion to theology has not yet come to a satisfactory account In the twenty years The Religious Study of Judaism: Description, analysis, interpretation: Ideas of history, ethics, ontology, and religion in formative Judaism Jacob Neusner,1986 **The Religious Study of Judaism: Ideas of history, ethics, ontology, and religion in formative Judaism** Jacob Neusner,1986 *Jewish Women's Torah Study* Ilan Fuchs,2013-11-20 One of the cornerstones of the religious Jewish experience in all its variations is Torah study and this learning is considered a central criterion for leadership Jewish Women s Torah Study addresses the question of women s integration in the halachic religious system at this pivotal intersection The contemporary debate regarding women s Torah study first emerged in the second half of the 19th century As women s status in general society changed offering increased legal rights and opportunities for education a debate on the need to change women s participation in Torah study emerged Orthodoxy was faced with the question which parts if any of modernity should be integrated into Halacha Exemplifying the entire array of Orthodox responses to modernity this book is a valuable addition to the scholarship of Judaism in the modern era and will be of interest to students and scholars of Religion Gender Studies and Jewish Studies *Studying Judaism* Melanie J. Wright,2012-03-15 This volume in the Studying World Religions series is an essential guide to the study of Judaism Clearly structured to cover all the major areas of study including historical foundations scripture worship society material culture thought and ethics this is the ideal study aid for those approaching Judaism for the first time Studying Judaism offers readers the chance to engage with a religious tradition as a diverse living phenomenon Its approach is critical in two major respects its use of the dimensional approach to the study of religions as an interpretive framework and its focus on matters perceived as problematic by insider and or outsider commentators such as gender demography geo politics the museumization of Jewish cultures and its impact on religion and identity This book is the perfect companion for the fledgling student of Judaism **The Religious Study of Judaism: Ideas of history, ehtics, ontology, and religion in formative judaism** Jacob Neusner,1986 The Academic Study of Judaism Jacob Neusner,1977 Library has v 1 only
