Remember Why You're Here:

The Street Sweeper Elliot Perlman, 2012-01-03 From the civil rights struggle in the United States to the crematoria of Auschwitz Birkenau there are momentous stories everywhere But only some survive to become history Lamont Williams is a black man from the Bronx trying to return to a normal life after serving a six year prison term for a crime for which he was wrongly convicted Historian Adam Zignelik is an untenured Columbia professor whose career and long term relationship are falling apart When Lamont Williams strikes up an unlikely friendship with a patient at the hospital where he works as a janitor he learns about the Sonderkommando prisoners forced to work in the gas chambers and crematoria of the Nazi extermination camps Meanwhile Adam pursues a promising research topic suggested by a World War II veteran a topic that might just save him professionally and even personally When the lives of these two men intersect history comes to life in ways neither of them could have foreseen The Street Sweeper is an astonishing feat of storytelling that addresses the personal and the political as it sweeps across the globe through the seminal events of the twentieth century to the present Honest hypnotic and redemptive this is a novel that explores the responsibility of the historian the weight of history on all of us and the crucial role that bearing witness plays in breaking the cycle of human cataclysm **The Wisdom of The**

Council Sara Landon, 2022-11-01 An entirely channeled book of messages from The Council a group of ascended master beings that communicate to us that we have the power to be the Creators of our lives The Wisdom of the Council is an entirely channeled book of messages by The Council a group of ascended master beings Their messages are both empowering and gentle and guide you towards ascending to a new level of consciousness stepping into the greatest version of you and recognizing that you have the ability to create your own Heaven on Earth a new way of perceiving your human experience The Council assures us that we have the power to be the Creators of our lives And from the Council's perspective it's all done already we already have this Creator energy within us and it's just a matter of aligning with that frequency The Council encourages us to expand our consciousness and awareness so we can go beyond our thinking mind Only then can we expand our potential come into alignment with who we truly are manifest from a place of wholeness rather than lack and ultimately live out our destiny **If I Die, Here's What I Meant** Ryan Truax, 2021-03-03 Ryan Truax is an American author

Plant Energies Available to You Live Plant 100% Dead Plant 10% What we intend to speak about in this book if I may speak in general for all plants is how you as the human species can interact with plants in a more benevolent way For a long time you have been clear about the medicinal uses of leaves and stems and seeds and flower petals and so on but you are only getting about one tenth of the energy available to you in this way It is always better to interact with the plant and its energies in its live form but you need to know how The intention of this book is to reveal that formula so that you can stop searching for magical cures to diseases by exhausting the supply of life forms around you A much simpler process is available This book will not just comment on things you know about but show you what you are missing in your interaction with plants Dandelion In this book the plant world will speak through elders This has certain advantages allowing them to include knowledge and wisdom about their home planets In this way you will learn some of the old wisdom again shared so that you can discover how to interact with the plants while they are alive while they are a portion of the Creator of All Things With this you will learn the beginnings the reminders and for many of you the fulfillment of the transformation of that which does not work in your body in your life in your community and in your world the transformation of what you call dis ease or disharmony into
