Grover, 2023-11-15 This study aims to reassess the literary importance of Drieu La Rochelle focusing on his fiction rather than political or moral judgments Drieu's conception of literature makes it

difficult to entirely separate the artist from the man as his work often intertwines the personal and the political In analyzing Drieu s fiction the complexities and contradictions that emerge from his characters reflect the internal struggles he faced especially in relation to his political stance These nuances often overlooked in traditional political critiques lead to a portrayal of Drieu as a reluctant fascist one who grappled with various human commitments whether in his roles as husband lover soldier or man of letters While critics may point to Drieu s actions as a collaborator during the occupation and his ambiguous stance on antisemitism as evidence of his political commitment this study argues that Drieu s reluctance permeated all aspects of his life including his fascism Drieu s complex character does not easily fit into a simplistic political framework and his ambivalence towards his political ideology speaks to broader contradictions within his personal and artistic identity Coming from an opposing political perspective the study strives to be as objective and understanding as possible placing Drieu s literary works at the forefront of the analysis and offering a nuanced view of his complicated legacy This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1958     *Drieu La Rochelle* ,     **Getting the Love You Want: A Guide for Couples: Third Edition** Harville Hendrix, Ph.D.,Helen LaKelly Hunt, PhD,2019-01-22 The New York Times bestselling guide to transforming an intimate relationship into a lasting source of love and companionship now fully revised with a new forward and a brand new chapter Getting the Love You Want has helped millions of people experience more satisfying relationships and is recommended every day by professional therapists and happy couples around the world Dr Harville Hendrix and Dr Helen LaKelly Hunt explain how to revive romance and remove negativity from daily interactions to help you Discover why you chose your mate Resolve the power struggle that prevents greater intimacy Learn to listen really listen to your partner Increase fun and laughter in your relationship Begin healing early childhood experiences by stretching into new behaviors Become passionate friends with your partner Achieve a common vision of your dream relationship Become the most connected couple you know with this revolutionary guide combining behavioral science depth psychology social learning theory Gestalt therapy and interpersonal neuroscience to help you and your partner recapture joy enhance closeness and experience the reward of a deeply fulfilling relationship     **Reconsidering Boccaccio** Olivia Holmes,Dana E.
