*Remember Me* Don Richter, 2008-09 Where is that boy Zemirah thought as she began to clean his room This one she said as she waved her hand palm upward across the room that was in disarray It seems that no matter what I tell him he is going to go his own way Standing up after pulling a small box from under his bed she rolled her eyes toward the ceiling as she spoke God what am I

to do This boy never tells me what he is doing where he is going Sitting down on the edge of the bed she continued He is a mystery to me When I try to talk to him to find out what he is up to he just looks away Secrets I am tired of his secrets Someday I will find out what you are up to she thought as she opened the lid of the box Her heart was troubled as she stared into the box at the three silver coins Where did he get this money she whispered in disbelief It is impossible for him to have this Just then she heard the front door closing and his footsteps coming toward his room When the door opened he looked at his mother who was sitting on his bed with a look of bewilderment in her eyes Then he saw what she was holding in her hands and his heart began to pound knowing what was coming next I can t tell her She must never know he declared in his mind Judas we need to talk his mother said softly as he came over and kissed her on the cheek I invite you to experience through inspirational fiction the life changing events of the cross through the lives of those who were there Give Us This Day Devotionals, Volume 5 Charles Erlandson,2023-01-31 Give Us This Day is a unique daily devotional commentary for the entire New Testament based on the ancient method called lectio divina Lectio divina or divine reading is the method used by the early church and countless Christians through the centuries to read the Scriptures to form and transform the soul more than merely to inform the mind Give Us This Day deals in depth with entire passages and their contexts Rather than selecting only certain portions of the New Testament to write about Fr Charles has written a devotional for each and every passage of the New Testament Fr Charles writes for the whole person he s not afraid to use his sense of humor and he carefully relates the Bible not only to the individual s life but also to the life of the Church At the end of each day s devotional an appropriate Prayer is offered as well as Points for Further Reflection on the day s lesson Each devotional concludes with a suggested Resolution to put into effect what the Spirit has stirred up in the heart of the reader during the course of his reading meditation and prayer **Called into Communion** Susan B. Carole,2013-03-20 This book illuminates the experiential and theocentric dimensions of holiness theology It acknowledges two strands of thought in current holiness theology Wesley s Christian perfection and entire sanctification as propagated in the early days of the American Holiness Movement It honors the contribution of both these strands by identifying the deep harmony in the holiness message of John Wesley and Phineas Bresee Using insights from Wesley and Bresee the author develops a paradigm for holiness theology from the standpoint of its transcendent goal Called into Communion explicates entire sanctification as revelatory and salvific a necessary threshold experience for complete openness to God This approach illuminates the rootedness of holiness theology in the triune fellowship of holy love The communion perspective affirms holiness theology as the underlying theological principle for a missional ecclesiology since participation in God characterizes the church as a doxological fellowship of holy love and determines the church s redemptive action Seminarians and pastors will find in this book a new perspective on the holiness message It extends the horizon of reflection to the grace that seeks out and enables human partners for a transformative fellowship of genuine reciprocity with God Remembering: 25 Years of God's Faithfulness in India Bula Dell

Blanchard,2014-02-04 Maurice and Bula Dell were young Tennesseans called to do big things for the Lord and it would require a lifetime of their reliance upon God's faithfulness Having made the willing yet thoughtful decision to accept God's call they traveled to Burma to begin working as Christian missionaries Events of World War II forced them to evacuate separately not knowing where or when they would ever find each other again Through a series of awe inspiring events God planted them in Ramapatnam South India He used the following years to grow them in ways that would help fulfill His purposes in that part of the world Bula Dell's 1940's American dream of honeysuckle and roses around their front door was traded for beautiful eternal blossoms of new believers at Heaven's door      Encounter Jesus in Genesis (5) Samuel J.

Kim,2023-12-19 I began my expository preaching on Genesis with the proposition that Genesis is the blueprint of the Bible The Words of Genesis contain truths and teachings that encapsulate the Bible Through the lives of the faithful characters in Genesis we can discern what kind of faith pleases God Genesis teaches us in detail how we can obtain salvation and how the righteous who have received salvation should live their lives The chief baker baked three baskets of white bread placing various baked goods on them for the king but he was executed We must believe in the Word of God just as it is written without adding or subtracting from the Word of Truth Anyone who believes in the Gospel of Truth which contains the witnesses of the Spirit the water and the blood and these three agree as one 1 John 5:8 without adding or subtracting from it receives the remission of sins and is born again as a righteous person Also only then can one follow the Word like Abraham did after being born again Being the Words of life the Book of Genesis guides us on the path of righteousness

Remembering the Body Sarah Travis,2025-03-18 Debates about human sexuality have divided the church across denominations The Body of Christ has been wounded by profound theological disagreement Preaching can be a healing balm for those who have been bruised and harmed by these debates This book asks the church to remember its own nature as a Body that has a baptismal identity rooted in the triune God We remember the beauty and value of the human body and we remember that we belong to a baptismal community with a distinctive ethic Sermons are an opportunity to refresh and heal a Body that has been broken by division By affirming sexuality and the body preachers can build toward an affirmation of all sexual identities while making space for those whose theology is not affirming In recovering the body as a focus for preaching this book argues for a more equitable and inclusive understanding of Christian identity      **Cultivating a**

**Contemplative Heart and Becoming a Person of Prayer** Mary Beth Kremski,2025-08-25 Contemplative prayer is primarily about love the love which is God himself Intimate communion with God is the deepest desire of every human heart It's the key to holiness and happiness to peace and purpose But it's purely a gift We can't make it happen We can however dispose our hearts to receive it through God's grace Cultivating a Contemplative Heart and Becoming a Person of Prayer challenges laypeople to pursue the heights of holiness and the depths of contemplative spirituality no less than any clergy or consecrated religious This book explores the various qualities of a contemplative heart and how to nurture them Through this

book you will Learn to love truth and treasure God's will Be helped to hear God's voice and come to appreciate the vital function of a contemplative in the Body of Christ Understand why prayer is so powerful Witness the unexpected victory found in surrender By cultivating a contemplative heart a heart in love with Jesus Christ you can experience a deep interior life filled with an ever growing awareness of the presence of God      *Reading Through Matthew, Encountering God* William Burch, 2010-11 Reading Through Matthew Encountering God is the first book by William Burch He was born in North Hollywood California in 1971 the second of 2 sons born to James and Rosa Burch In 1977 the Burch family moved to Daleville Alabama where the author grew up and later attended Auburn University in Auburn Alabama William served in the United States Army before moving to Texas and completing his Bachelor Degree at the University of North Texas in Denton Texas The author went on to attend Southwestern Baptist Theological Seminary in Fort Worth Texas completing a Master of Divinity Degree William has served in a number of churches as a teacher lay leader and staff member This book fulfills his long held desire and passion for writing In the future the author envisions continuing his ministry in both writing and church ministry God teaches and speaks to people through the Bible This book will teach and inspire Christians to read the Bible and respond with their lives In Reading Through Matthew Encountering God I demonstrate my method of Bible reading journaling and prayer This Dynamic Bible Reading as I call it involves reading a small Bible passage and journaling the believer's interaction with that passage through three distinct sections 1 Scripture Insight the meaning of the passage 2 Application how to apply the meaning to life and 3 Prayer seeking God's guidance in living out what the passage teaches To best draw the meaning of Scripture into our lives we must read it work through its meaning and begin to practice it in life This book helps to develop these skills Once gained I hope each reader will pass this book on to someone else who might benefit from it      **For Your Quiet Meditation** William Flewelling, 2014-12-16 These meditations take a verse from one of the lectionary texts not chosen for preaching for a given service and offer a devotional reflection on the verse often using the context of the entire pericope as described in the lectionary I try to make them worth the while of my readers finding a fairly broad readership among the congregations I served through the years      Doctor John Remembers John Henry Moore, 2023-05-16 This is the story told in nearly two hundred short recollections of a surgeon from a family of surgeons raised in the Arkansas oil country of the Jim Crow South A churchgoer from his childhood he came to a saving knowledge of Christ along with his wife Cathy only in the late 1970s And from that turning point they proved themselves to be choice servants of the Lord in countless ways in John's case as a deacon a surgeon in the Amazon region a denominational and parachurch board member a conference speaker in Eastern Europe a free clinic doctor in Southwest Missouri and a church staff member Along the way he took note of a host of engaging events characters and conversations whether among fellow Air Force doctors on parade with medical colleagues observing a gratifying ancillary effect of defibrillation or in the company of an aunt who introduced him to Roy Rogers and Stan Musial There was even an Elvis sighting The book is rich in

theological ecclesiological missiological familial sociological psychological and medical narratives and observations      **Feed My Shepherds** Flora Slosson Wuellner, 2005-12-01 A church member has just lost a parent Another member is scheduled for surgery Yet another member is having marital problems Just another day in the life of a congregation Church leaders both clergy and lay give immeasurable comfort and nourishment to those in need But it sometimes leaves them drained stressed and wounded Feed My Shepherds addresses the struggles and burnout experienced by those in caregiving ministries and offers practical tips for practicing healthy spirituality While all Christians need nurture the active leader who encounters spiritual and emotional stress daily has special urgent needs writes Wuellner If the shepherd is not fed along with the sheep that inner hunger and fatigue those unhealed hurts can cause the shepherd to do great unconscious harm to those within his or her care By looking at the intense healing relationship between the risen Jesus and his disciples Wuellner offers a paradigm of healing for today's disciples as well She draws on scriptures from the Gospels post Resurrection narratives and adds spiritual reflections personal questions and guided meditations that can meet a variety of needs      *Genocide Prophecy* Dr. Brian Haack, 2023-05-05 What if modern bureaucrats led our country toward a genocidal end which rivaled history's most wicked regimes What if Christians helped them do it And what does any of this have to do with autism This book demonstrates how U S policy and social evolution has followed a trajectory eerily like the one which seated the Nazis and how Germany's most notorious human rights abuses began with violating the human rights of children with disabilities like autism Evidence suggests that Germany's Christians unwittingly contributed to their catastrophic outcomes by remaining silent when speaking out might have made a difference Today we see a growing trend of abuse against vulnerable people in the USA and like Germany's Christians we are not speaking out It seems that without intelligent Christian opposition the creep toward genocide in the USA has begun We are now seeing the first indications of a genocidal tyranny which infected Germany now appearing in the USA It could soon grow up to overshadow the world's memory of Nazi Germany but there is hope This book offers biblically sound research based evidence which intelligently refutes popular anti biblical views on history philosophy and science It also offers new possibilities for the discovery and defeat of prejudicial attitudes that have divided human populations for centuries In these pages the reader will find renewed confidence in the reliability of the scriptures while discovering the Bible's relevance to topics like genetics and DNA the origins of human life and the seat of human rights Finally the reader will understand why these Christian perspectives matter to all people everywhere regardless of their personal religious inclinations      **The Spirit Said Go, Second Edition** Mark Wilson, 2020-04-08 God's got a plan for your life is an aphorism frequently heard by Christians But how do you discover that plan The Spirit Said Go is designed to help believers find God's will Using Paul's journeys in Acts as examples Wilson discusses twenty lessons on guidance drawn from these journeys Using his firsthand experience traveling along these routes in the Eastern Mediterranean he reads between the lines offering additional insights into Luke's account He also provides important geographical and

archaeological information to illustrate Paul's world among the Jews, Greeks, and Romans. Wilson then illustrates each lesson with autobiographical vignettes drawn from his own spiritual pilgrimage of over forty years as a follower of Jesus. Friends and colleagues also share stories of similar experiences of guidance. Each chapter ends with reflection questions that help the reader integrate the lesson into Christian living. The volume offers an inductive Bible study combined with practical spiritual insights regarding how God guides his people then and now.

**Cultivating an Evangelistic Character** Christopher James Schoon, 2018-04-24 This project explores the relationship between worship, discipleship, and evangelism within the missional church movement. Engaging contributions from liturgical theology, Christian ethics, and post-Christendom evangelism, the book proposes a missional approach to worship that when integrated with a praxis-oriented discipleship, cultivates Jesus' character among God's people. Along the way, the project attends to the Holy Spirit's transformative presence, the liturgical rhythms of remembering and anticipating, and the practices of hospitality and compassion. In the end, *Cultivating an Evangelistic Character* contends that the Spirit works through the integration of worship and discipleship to form God's people. In other words, God's people become evangelistic, or as Newbigin said, the hermeneutic of the gospel.

*Remembering a Dream* Francis J. Moloney, 2024-04-01 In order to mark the bicentenary of the foundational dream that Saint John Bosco experienced when only nine years of age in 1824, this book offers readers reflections on a number of biblical and theological themes that emerge from the simplicity yet depth of that dream. In the first place, certain elements from the life and person of Jesus are presented as the model for a so-called Salesian spirituality and life style. Those elements are outlined as an awareness that Jesus never abandons his fragile disciples and that a genuinely Christian education writes on the hearts of the young. They are never abandoned in the challenging, all-pervasive secularity of contemporary society. It closes with a summons to a deeper awareness of the universal possibility of the perfection of love, as Saint Francis de Sales (1567-1622) taught well before his fellow Savoyard John Bosco (1815-1888).
