

## My blanket

John was woken up by a horrible noise in the street outside his house. He opened the window and saw two men fighting.

When they saw him watching them, they ran to the corner of the house and continued to hit each other there. John ran down and opened his front door, but, as it was so cold that night, he wrapped himself in a blanket before he went out. John went closer to the two men who were still shouting and fighting. When they saw him, they stopped fighting and attacked him. They seized his blanket and ran away. John was too old to run after the two men, so he walked sadly to bed without his blanket. His wife said, "What were they fighting about?" He replied, "I think they were fighting about my blanket"

**The Collected Works of Algernon Blackwood (10 Novels & 80+ Short Stories in One Edition)** Algernon Blackwood, 2023-12-17. Algernon Blackwood's *The Collected Works of Algernon Blackwood* is an extensive anthology showcasing a master of supernatural fiction and his exploration of the mystical interplay between nature and the human psyche. Spanning ten novels and more than eighty short stories, Blackwood's literary style is characterized by his rich, evocative prose and a deep philosophical undercurrent that seeks to elevate the ordinary into the extraordinary. This collection situates itself within the early 20th-century tradition of weird fiction, where elements of the supernatural and the exploration of the unconscious mind converge, offering readers immersive tales that challenge perceptions of reality and delve into the unexplained intricacies of existence. Blackwood, an author deeply influenced by his experiences in the wilderness and a profound interest in mysticism and the occult, draws upon his life as a traveler and explorer to inject authenticity into his narratives. Raised in a Victorian society that grappled with the rational versus the mystical, he often interrogated the boundaries of consciousness and the natural world. His works reflect a unique synthesis of his deep appreciation for the natural landscape and the spiritual dimensions that often lie hidden within it, mirroring the ethos of early environmental literature. Readers seeking to unearth the depths of human experience through the lens of the supernatural will find Blackwood's collected works indispensable. His ability to evoke feeling and provoke thought aligns him with literary giants such as H.P. Lovecraft and Arthur Machen, while still maintaining an originality that resonates profoundly today. This collection is not merely a compilation; it invites exploration into the essence of fear, wonder, and our connection to the world around us.
