Prevention of Intimate Partner Violence Sandra Stith, 2013-04-15 Stop intimate partner violence before it starts Intimate partner violence touches everyone With more than 1 million cases reported each year this pervasive social problem has devastating effects on victims families and communities Prevention of Intimate Partner Violence presents a comprehensive overview of the wide range of efforts and approaches that have been successful in preventing physical emotional and verbal abuse A growing frustration with the limits of therapeutic intervention and with the costs imposed on society by intimate partner violence has created a need for greater emphasis on state of the art prevention programs that really work Prevention of Intimate Partner Violence addresses the challenges of conducting and evaluating such programs gaps that exist in programming and research and future trends in those areas A panel of domestic violence experts researchers and healthcare professionals examines how to change the ways individuals and the current health care system think about and respond to intimate partner violence how to change the ways young people deal with anger in intimate relationships and the ways society can support families to reduce the occurrence of violence in intimate relationships Prevention of Intimate Partner Violence examines identifying risk factors the cost benefit of universal and targeted programs the effectiveness of parenting stress management and substance abuse programs community capacity theory community

development social networks media and public awareness campaigns healthcare screening programs and much more

Prevention of Intimate Partner Violence documents the effectiveness of prevention interventions encouraging prevention specialists to use evidence based interventions to enhance the effectiveness of their own work This powerful book is an invaluable professional resource for social workers family life educators researchers and practitioners **The Continuum Complete International Encyclopedia of Sexuality** Robert T. Francoeur, Raymond J. Noonan, 2004-01-01 A completely updated one volume edition of the 4 volume International Encyclopedia of Sexuality Includes nearly 60 countries and places 12 not previously covered by more than 200 authorities It is the only reference work of its kind in any language **Intimate Partner Violence and Advocate Response**, Melissa Beske, 2016-04-21 Intimate Partner Violence and Advocate Response Redefining Love in Western Belize offers new insight into the cross cultural analysis of gender based intimate partner violence by blending activist anthropology with in depth ethnographic research to evaluate and help ameliorate the crisis in Belize Drawing from twenty months of fieldwork in the Belizean Cayo District conducted between 2002 and 2013 Melissa A Beske investigates the prevalence and complexity of partner abuse the contributing cultural and structural factors and the advocate dynamics across local national and transnational frameworks in combating the problem Combining enlivened narratives comparative viewpoints and scholar activism this book not only illustrates the lived suffering of partner abuse in Cayo but it also engages with the passionate commitment of survivors and supporters as they endeavor to create a more equitable and peaceful community In doing so it demonstrates an effective strategy for the interdisciplinary assessment of gender based abuse which satisfies demands for theoretical impartiality while simultaneously enabling researchers to take an ethical stand in social causes **New York Magazine**, 1991-03-11 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *A Parent-Partner Status for American Family Law* Merle H. Weiner, 2015-09-17 Despite the fact that becoming a parent is a pivotal event the birth or adoption of a child has little significance for parents legal relationship to each other Instead the law relies upon marriage domestic partnerships and contracts to set the parameters of parents legal relationship With over forty percent of American children born to unwed mothers and consistently high rates of divorce this book argues that the law s current approach to regulating parental relationships is outdated A new legal and social structure is needed to guide parents so they act as supportive partners and to deter uncommitted couples from having children This book is the first of its kind to propose a new parent partner status within family law Included are a detailed discussion of the benefits of the status as well as specific recommendations for legal obligations **Journal of the American Medical Association**, 1925 Includes proceedings of the association papers read
