## **Remember Remember The Selected Stories Of Winifred Holtby:**

**Remember, Remember!** Winifred Holtby, Marion Shaw, Paul Berry, 1999 This selection of Winifred Holtby's short stories is drawn from her two published volumes TRUTH IS NOT SOBER and PAVEMENTS OF ANDERBY which were published posthumously by her two friends Vera Brittain and Hilda Reid and have been collected here in one volume for the first time. Brightly written in an unselfconscious matter of fact style these stories are irreverent and entertaining fulfilling what she saw as the short story's purpose in a reader's life: nice for chance guests easy to pick up and more tantalising for one's bedside than a novel. Many of these stories are autobiographically based and feature the Yorkshire farming community in Rudston where she was brought up. This was the setting for her most famous novel SOUTH RIDING also published posthumously. Some of the stories relate to the last years of her life when she was contending with the incessant headaches and nausea of Bright's disease. *Winifred Holtby, "A Woman In Her Time"* Lisa Regan, 2009-12-14 Winifred Holtby *A Woman In Her Time* Critical Essays brings together for the first time a range of scholarly perspectives on one of Britain's best loved regional authors. Remembered for her vivid portrayal of 1930s rural Yorkshire in her final novel *South Riding* 1936 and for her friendship with Vera Brittain Winifred Holtby 1898-1935 has become a key figure for those interested in British literature politics and culture between the wars. Epitomising the professional independence and political passion which we have come to associate with the newly emancipated women of her era Holtby's was a life devoted to myriad causes and directed to the pressing issues of her day. With fresh perspectives on Holtby's better known novels alongside new critical forays into her short stories drama journalism and historical writing *Winifred Holtby A Woman In Her Time* sheds new light on a woman who not only spoke out in support of feminism peace and racial equality at a time when fascism and war loomed but who also shared with us her views on a wide spectrum of topical concerns from Virginia Woolf D H Lawrence H G Wells psychology spinsters mothers and the BBC to her delight in clothes films and village gossip. *Winifred Holtby's Social Vision* Lisa Regan, 2015-10-06 Winifred Holtby 1898-1935 is best known today for her friendship with fellow feminist and pacifist Vera Brittain and for her last novel *South Riding*. This is the first monograph to provide a literary criticism of Holtby's social philosophy and presents in depth readings of all her major works as well as some of her less well known writing. **The silent morning** Trudi Tate, Kate Kennedy, 2016-01-04 This is the first book to study the cultural impact of the Armistice of 11 November 1918. It contains 14 new essays from scholars working in literature music art history and military history. The Armistice brought hopes for a better future as well as sadness disappointment and rage. Many people in all the combatant nations asked hard questions about the purpose of the war. These questions are explored in complex and nuanced ways in the literature music and art of the period. This book revisits the silence of the Armistice and asks how its effect was to echo into the following decades. The essays are genuinely interdisciplinary and are written in a clear accessible style. *The Clear Stream* Marion Shaw, 2012-01-19 Winifred Holtby was a prolific journalist and writer whose most famous work *South Riding*

is on many university courses She was an active campaigner for several progressive causes during the inter war period such as pacifism feminism and most important to her racial equality and harmony in South Africa She was the subject of Vera Britain's Testament of Friendship She was essentially a woman in her time and yet could also be seen as an index to many of the progressive movements which were around in the pre war days and in this sense she was indeed a clear stream Written in a wonderfully accessible style interspersed with excellent research as well as warmth from one born in the same district as Winifred herself this is the definitive biography of a woman ahead of her time *Modernism and Physical Illness* Peter Fiffeld, 2020-07-08 T S Eliot memorably said that separation of the man who suffers from the mind that creates is the root of good poetry This book argues that this is wrong Beginning from Virginia Woolf's *On Being Ill* it demonstrates that modernism is on the contrary invested in physical illness as a subject method and stylizing force Experience of physical ailments from the fleeting to the fatal the familiar to the unusual structures the writing of the modernists both as sufferers and onlookers Illness reorients the relation to and appearance of the world making it appear newly strange it determines the character of human interactions and models of behaviour As a topic illness requires new ways of writing and thinking altered ideas of the subject and a re examination of the roles of invalids and carers This book reads the work five authors who are also known for their illness hypochondria or medical work D H Lawrence Virginia Woolf T S Eliot Dorothy Richardson and Winifred Holtby It overturns the assumption that illness is a simple obstacle to creativity and instead argues that it is a subject of careful thought and cultural significance **Modern British Women Writers** Vicki K. Janik, Del Ivan Janik, 2002-11-30 The 20th century witnessed several major cultural movements including modernism anti modernism and postmodernism These and other means of understanding and perceiving the world shaped the literature of that era and with the rise of feminism resulted in a particularly rich body of literature by women writers This reference includes alphabetically arranged entries on 58 British women writers of the 20th century Some of these writers were born in England while others such as Katherine Mansfield and Doris Lessing came from countries of the former Empire or Commonwealth The volume also includes entries for women of color such as Kamala Markandaya and Buchi Emecheta Each entry is written by an expert contributor and includes an overview of the writer's background an analysis of her works an assessment of her achievements and lists of primary and secondary sources The volume closes with a selected general bibliography **Remember, remember** Holtby, Winifred, 2011-01-15 Diez relatos sobre mujeres en distintas etapas de la vida y diferentes opciones La prosa de Holtby se desarrolla sin sentimentalismo en beneficio de la complejidad y el análisis de sentimientos y pasiones contenidas pero muy poderosas Sus cuentos están repletos de comprensión y conocimiento de la psicología femenina y sus trampas Una variedad de estilos los recorren sirviéndose de puntos de vista narrativos a menudo sorprendentes En esta selección realizada y traducida por Gora Zaragoza Holtby escenifica el final de una etapa y el comienzo de una nueva era en la posición de las mujeres Frente a las mujeres obsesionadas con preservar y transmitir el legado de una poca pasada Holtby opone a esas

protagonistas un grupo de mujeres reivindicativas libres con voz propia y m s poderosas como ocurre en los relatos Los acreedores La justicia de la reina o La mujer engañada A reseñar por su agudeza la implacable actitud de la anciana de Acordate que da título al libro
