God's World of Wonder and Delight

SCOTT HOEZEE

"Scott Hoezee offers a refreshing new twist to the discussion on the environment. Shouldn't we care by simply enjoying creation and honoring it for what it is? With illustrations both biblical and personal, Hoezee makes a compelling case."

**Remember** Susan Robb, 2023-12-19 Remember the God who remembers us God's covenants throughout the Old Testament show the character of God's promises to the people of Israel In this book Susan Robb leads readers through the covenants with Noah Abraham Moses and David followed by the new covenant established on Maundy Thursday The Lenten story culminates with an examination of the cross as another example of God's promise for a new world Susan Robb teaches readers the basic lessons of the covenants through a mixture of biblical history and personal stories Her pastoral character and warm tone provide a basis for understanding God's promises through history and the role of Jesus's passion and crucifixion in the history of the covenants Remember can be read alone or used for a six week group study and church wide Lenten program Components include a comprehensive Leader Guide and video teaching sessions featuring Susan with closed captioning

*Remember Creation* Scott Hoezee, 1998 Why is it that many Christians find a theological scientific debate about creation's ancient origins far more engaging than a speech about how to live responsibly in the creation today Are we more fascinated by academic debates that focus our gaze on what happened long ago than by the hands on discussions that focus our gaze on the world of wonders outside our windows right now In *Remember Creation* Scott Hoezee challenges readers to make today's world more central to the Christian faith by enjoying and preserving God's cosmos as a part of daily discipleship Solidly grounded in a wealth of Scripture passages this book reveals God's ecology of praise which all Christians should want to explore and preserve Throughout the book Hoezee also offers suggestions to help congregations families and all Christians to take more delight in God's world while working to keep alive the wonders that bring God joy Scott Hoezee adds a refreshing new twist to the discussion on the environment Shouldn't we start by simply enjoying creation and honoring it for what it is With illustrations both biblical and personal Hoezee makes a compelling case Philip Yancey

Remembering and Repeating Regina M. Schwartz, 1993-03 Regina Schwartz presents a powerful reading of *Paradise Lost* by tracing the structure of the poem to the pattern of repeated beginnings found in the Bible In both works the world order is constantly threatened by chaos By drawing on both the Bible and the more contemporary works of among others Freud Lacan Ricoeur Said and Derrida Schwartz argues that chaos does not simply threaten order but rather chaos inheres in order

Living in the Lamblight Hans Boersma, 2001-01-08 In recent decades many fundamental Christian assumptions about the nature of God and the world have come under attack No longer can one assume even in many church circles that historic Christian beliefs about the Trinity and providence are generally accepted or understood Scientific knowledge and new technologies have also presented challenges for the church How for example should Christians understand the ecological crisis And how should the opening chapters of Genesis be understood in an age of genetic research and evolutionary science This collection of essays attempts to chart a faithful path for postmodern Christians exploring the foundational ideas and concepts of a Christian worldview and suggesting their implications for Christian living today Contributors Hans Boersma John Cooper Marva J Dawn Michael W Goheen Christopher D Marshall Arnold E Sikkema John G Stackhouse Jr Rikki E Watts John R Wood

**God's Big Idea** RosAnne Corakay Tetz, 2003 The author starts with God's plan to create a new world and guides the child through the six days of Creation and ends up with God's plan for a new earth In between children solve many of life's lesser mysteries do fish sleep and think about a few of the greater ones why am I here And every fascinating fact about the world we live in becomes a doorway to big truths about life XXVI *Sermons (never Before Publish'd) Preached by ... **Dusty Earthlings** John Mustol, 2018-01-01 The Lord God formed a man from the dust of the ground Genesis 2:7 Made of dust we humans are thoroughly physical beings We are dusty earthlings As such we are also ecological beings or rather eco physical beings firmly embedded in and dependent upon God's earthly ecosystems which support and provide for us and constitute our earthly home Today we are living in ways that are damaging our home As Christian dusty earthlings we are called to oversee God's earthly creation and to follow Jesus Christ God incarnated as a dusty earthling How do we do this in the face of the array of ecological problems we face today How can we obey the ecological principles and limits that govern all of life on God's good earth Mustol argues that the virtues of humility voluntary self limitation and the principles of kenosis and justice will help as we seek to follow Jesus as dusty earthlings in today's world

**The Great Falling Away Volume II** Adrian Salupo, 2008-07-03 Sub titled Anti Christ Babylon and the Bride of the Lamb Volume II of our Great Falling Away series details the three levels of faith in the world together with their commensurate three worldviews These worldviews are inextricably inter twined with mankind's concepts of mortality immortality and eternity as men exercise or don't exercise their God given faith and conscience In revealing the precepts of a biblically defined faith we also unveil the nature and characteristics of anti Christ Babylon and the Bride of the Lamb the three protagonists in all of the world's conflicts And the world's conflicts are coming to a crescendo as we approach the full harvest of the first resurrection and its attendant soon following wedding feast of the Lamb in the heaven of God soon after followed by the establishment of the kingdom of God on earth for one thousand years under the Kingship of Messiah Yahshua Jesus the Christ of Nazareth

Janssen,2022-08-01 Reach for the Stars is the memoir of the twenty first century mystic Mark Janssen Here he describes his earliest memories of conversations in his crib with God Mary Jesus and angels and saints Originally from a small rural town in the Upper Midwest Mark was raised in a traditional Catholic family This book talks about how he was strongly discouraged from pursuing the development of his unfolding mystical abilities even as a small child It was from his maternal grandmother that he learned he was descended from many generations of mystics She taught and encouraged Mark to always be in contact with the angels His grandmother instructed him to always listen to them and to God Here we read how the author grew into adulthood with the spiritual guidance of his guardian angel St Michael the Archangel With Michael s assistance Mark learned about many different sorts of angels good and evil Unexpectedly while still in high school Michael and the angels worked with him on his first exorcism We read about Mark s surprise that others around him did not communicate with God angels and demons How he saw the spirits of those buried in the cemetery behind his childhood home How Mark carried his mystical gifts with him into adulthood We read about his experiences as an ordinary member of society and during his time as a Benedictine monk Along with using the gifts we normally associate with psychics Mark has found himself performing spirit clearings exorcisms and healings He has spoken to people one on one and in large groups about his experiences as a mystic Mark Janssen has written Reach for the Stars to assure others that their paths through life are always with the love and companionship of their guardian angels As a mystic child he was greatly blessed to have his grandmother to support him He wishes to offer that same reassurance to children and adults His belief is that we can all see God and our guardian angels This is one man s story of how it came to be for him      **Biblical Holism and Agriculture (Revised Edition)** David J.
