Remarriage Reality:

Remarriage Reality Elaine Mynatt, 1984 This is a general guide for married and remarried families for adults who may be approaching a remarriage situation and for application in other personal relationships **The Remarriage Checkup** Ron L. Deal, David H. Olson, 2011-05 RELIGION BELIEFS It's Time for a Relationship Checkup Getting routine physicals and dental checkups is essential to your health And your car needs a regular oil change But what about your relationship Dating and married couples rarely if ever do a checkup on their relationship But the sooner you identify problems and find ways to resolve them the easier it will be to create a strong future And the sooner you discover your relationship strengths and build on them the deeper and more intimate your relationship will be Each chapter of *The Remarriage Checkup* explores one of the key qualities of happy remarriage relationships Like a GPS device for your relationship this book has a GPS Couple Positioning System and built in discussion questions that can help you and your partner discover where you are where you'd like to be and how to get there *The Remarriage Book* Peter K. Gerlach, MSW, Peter K. Msw, 2003-04-14 Note links below will take you articles and resources in the nonprofit Break the Cycle Web site formerly Stepfamily Information Use your browser's back button to return to Xlibris.com Love is not enough Typical new stepparents and bioparents co-parents usually find that building a multi-home stepfamily is unexpectedly confusing and conflictual Most recent stepfamily literature estimates that over half of American co-parents who attempt re-marriage after divorce or mate death ultimately re-divorce psychologically or legally despite their love maturity commitment and experience The notes that it may be a stepparent's first union This unique guidebook results from 27 years research into why so many U.S. couples re-divorce It appears that there are five factors that combine to often defeat love's brightest dreams unseen psychological wounds from childhood in stepfamily adults and kids and blocked grief from two or three major sets of losses in some co-parents and/or stepkids and co-parent unawareness of a their inner family of sub-selves and related psychological wounds b healthy grieving basics c vital parenting and relationship skills and d stepfamily realities and These factors and high neediness causing one or both partners to commit to wounded unaware people mate ex-mate stepkids for the wrong reasons at the wrong time and Little informed co-parent support available in the media and their community My work as a stepfamily therapist since 1981 suggests that courting and re-married partners can work patiently at 12 Projects together to overcome these five re-marital hazards and forge a strong nourishing re-marriage *Marriage, Divorce, and Remarriage* Katherine P.H. Young, Anita Y.L. Fok, 2005-05-01 Although the ideal of companionate marriage has gradually been established in Hong Kong demographic trends from the 1980s reflect greater marital and family instability In the years to come adult fulfilment is likely to be found in various ways through marriage divorce remarriage or the single state Each of these has its own potentials tensions and prospects for growth and development Each offers different though viable life styles through which people can develop in adulthood These trends call for a rethinking of marriage and of our expectation that marriage and the family bond will

continue to serve as the relational context of adult living This collection on marital work offers the means to rethink marriage by examining the ways husbands and wives cope with the demands and dilemmas of their relationship from diverse parenting forgiveness coping with childhood abuse infidelity disenchantment and distancing to uncoupling in divorce and re coupling in remarriage Each chapter addresses aspects of these issues with a focus on the recovery reinvention and reconstruction of the self to meet the many challenges arising from the relationship and from life circumstances

Divorce and Remarriage H. Wayne House,1990-04-20 Editor H Wayne House introduces a lively debate on varying Christian views of divorce and remarriage Contributors include J Carl Laney William Heth Thomas Edgar and Larry Richards

Remarriage after Divorce in Today's Church Zondervan,2009-12-15 Despite a strong belief in the institution and sacredness of marriage studies show that Christian spouses experience divorce at least as much as the secular population But whatever the reasons for a divorce beyond the divorce itself many Christians want to know does the Bible support remarriage The fact is that no consensus exists among evangelicals on their views of remarriage leaving many Christians confused This Counterpoints volume explores the biblical and practical cases for the three main evangelical views on remarriage after divorce Remarriage is not acceptable after divorce defended by Gordon J Wenham Remarriage is acceptable only after adultery or desertion defended by William A Heth Remarriage is acceptable for a variety of reasons defended by Craig S Keener Each of the three contributors offers his point of view succinctly and with biblical support and each interacts with the others to help readers come to their own conclusions The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

Remarriage L. Messinger,1984-08-31 A family counselor explores the hardships of a new lifestyle which often accompany remarriage and suggests ways of overcoming the conflicts that frequently result from divorce remarriage and stepparenting

A Biblical Study of Divorce Dale Fisher,2004-08 Having been taught the strict Traditional View the author studied the Scripture and concluded that this view is lacking both biblically and in practice as are the Traditional Dissolution Divorce the Betrothal and the Consanguinity views Studying all the pertinent passages the author adopted what he calls the More Liberal Dissolution Divorce View The two testaments teach the same view on divorce and remarriage with one exception The New Testament passages of Jesus and the Apostle Paul are interpreted in harmony with Greek grammar and the meaning of words The author concluded that the divorce teaching of Scripture is addressed only to believers and that it is time to stop the hypocrisy fostered by the other views of professing a certain belief but not daring to implement that belief in practice The author knows of no study in print that reaches these important conclusions

Divorce and Remarriage William P. Roberts,1990 The University of Dayton sponsored a national symposium to discuss the topic Divorce and Remarriage Religious and Psychological Perspectives This book contains the major papers presented at that symposium This book will aid those

Divorce & Second Marriage Kevin T. Kelly, 1997 A substantial challenge facing the Church today is to help young married couples grow in the attitudes and skills needed to take seriously the indissolubility of their marriage In a sense Kelly contends young couples must begin to realize that they have to create the indissolubility of their own marriage if it is to exist Kelly also suggests that the Church should develop an effective theology of pastoral care for those who have been through the trauma of marriage breakdown While remarriage is not a panacea for everyone wounded in this way for some it brings real healing and new life This new edition contains a new introduction and a substantial new Appendix containing a rich collection of articles and book extracts related to divorce and remarriage in the Church A useful and informative resource for those who minister to the married divorced and remarried within the faith community Restored and Remarried Gil and Brenda Stuart, 2009-11-11 Gil and Brenda deliver a fresh style of encouragement to this ever growing population in society the blended family Willing to speak the obvious from their own step family adventure the Stuarts share heart to heart as they walk the walk Because 60% of remarriages end within the first two years it is vital to encourage and equip these marriages with practical applications Bringing together different traditions rules and personalities from two different families into one home is tough This is no cake walk but it can work and work quite well It takes trust honesty and commitment to the stepfamily process with a no turning back attitude The process of leaving a healthy strong legacy for remarried couples and their families is what Restored Remarried is all about R R s message is If you ain t got the marriage you ain t got nothin
