Her lush curves and golden eyes present a sinful temptation, but he needs to focus on what's important. When Sheikh Hussain Tazeem puts her to work, she has access to his business deals and all the luxury his billions can buy, but it's pushing his buttons that's giving her the biggest thrill. He's easily the most uptight man she's ever met. Yet the more she's drawn to his dark eyes and silent strength, the more she knows there's something she needs to remember. But what? With their attraction building and millions of dollars on the line, the stakes are high for Cassie and Hussain. But as Cassie's memory begins to resurface, the truth could jeopardize everything.

**The Reluctant Superpower** W. Bert, 1997-07-07 This book examines the nature of the war in the former Yugoslavia, US interests there, and US perceptions of the conflict. The policies of the Bush and Clinton administrations toward the war and the factors discouraging US intervention are examined and evaluated in the context of a post-Cold War international system. Finally, the lessons for future decisions on international intervention in a post-Cold War world where old policy guidelines are obsolete are discussed and critiqued.

Kosto, 2012-06-21 Examines the changing situations in which hostages were used in the Europe and the Mediterranean world from the fifth to the fifteenth centuries, touching on a wide range of topics in military, diplomatic, political, social, gender, economic, and legal history.

**The Sheikh's Secret Bride** Leslie North, 2015-12-09 Work always comes first for Sheikh Nassir Adjalane. From an early age, he learned business was infinitely more important than having a personal life. But with the pressure from an opponent on his board, Nassir suddenly has only one month to marry or risk being voted out of his company. With everything he's working on the line, Nassir desperately needs a bride, and only one woman will do it. Wedding planner Janna Davis never imagined she would be summoned to the Middle East to plan Sheikh Nassir's nuptials. But the outrageous sum he's offered will finally give her what she needs to stand on her own two feet. As planning gets underway, Janna is put off by Nassir's businesslike way, but she can't deny his appeal. No matter what she's feeling, though, Janna has a job to do. Janna values her independence and refuses to fall for a soon-to-be married man, but what will happen when she learns that she is Nassir's intended bride?

**Blood Ransom** John Boyle, 2015-05-14 For the first time in history, the navies of every superpower on the planet have united against a common enemy: a couple of thousand ragtag underfed men and boys crammed together in tiny open boats, they range up to a thousand miles from their home shores. Armed with ancient AK47s and rocket-propelled grenades, they scour the western Indian Ocean. No one knows how many simply die at sea. But occasionally these modern-day pirates hit the jackpot, seizing vessels and crews that will be ransomed for millions of dollars. This is a war that's estimated to cost the world economy 18 billion every year and has so far seemed impossible to win. John Boyle is a lawyer turned filmmaker. Whilst filming for National Geographic on the war against the Somali pirates, he

found himself meeting victims on every side and being drawn into the incredibly complex situation. The phenomenon of modern day piracy has horrified the world, the Somalis being demonised and released hostages gaining near celebrity status. But few people have any understanding of the overall picture and in this book John takes us with him on his investigation giving us a unique insight into the ongoing war. John builds up the story using his experiences on the ground and interviews with key figures from Presidents to pirates. He spent a week in an African hilltop prison interviewing pirates both convicted and awaiting trial as well as hearing the other side of the story from former hostages. Other interviewees included a President on the front line of the war against piracy, politicians, a UN Security Council Ambassador, a hostage negotiator, prosecuting and defence lawyers and a freelance security gun for hire. He went on patrol with the international naval force, local coastguards and air patrols and visited the very heart of the EU Naval Force's operation. And he spent time on board a fishing trawler that had already been twice attacked by pirates and a Maersk container ship identical to that in the Captain Phillips story. Each chapter strips back the well known issues to the gritty realities underneath them: Somalia's recent history, why young men and boys are choosing to risk their lives and freedom at sea, the reality of being a modern day pirate, the tactics and technologies being used by the international navies and shipping vessels, capture and trial and what happens next.

**The Quabeca Sheikh's Series** Leslie North, The Sheikh's Furious Prisoner. Saja is summoned back home to the province of Quabeca and is to be forced into a marriage with Prince Basil Al Qadir. But Saja is not interested in marriage even if her betrothed is extremely attractive and wealthy. The Prince has the jawline of a Greek god, is strikingly tall and his muscular figure would intimidate most but not Saja. After meeting the man for only two minutes she already hates him. He is controlling, argumentative and insufferably arrogant yet his dark broody eyes hold an intensity that Saja struggles to pull back from. Prince Al Qadir has never met a woman like Saja; she is almost from a different species. She wears improper clothing, behaves inappropriately and has no traditional values. And she does not fear him. In fact her temper often flares around him. She needs taming yet he can't help but notice the feeling that surfaces in his groin when she is around and the loneliness he feels when she isn't. Until he has tamed her, he refuses to let her go. But this may be a game he loses and the Prince never loses. The Sheikh's Reluctant Hostage. Saja has finally met her match. She can't deny her attraction for Prince Basil Al Qadir. She has never felt so vulnerable around her towering lover. He makes her go weak at the knees with just a touch or a kiss. When he spoke in his deep husky voice everyone listened. He was a man to be respected but that didn't matter to Saja. She wasn't afraid to challenge a Prince. Nobody has ever stood up to the Prince before, least of all a woman even if she is stunningly beautiful. Saja's stubbornness and refusal to submit to traditional standards only escalates his interest in her. But as a sworn bachelor he never usually keeps women around long enough for anything emotional to develop but Saja is different. He has never felt such a strong attraction to a woman before. The Prince is letting his walls down for the first time and every day his feelings for Saja grow deeper and deeper. Then Saja is ripped from his life and held hostage by his sworn enemy. After finally
