Reluctant Desire:

Reluctant Desire [Desire, Oklahoma 8] Leah Brooke, Siren Everlasting Classic Erotic Contemporary Romance light consensual BDSM spanking sensation play sex toys HEA Charity Sanderson had been Beau Parrish's lover for months but she knew it was only a matter of time before their affair ended. She needed a man she could count on to be there and Beau never took anything seriously. But she loved him too much to walk away. Beau loved Charity more than his own life but knew she didn't believe that. Every time he spoke about a future together she got skittish and so he'd had to back off for fear of losing her completely. The vulnerability in her eyes tugged at him, the love shining in them that she didn't think he could see. He couldn't go on living a lie. After giving her an ultimatum, he walked out hoping she would love him too much to let it end between them. Her accident changes everything. It forces her to see that the man she never thought he could be has been there the entire time. A Siren Erotic Romance **Reluctant Desire** Kay Gregory, 1995 Reluctant Desire Catherine Grant (Romance fiction writer), 1994 **Metaphysics** Alexander Gottlieb Baumgarten, 2013-06-13 Alexander Baumgarten 1714-1762, an influential German philosopher preceding Immanuel Kant, is remembered mainly as a founder of modern aesthetics. Yet his manual on metaphysics was one of the chief textbooks of philosophical instruction in latter 18th Century Germany. Originally published in Latin, Kant used the *Metaphysics* for nearly four decades as the basis for lectures on metaphysics, anthropology, and religion. Kant composed many of the preparatory sketches for the *Critique of Pure Reason* in the blank interleaved pages of his personal copy. Available for the first time in English, this critical translation draws from the original seven Latin editions and Georg Friedrich Meier's 18th century German translation. Together with a historical and philosophical introduction, extensive glossaries, and notes, the text is supported by translations of Kant's elucidations and notes, Eberhard's insertions in the 1783 German edition, and texts from the writings of Meier and Wolff. For scholars of Kant, the German Enlightenment, and the history of metaphysics, Alexander Baumgarten's *Metaphysics* is an essential authoritative resource to a significant philosophical text. The Hurricane Years Cameron Hawley, 2015-12-08 An accomplished businessman faces the biggest challenge of his life when his race to the top is halted by a heart attack in this New York Times bestseller from the author of *Executive Suite*. After a business trip to New York, advertising executive Judd Wilder returns to Pennsylvania where he plans to drop off the annual stockholders report with his boss at Crouch Carpet Company. There's no warning, no premonition of disaster, just a slight case of indigestion which escalates into debilitating pain. Taken by ambulance to the local hospital, Judd at first refuses to believe that he has suffered a heart attack. Dr. Aaron Kharr specializes in cardiac behavior patterns. In Judd, he sees a businessman in his peak stress years whose long building tensions have erupted in an emotional hurricane. Kharr's goal is to heal both Judd's mind and his body. As the doc studies the events in his patient's past that have led to this point, Judd's company undergoes a change of ownership and reorganization that mirrors his own recovery. With its multi-layered plot and teeming canvas of characters including Judd's wife Kay, their son Rolfe, and the

Animals and Desire in South African Fiction Jason D. Price, 2017-07-15 This book considers the political potential of affective experiences of desire as reflected in contemporary South African literature Jason Price argues that definitions of desire deployed by capitalist and colonial culture maintain social inequality by managing relations to ensure a steady flow of capital and pleasure for the dominant classes whereas affective encounters with animals reveal the nonhuman nature of desire a biopower that in its unpredictability can frustrate regimes of management and control Price wonders how animals different desires might enable new modes of thought to positively transform and resist the status quo This book contends that South African literary works employ nonhuman desire and certain indigenous notions of desire to imagine a South Africa that can be markedly different from the past

White Sports/Black Sports Lori Latrice Martin, 2015-03-03 The racial makeup of sports in the United States serves as a classic example of racism in the 21st century This book examines the racial disparities in sports and the continuing significance of race in 21st century America debunking the myth of a postracial society Sports can serve as an inspirational example of what can be achieved through hard work and perseverance regardless of one's race However there is plenty of evidence that race still plays a major role in sports and that sports are key agents of racial socialization *White Sports Black Sports Racial Disparities in Athletic Programs* challenges the idea that America has moved beyond racial discrimination and identifies the obvious and subtle ways in which racial identities and athletic determinism affect non white individuals in the world of sports Author Lori Latrice Martin gives readers a keen awareness of the issues allowing them to see the links between sports and society as a whole and to perceive that the issues surrounding racism in sports impact people in every realm of life and are not limited to the playing field She discusses how the media acts as an agent of racial socialization in sports documents how historical stereotypes of minorities still exist and looks closely at racial socialization in sports including basketball baseball and football exposing how blacks remained underrepresented in most sports especially among front office administrators owners coaches and managers This work serves undergraduate and graduate students in the social sciences to enhance their understanding of minority and majority group relationships and appeals to general readers interested in the history of race and sports in America
