## **Reluctant King:**

The Reluctant King L. Sprague de Camp, 2016-11-01 The King had a good head on his shoulders for the moment anyway Everyone agreed that King Jorian of Xylar had been a good and just ruler In fact many also agreed that in this case it was a pity that the laws of Xylar decreed that each randomly chosen King must reign for only five years and then after due pomp and ceremony have his head cut off Understandably Jorian himself was wholeheartedly in agreement with the second sentiment so with the help of a spell provided by the wizard Karadur he escaped from the beheading ceremony with his head still on his shoulders Unfortunately his beloved wife Queen Estrildis was left behind and getting her out of Xylar would be anything but simple particularly with the Royal Guard of Xylar hot on the trail of their fugitive monarch With Karadur's magic Jorian might be able to pull off the rescue But first he would have to locate a trove of ancient spells deal with an enemy wizard steal an item from a 500 year old but still beautiful princess who turns into a giant serpent at inopportune moments repair the giant tower clocks of Iraz to fulfill a prophecy break a pirate siege and finally fly back to Xylar in an enchanted bathtub and whisk away his beloved Estrildis before the Royal Guard notices that their King not to mention his head has returned Then things began to get complicated At the publisher's request this title is sold without DRM Digital Rights Management

The Reluctant King Kwan, 2021-09-14 The King family is on the political rise in New York City but must weather the violent storm wrought by their darkest secrets Kwan is exceptionally gifted at ratcheting up suspense There's no denying the writer's talent for dark gritty fiction It's a page turner Kirkus Reviews Meet the Kings one of the most influential families in New York City In the power circles of the movers and shakers they are regarded as modern day royalty A politically connected father a socialite mother and three promising children they look every bit the all American family but every family has secrets Some darker than others Of all the children Shadow is the least like the rest of the Kings To call him soft wouldn't be quite accurate but he lacks the leadership qualities of his older brother Ghost or the ruthless tendencies of his sister Lolli Shadow is just Shadow Instead of accepting his role in the Monarchy created by his father Shadow would rather spend his days chasing women and hanging out in the hood with his best friends Fresh and Pain He is totally oblivious to the perils that come with his last name until danger introduces itself On the night of their mother's fiftieth birthday gala their father Chancellor is set to announce his plans to turn his political focus beyond his current position as a member of the city council He has tasted the benefits that come with holding office and has the power and influence to make a serious run at climbing the political ladder The future is looking bright for the King family That is until the devil comes to claim his due and threatens to destroy everything Chancellor has worked to build To survive the coming storm each member of the royal family will have to make a sacrifice even those who are reluctant to wear the crown

**"The" Reluctant King** K'wan, 2021

Famous Stutterers Gerald R. McDermott, 2016-10-12 Moses Aristotle Civil War hero Joshua Chamberlain King George VI Winston Churchill Marilyn Monroe distinguished historian Peter Brown TV journalist John Stossel Senator's wife Annie Glenn

ABC correspondent Byron Pitts novelist John Updike For all of these accomplished persons stuttering was an enormous difficulty None had a sure fire remedy Most had to blunder and stumble through The persistence and courage they displayed tells us that there might be ways we too can survive and achieve despite our own difficulties *The Children's Bible in 365 Stories* Mary Batchelor,1995 Tells all the better known stories of the Old and New Testaments *The Aurovingian* E. R. Odhomi,2012-02 In the ancient world of the Inner Realm a young slave blacksmith named Aurovin in servitude of an evil empire is chosen by the slave leaders of his people to escape and embark on a perilous journey to find new lands where they can live as a free tribe But Aurovin s journey is greatly hindered by a brewing rift between the great powers of the Inner Realm This rift escalates after king Pavros overlord of the Muldovene Empire barely escapes a botched assassination on his life The Muldovene king sets his eyes on the empire s arch enemy as the primary culprit the Warrior King Sapien and the kingdom of Arencia Aurovin s journey and perils are gradually intertwined into the numerous events and conflicts that will inevitably lead to the Great War During his journey Aurovin encounters several characters such as Belciender and Zaadu two young adventurers from Arencia who are on a mission on behalf of their king to the kingdom of Traccia to unravel a growing conspiracy that may further threatens the sovereignty of the Arencian realm He also meets Janus a burly jester whom Aurovin saves while escaping the clutches of a powerful enemy from a dungeon All four eventually join forces together to battle an evil order bent on attaining absolute power over the Inner Realm Unfortunately as Aurovin makes new friends and acquaintances the young blacksmith makes just as many enemies on his lone quest most notably the handmaster the devious and diabolic master of the order of the Dark Hand who searches for an ancient power that will grant the holder control over the most unstoppable army ever assembled one even more powerful than the empire s These villainous characters such as king Pavros the handmaster along with many others will undoubtedly reshape Aurovin s perspective of the cultures and politics of the Inner Realm beyond the confines of his humble home and people and this forces him to doubt if there really is a better world for his people outside the empire This climatic struggle between good and evil will finally culminate on the battlefield between the armies of the all powerful empire and its allies against the legendary warrior king Sapien and his undefeated Arencian army Aurovin s journey is filled with death betrayal deception superstition mythology and love in world where only the wisest and the most cunning will be strong enough to attain ultimate power and the weak and cowardly will be forced into servitude Only time will tell if the blacksmith attains victory and finally finds the Promise Land that was prophesied by the oracle of his people [The Historical Books](#) J. Cheryl Exum,1997-01-01 This volume is part of a series which brings together the best articles on major fields of Old Testament Hebrew Bible studies from the Journal for the Study of the Old Testament The aim of the series is to provide for scholars and students a convenient and up to date briefing on developments in the field The so called historical books embrace a vast amount of diverse biblical material from Joshua to Nehemiah and this selection of 20 essays covers a breadth of biblical material using a wide range of methodological

approaches The breadth of its scope combined with the depth of scholarship makes this Reader a useful and comprehensive resource for both undergraduate and graduate courses

**Dr. King's Refrigerator** Charles Johnson, 2007-11-01 From National Book Award winning author Charles Johnson comes a sly witty and insightful collection of short stories exploring issues of race and identity In *Sweet Dreams* a Kafkaesque tale is set in a world where dreams are taxed a reality that leads to a man and his dreamlife being audited In *Cultural Relativity* a young woman falls in love with the son of the president of an African nation but is forbidden to ever kiss him A deeply humane story *Dr King s Refrigerator* offers a remarkable glimpse into Martin Luther King Jr s life and his refrigerator *Kwoon* is a graceful and illuminating story about a martial arts teacher on Chicago s South Side *Compassionate* and amusing thought provoking and richly imagined *Dr King s Refrigerator* and *Other Bedtime Stories* is a wonderful and compelling collection from one of America s most beloved authors

*The King's Private Army* Andrew Stewart, 2016-03-16 Well researched tells the story of the military bodyguard known as the Coats Mission led initially by Major Jimmy Coats Coldstream Guards The *Guards Magazine* Following the surrender of France in June 1940 Britain prepared to defend itself against a potential German invasion In great secrecy a decision was taken to establish an elite bodyguard to protect the British Royal Family Led initially by Major Jimmy Coats a Coldstream Guards officer and celebrated winter sportsman it was given the innocuous title of The Coats Mission but its proposed role was perhaps the most important assigned to any unit in the British armed forces It was intended that this group would evacuate King George VI Queen Elizabeth and the two princesses Margaret and her sister Elizabeth to a place of safety away from London For the next two years it trained and prepared for the role in the face of what was believed to be a very real threat and this study drawing on previously unseen documents interviews and archival material provides its history and explains how the Royal Family s protection was viewed Beginning with the prewar shelter preparations for the Royal Households and running through the increased anxiety of the 1940 invasion threat and Blitz the renewed danger in 1941 and then the progressive reduction in the special measures in the years that followed *The King s Private Army* offers the first dedicated account of a largely unknown but potentially critical element of the defense of the United Kingdom during the Second World War Superb Books Monthly

**With Arrow, Sword, and Spear** Alfred S. Bradford,2000-11-30 Most studies of ancient warfare focus only on the Greeks and the Romans but this sweeping study covers the whole of the ancient world from Greece and Rome to the Near East then eastward to Parthia India and China Bradford transports the reader into the midst of ancient battles behind such great leaders as Thutmose III Ashurbanipal Alexander Hannibal Caesar and the First Emperor of China He details the rise and fall of empires the role of leadership and the development of tactics and strategy One sees the clash of peoples nomads against agricultural societies infantry against cavalry as well as the greatest technological change in history the combination of the composite bow and the chariot This readable account analyzes ancient armies in terms of modern military doctrine allowing the reader to make comparisons between the combatants Recruitment for example varied tremendously with Romans drawing from a limited pool of recruits for service terms of twenty to thirty years and Chinese planners preferring a large pool with short term service While various types of governments prepared for and waged war in significantly different ways Bradford finds that better organization led to success on the battlefield and that for the most part societal innovation was more important than technological innovation The ongoing discussion of the lessons of ancient warfare around the globe will provide valuable insights for interested

general readers and military professionals alike     The Kingdom of Saudi Arabia through the Eyes of Saudi Women Anita C. Butera, 2021-11-03 Saudi women are the most powerful symbol of their rapidly changing country The Western political and academic debate has presented activists such as Loujain Al Hathloul and Samar Badawi as the heroic voice of all Saudi women The Saudi government has focused instead on a nationalistic rhetoric that presents Saudi women as the willing obedient and heroic handmaids of the New Saudi Arabia who speak with the voice of the Enlightened Prince Mohammed bin Salman Ironically both approaches have silenced the people they are meant to empower Saudi women The Kingdom of Saudi Arabia through the Eyes of Saudi Women argues that Saudi women cannot be empowered by the imposition from above of Western inspired reforms and that the future of Saudi Arabia is firmly grounded in its past Anita Butera provides a unique account of Saudi women's voices and their dreams for the future of the Kingdom of Saudi Arabia The author concludes that MbS by allowing the entrance of women into public space independently from men has allowed Saudi women to start a silent revolution that is changing the patriarchal system of Saudi Arabia and challenging the masculine nature of Saudi power

**Orientalism and the Reception of Powerful Women from the Ancient World** Filippo Carlà-Uhink, Anja Wieber, 2020-02-06 Why is Cleopatra a descendent of Alexander the Great a Ptolemy from a Greek Macedonian family in popular imagination an Oriental woman True she assumed some aspects of pharaonic imagery in order to rule Egypt but her Orientalism mostly derives from ancient Roman and modern stereotypes both the Orient and the idea of a woman in power are signs in the Western tradition of otherness and in this sense they can easily overlap and interchange This volume investigates how ancient women and particularly powerful women such as queens and empresses have been re imagined in Western and not only Western arts highlights how this re imagination and re visualization is more often than not the product of Orientalist stereotypes even when dealing with women who had nothing to do with Eastern regions and compares these images with examples of Eastern gaze on the same women Through the chapters in this volume readers will discover the similarities and differences in the ways in which women in power were and still are described and decried by their opponents
