Harry G. Kapeikis, 2007 *Exile from Latvia* is the story of a young boy's experiences before, during, and after World War II, told endearingly to touch the heart. Driven from his beloved Latvia by the Soviet Army, Harijs' family flees to Germany in the hope of being captured by the advancing American forces. The family experiences hardships of all kinds: hunger, homelessness, and air raids. They brush with death many times in many ways, and their life is often punctuated with misunderstandings, both humorous and tragic. Presumed guilty, they must prove their innocence. The continuous migration causes Harijs to lose friends constantly. These experiences shape Harijs' life surprisingly in a positive way, especially in the Displaced Persons camp under dedicated teachers and scoutmasters. There are lighter moments as young Harijs discovers girls, often handling the developing attraction in awkward though humorous ways, eventually touching the heartstrings of a girl tenderly. There is laughter, love, grief, tears, and longings of the heart. Finally, the anticipation of an unexpected future replaces the memories of cruelty, atrocity, hate, betrayal, misunderstandings, ignorance, and fear with commitment to meet the future with confidence. During the war years, Harijs made friends only to lose them. He will not lose you. You'll move alongside him through the first person escapades of a pre-teen boy looking for answers in a senseless world. **Remembering John-Janis** Terry Bareither, 2001-10 **Billboard**, 2001-06-23.
