Frank Jacob, Sebastian Kunze

Remember To Dream A History Of Jewish Radicalism:

The Radicalization of European Jews in the US Metropolis Frank Jacob, 2024-08-19 During the late 19th and early 20th centuries many Jews from Central and Eastern Europe arrived in New York City where they did not only find a new home but far away from their shtetl origin the new members of the American society also began to politically radicalize There has been a discussion in the literature related to the field where how and why the Jewish population radicalized This study analyses two waves of radicalization one related to the American environment that is responsible for the described process at the end of the 19th century one related to the developments in Eastern Europe during the early decades of the 20th century For both radicalization processes this book compares the reasons elements and aims of those who join radical movements to show that there is a transatlantic perspective that links both processes to each other **Remember to Dream** Robert Wolfe, 1994

Jewish Radicalisms Frank Jacob, Sebastian Kunze, 2019-12-16 Jewish radical thoughts and actions can be described in a variety of terms and dimensions This volume wants to survey Jewish radicalism and present different approaches on this global historical phenomenon It is focused on the 19th and 20th century and tries to grasp the manyfold Ideas of Jewish radicalism and thereby it approaches the term Jewish radicalism from different perspectives and wants to extend the understanding of this phenomenon **Emma Goldman and the Russian Revolution** Frank Jacob, 2020-11-23 What impact did Bolshevik rule have on Emma Goldman's perception of the Russian Revolutions of 1917 and why did she change her mind going from defending the Russian Revolution to becoming a crusader against Bolshevism The Russian Revolution changed the world and determined the history of the 20th century as the French Revolution had determined the history of the 19th century Left wing intellectuals around the world greeted the February Revolution with enthusiasm as their hope for a new world and social order and the end of capitalism seemed close However the joy did not last long as the ideals of February 1917 were replaced by the realities of October 1917 and Lenin crushed the revolution during the following Civil War Emma Goldman a famous Russian born American anarchist was one of the intellectuals whose admiration for the revolution turned into frustration about its corruption Emma Goldman and the Russian Revolution discusses her evolving perception of the revolution between 1917 and the early 1920s The analysis of such an intellectual transformation process provides a case study of intellectual and revolutionary history alike adding a closer reading to the research about the famous American anarchist Emma Goldman her transnational life and her role as a revolutionary intellectual *Jews and the Left* P. Mendes, 2014-05-20 The historical involvement of Jews in the political Left is well known but far less attention has been paid to the political and ideological factors which attracted Jews to the Left After the Holocaust and the creation of Israel many lost their faith in universalistic solutions yet lingering links between Jews and the Left continue to exist A History of Modern Jewish Religious Philosophy Eliezer Schweid, 2019-02-19 The culmination of Eliezer Schweid's life work as a Jewish intellectual historian this five volume work provides a comprehensive interdisciplinary account of the major thinkers and

movements in modern Jewish thought in the context of general philosophy and Jewish social political historical developments with extensive primary source excerpts Volume Three The Crisis of Humanism commences with an important essay on the challenge to the humanist tradition posed in the late 19th century by historical materialism existentialism and positivism This is background for the constructive philosophies which sought at the same time to address the general crisis of moral value and provide a positive basis for Jewish existence Among the thinkers presented in this volume are Moses Hess Moritz Lazarus Hermann Cohen in impressive depth with a thorough exposition of the Ethics and Religion of Reason Ahad Ha Am I J Reines Simon Dubnow M Y Berdichevski the theorists of the Bund Chaim Zhitlovsky Nachman Syrkin and Ber Borochov

Busky, 2002 Busky explores the history of European communist parties and governments the neo Marxist philosophers and why Marxism ultimately fails to explain history He presents a pluralist alternative to Marxism the democratic philosophy of history and goes farther than many in applying developmental psychology for an understanding of human history Busky begins with a thorough exploration of the history of Eastern and Western European Marxist Leninist parties and governments from their beginnings to the present He also explores the largely European neo Marxist philosophers and their theories Then he demonstrates why Marxism ultimately fails as a theory to explain history due to its monist emphasis on economic determinism The volume presents an alternative pluralist conception of history and he goes further than most analysts in using insights from the field of developmental psychology to explain by analogy human political economic change A thorough synthesis that will be of interest to scholars students and the general reading public interested in Marxism and modern European history **Humanistic Judaism**, 1995 **Jewish Currents**, 2003 Jews in Early Modern Poland Gershon David Hundert, Institute for Polish-Jewish Studies (Oxford, England), 1997 Core essays cover developments within the Jewish community and also its contacts with Polish society to show how Jewish society flourished without being insular **Die Fiktion von der jüdischen Weltverschwörung** Eva Horn, Michael Hagemeister, 2012-10-30 Unter dem Titel Protokolle der Weisen von Zion ist eine Schrift bekannt die die Juden bezichtigt auf konspirativ subversive Weise nach der Weltherrschaft zu streben Entstanden um 1900 dürften die Protokolle das noch immer am weitesten verbreitete Dokument des modernen Antisemitismus sein Bis heute sind die genauen Umstände ihrer Entstehung ungeklärt Vor allem die Fragen wer an der Abfassung beteiligt war und welche Absichten dabei verfolgt wurden sind noch immer offen und Gegenstand weitreichender oft phantastischer Spekulationen Aktuell erzählt Umberto Eco in seinem Roman Der Friedhof in Prag eine fiktive Version der Fälschungsgeschichte Die hier versammelten Essays präsentieren neue Erkenntnisse zur Herkunft und Verbreitung der Protokolle Es werden bislang vernachlässigte Aspekte des ominösen Textes untersucht seine Resonanzen mit politischen Utopien aber auch mit den Verschwörungstheorien des 19. Jahrhunderts die Verwendung der plagiierten Quellen und sein Status als Plagiat und nicht zuletzt die Struktur eines Textes der zwar viel zitiert aber selten gelesen wurde Mit Beiträgen von Carlo Ginzburg Stefan Gregory Richard S.
