Living Dangerously Shawn D. Anderson, 2010-02-01 Too often Christ followers are content to live inside the church walls with other Christians Jesus calls us to shatter our comfort zones and dangerously share the love we have found in him with people whose lives are characterized by brokenness self sufficiency emotional poverty and rejection Discipleship is the process of intentionally and thoughtfully introducing the grace of Jesus to these people so that their hearts will bulge with love their souls will brim with life and their faces will brighten with light as they come to intimately know him How is this accomplished In these pages unbelievers who became disciples of Christ reveal what factors influenced them to follow Jesus The research revealed that discipling is an intentional process that is most effective when our lives reflect the character of Jesus The author explains discipleship as a relational process that can be understood and effectively accomplished by virtually any follower of Jesus

Useful Wisdom Anthony B. Robinson, 2020-03-18 We've got a list of questions issues stuff we're dealing with We want your input your thoughts on this stuff Such were the origins of this little book Two young clergy early in their first call imagined that I might have some useful wisdom to pass on based on my own years in ministry Something like this was once standard preparation Young people learned a profession like law ministry or medicine by apprenticing themselves to one seasoned in the practice Not only has that way of learning largely vanished but we now live in times of increasing segregation and suspicion between different generations Still these two millennials bucked the trends They thought they might have something to learn from an old boomer The result is this collection of letters personal wry direct and honest Full of both hope and realism about the church and ministry This collection will be a welcome companion for young and for many not so young clergy trying to get a handle on ministry in the midst of a time that is full of change and challenge

Embodying the Way of Jesus Ted Grimsrud, 2007-01-15 The Anabaptist tradition originating as part of the sixteenth century Protestant Reformation has from its beginning presented an

alternative approach to Christian faith Jesus centered Anabaptist convictions such as pacifism simple living and community remain of vital concern for twenty first century Christians Embodying the Way of Jesus Anabaptist Convictions for the Twenty First Century traces the origins and historical expressions of Anabaptist faith and then suggests ways Anabaptist convictions speak to our contemporary world Ted Grimsrud proposes a fourfold approach to interpreting Anabaptist theology considering themes from the Bible from the tradition s history from present experience and from envisioning a hopeful future What emerges is an engaging portrait of a living tradition that speaks with urgency and relevance to a world badly in need of a message of peace

My Mother My Friend Forever Betty Gonzales,2009-02 In May 2004 I began a morning ritual of sending out devotionals The devotionals were sent via electronic mail as a source of encouragement

inspiration correction hope and admonishment Within the course of six months my distribution list had grown from ten people to twenty five people Each morning while faithfully having a hot cup of coffee the devotionals were distributed As a result of sending the devotionals it was consistently communicated how helpful insightful and inspirational they were They became so helpful that the majority of the recipients began to forward them to their family and friends which in turn grew the distribution list even greater Over the course of the following year since the inception of the first morning devotional it was spoken out the mouths of two or three witnesses that there should be a publication of the devotionals After much consideration I present to you a collection of daily devotionals that come straight from my heart to you Many of the devotionals were birthed out of my own life experiences Some of them were very painful bitter tough life experiences But thank God as a result I present *Unleavened A Collection of Daily Devotions* It is my prayer that these devotionals serve as a source of encouragement inspiration correction and motivation for your life and that more abundantly *Daily Gifts of Hope* Women of Faith,2012 The gifts of hope in this daily devotional will guide you to give your whole heart to God reach out to Him for help put away sin and refuse to entertain evil in your home Introduction Speaking of a Personal God Vincent Brümmer,1992-11-05 This short work written by an influential philosopher of religion shows how systematic theology is itself largely a philosophical enterprise *Courageous Hope* Dr Charisse le Roux,2020-08-01 In *Courageous Hope* Dr Charisse le Roux is teaching hope in a practical honest and real way It takes us all back to the Godly standard that we know in our heart of hearts to be right She is bringing wisdom grounded in the Word and the Holy Spirit on how to do life with God and with each other with excellence *Courageous Hope* will encourage you to live your greatest life as God intended it for you Pastor Gary and Rhona Kieswetter Founders and Senior Leaders Die Bron Church Tygervally While reading through these daily devotions in *Courageous Hope* I could personally relate with each one Embedded in the simplicity of each message I found a nugget of pure gold The value thereof is without measure and will be a blessing to everyone who read it May the blessings of our Heavenly Father be with this precious book Author Hephzibah Maritz Tygervally **A Treasure Hid in a Field** Christopher Wallace,2018-07-19 Are you considering Catholicism and find it difficult to accept certain Catholic teachings Do you frequently struggle with explaining Catholicism to people who often use Scripture to challenge your faith Are you currently Catholic and are struggling with the temptation to leave the Catholic Church Are you trying to understand more about the Catholic faith If so *A Treasure Hid in a Field* is for you This book contains a thorough overview of Catholicism which helps the reader sort through the many theological differences between Catholicism and Protestantism and helps the reader to come to a greater theological understanding of Catholicism Therefore *A Treasure Hid in a Field* is an overview of Catholicism written from the perspective of a minister converting from Protestantism to Catholicism The focus is upon explaining how I had served as a Protestant minister for twenty years but came to the knowledge of the fullness of the truth where I had never anticipated The purpose of the book is to help those who may be following my same journey those who

may already be Catholic and need help in responding to common objections to Catholicism presented by Protestants individuals who may be struggling with the temptation to leave the Catholic Church or those who may simply be seeking to learn more about the Catholic faith The overall theme of this book is based on the two ways theme found throughout Scripture applied to Catholicism and Protestantism During my conversion process I often found myself facing the choice between two paths which always resulted in the path toward Catholicism Even the topics included in this book that were not a particular crossroads in my journey are presented in the same format for the sake of those to whom a particular doctrine might serve as a challenge Therefore each chapter is presented as a question or a choice between two ways which for me resulted in my conversion from Protestantism to Catholicism *Hell Is Being Republican in Virginia* David Goetz,2012-06-05
